Good morning Public Safety Committee Members.

At the direction of Elena, at city hall, I'm forwarding to you my email to City and EHR staff for your meeting on 06/23/2020.

The EHR GM Gary Leobold has set for Thursday a meeting, both in person and by conference call, to discuss this matter.

Please join the meeting and also contact me if you'd like to help us abate this continuing nuisance and criminal activities.

Good morning gentlemen!

Once again we are suffering from outrageous conduct, behavior and property damage from people who are on Emmerton Lane at all hours of the day and night.

Last Thursday, Mark Strain and I met with DCSO Ryan Sowers for 90 minutes trying to explain the extraordinary problems we are dealing with.

This morning a city crew is here working to repair the city owned fencing, another cost of time and materials to the city.

Sex in vehicles, drinking, vandalism, trash, drug use, noise, bottle rockets, eggs, disconnected circuit breakers and mortar launched fireworks are still the nuisance and criminal activities we are dealing with.

I write to ask that this week, at the Spring Lake Clubhouse, a meeting of all of this email's recipients be scheduled.

Mark Strain, Tony Mesa and I have some new proposals and unique ideas to remedy the safety issues that are impacting Emmerton Lane residents.

Implementing these safety measures will require a consolidated effort of both the City of Highland officials, the East Highlands Ranch Administration and Emmerton Lane residents.

Gary Leobold, will you please set this meeting in motion by scheduling the event and confirming the attendees. I will be pleased to chair the meeting if you like.

Thank you all for your help to make our neighborhood safe.

Best Regards,
Dave Saran
