**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HIGHLAND,
CALIFORNIA, APPROVING THE DEPARTMENT OF FORESTRY AND FIRE
PROTECTION (CAL-FIRE) AGREEMENT FOR SERVICES
FROM JULY 1, 2020 TO JUNE 30, 2025**

11. Community Events

City Manager Hughes gave a brief review of the staff report.

City Council discussed various options for the upcoming Community Events.

City Council provided direction to staff to hold the State of the Community event as a video package with Mayor McCallon addressing the public and will feature each Council Member; the Fourth of July parade will be canceled; the National Night Out is moved to October 6 and staff will review the possibility of holding small neighborhood watch type meetings; the Volunteer Dinner will be brought back to City Council for further discussion and consideration; Trails Day event will still tentatively be held, if allowed, with social distancing; and Fire Station Open Houses, as of right now, will be canceled.

12. City Manager Report and Comments (Work Program, Regional/Legislative/Development Issues, Subcommittees, etc.)

City Manager Hughes stated county-wide there are 4,567 confirmed cases of COVID-19. The City of Highland now has 119 confirmed cases. Testing county-wide there have been 54,901 tests with testing in Highland being 1,326. We did hold the COVID-19 drive thru testing event on May 19 and we had 387 people come through and get tested on that day. He would like to thank all the staff members who participated in the event as well as police and fire departments and of course the County of San Bernardino who coordinated the event. It was a very successful event. The County was very happy with the facility and they even commented that it was the smoothest event they have held. City Hall lobby is now open to the public. We have installed the glass partitions and face masks are required of citizens when they come into the building. If they do not have a face mask, we do have face masks available to give to the public. We are still temperature checking all city staff members every morning upon their arrival at work. Parks still remain open for passive use only. The parking lot is still closed at Community Park to discourage large gatherings. He encourages all citizens to visit our website and our Facebook page for updates. Dine-in restaurants can now open with the new second stage of phase two as well as retail establishments and houses of worship. All these buildings have to be operating under state guidelines. Today, the Governor also announced that barbershops and beauty salons can reopen. Again, there is a whole list of guidelines that those businesses have to operate under. All this information is available on the State of California website. The County of San Bernardino does have a COVID compliant business program for any business in San Bernardino County with fewer than 100 employees. A business can receive a \$2,500 grant for complying with this program and all the information for this program is available on the County of San Bernardino COVID-19 website. There is a hotline for the County of San Bernardino Public Health for any general questions regarding COVID-19 and it is 909.387.3911.

13. Council Member Comments (Agency/Committee/AB 1234 Reports, District Updates, etc.)

Mayor Pro Tem Lilburn stated through a County grant, there is going to be a drive thru COVID-19 testing site for senior citizens on the projected date of June 11 at the Highland Senior Center. Also, grab and go lunches are still being provided for senior citizens. Highland Senior Center is still providing transportation to doctor appointments. The Veterans Day committee is still meeting regularly to discuss the planning of the event with the anticipation of this event still being able to move forward. She is also still meeting regularly with the Airport and Omnitrans via zoom.

ANNOUNCEMENTS

Thursday, May 29 - Highland Chamber of Commerce is holding a drive-thru lunch event for first responders and medical personnel at San Manuel Village from 11am to 1pm.

CLOSED SESSION

None

ADJOURN

STAFF REPORT

TO THE CITY COUNCIL

DATE: June 9, 2020

FROM: Joseph A. Hughes, City Manager

PREPARED BY: Chuck Dantuono, Director of Administrative Services/City Treasurer 

SUBJECT: Resolution No. 2020-__ amending the City of Highland Premium Only Plan.

RECOMMENDATION: That the City Council approve Resolution No 2020-__ amending the City of Highland Premium Only Plan.

FISCAL IMPACT: None.

PUBLIC NOTICE: The agenda for this item was posted at the three required locations.

BACKGROUND: On June 23, 1993, the City adopted the City of Highland Premium Only Plan. Under this plan employees can use pre-tax dollars to purchase health, dental, and vision insurance.

The attached resolution needs to be adopted by the City Council in order to have our plan comply within the Federal guidelines. The plan document is included as attachment "A" to the resolution. This resolution must be adopted annually.

The plan document and adoption agreement are prepared by Wage Works, a firm that specializes in the Section 125 (Premium Only Plans). The City contracts with Wage Works to assist the City with the preparation of IRS forms and maintenance of the Premium Only Plan.

Section 125 Premium Only Plan

The undersigned Employer amends the Premium Only Plan for those Employees who shall qualify as Participants hereunder. It shall be effective as of the date specified below. The Employer hereby selects the following Plan specifications:

1. **Name of Employer:** City of Highland
2. **Effective Date:** This Amended Premium Only Plan shall be effective as of **July 1, 2020**.
3. **Effective Date of Original Plan:** This Premium Only Plan was originally effective July 1, 1993.
4. **Plan Year:** The Amended plan year begins on **July 1, 2020** and ends on **June 30, 2021**. Future plan years will be based on the same twelve-month period beginning each **July 1** and ending each **June 30**.
5. **Plan number:** 520
6. **Employer's Principal Office:** This Premium Only Plan shall be governed under the laws of the:
 - a. ☒ (X) State of California
 - b. ☐ () Commonwealth of
7. **Benefits:** All the benefits listed below are included in this plan whether or not you currently offer them:
 - **Health Insurance and Voluntary Plans.** Premiums that are payroll deducted on a pre-tax basis may include low-deductible or high-deductible medical insurance, dental insurance, vision care, critical illness insurance, accidental death/dismemberment (ADD) insurance, hospital indemnity and/or cancer insurance. Individually-owned insurance policy premiums may not be paid with pre-tax dollars through the Premium Only Plan.
 - **Group-Term Life Insurance up to \$50,000.** The \$50,000 limit must include any employer-provided group-term life insurance coverage. For example, if the employer provides \$20,000 of group-term life insurance for employees, then participants in the POP can payroll deduct premiums on a pre-tax basis for up to \$30,000 of additional coverage. However, employees may not pay premiums that cover spouses or dependents on a pre-tax basis, even if the amount is de minimis.
 - **Disability Plan.** Short-term and long-term disability policies. If payroll deducted on a pre-tax basis, any future benefits received will be taxable to the employee.
 - **Health Savings Account (HSA).** Allows employees to make contributions by pre-tax payroll deduction to their individually-owned HSA. Employers may also make contributions to the employee's HSA plan on each employee's behalf, in the manner set forth in the Plan.

Section 125 Premium Only Plan

Introduction

Article I	Definitions
Article II	Participation
Article III	Contributions to the Plan
Article IV	Benefits
Article V	Participant Elections
Article VI	Health Savings Account Program
Article VII	Administration
Article VIII	Amendment or Termination of Plan
Article IX	Miscellaneous

Introduction

The Employer has adopted this Plan to allow Employees to choose between cash compensation and certain benefits based on their own particular goals, desires and needs.

The intention of the Employer is that the Plan qualify as a "Cafeteria Plan" within the meaning of Section 125 of the Internal Revenue Code of 1986, as amended, and that the benefits which an Employee elects to receive under the Plan be includable or excludable from the Employee's income under Section 125(a) and other applicable sections of the Internal Revenue Code of 1986, as amended. The Plan is also intended to meet any applicable state mandates that may otherwise apply to the Employer as an employer of Employees who are eligible to participate in a "premium only plan" sponsored by the Employer, as applicable.

Article I — Definitions

1.1 "Administrator" means the individual(s) or corporation appointed by the Employer to carry out the administration of the Plan. The Employer shall be empowered to appoint and remove the Administrator from time to time as it deems necessary for the proper administration of the plan. In the event the Administrator has not been appointed, or resigns from a prior appointment, the Employer shall be deemed to be the Administrator.

1.2 "Affiliated Employer" means the Employer and any corporation which is a member of a controlled group of corporations (as defined in Code Section 414(b)) which includes the Employer; any trade or business (whether or not incorporated) which is under common control (as defined in Code Section 414(c)) with the Employer; any organization (whether or not incorporated) which is a member of an affiliated service group (as defined in Code Section 414(m)) which includes the Employer; and any other entity required to be aggregated with the Employer pursuant to Treasury regulations under Code Section 414(o).

1.3 "Benefit" means any of the optional benefit choices available to a Participant as outlined in Section 4.1.

1.4 "Code" means the Internal Revenue Code of 1986, as amended or replaced from time to time, and which shall also include any governing regulations or applicable guidance thereunder.

1.5 "Compensation" means the compensation received by the Participant from an Affiliated Employer during a Plan Year prior to any reductions pursuant to a Salary Redirection Agreement authorized hereunder.

1.6 "Dependent" means for purposes of the Premium Only Plan, any individual who is defined as a dependent (within the meaning of Code Section 152(f)(1) who has not attained age 27 as of the end of the taxable year or Qualifying Relative who qualifies as a dependent under an Insurance Contract or under Code Section 152 (as modified by Code Section 105(b)), as applicable.

Certain provisions of "Michelle's Law" in which the requirement that a Dependent child have a full-time status in order to extend coverage past a stated age will generally not apply if the child's failure to maintain full-time status is due to a medically necessary leave of absence or other change in enrollment (such as reduction of hours).

Notwithstanding anything in the Plan to the contrary, the Plan will comply with Michelle's Law.

1.7 "Effective Date" means the effective date as specified in Item 2 of the Adoption Agreement.

1.8 "Election Period" means the period immediately preceding the beginning of each Plan Year established by the Administrator for the election of Benefits and Salary Redirections, such period to be applied on a uniform and nondiscriminatory basis for all Employees and Participants. However, an Employee's initial Election Period shall be determined pursuant to Section 5.1.

1.9 “Eligible Employee” means any Employee who has satisfied the provisions of Section 2.1.

An individual shall not be an “Eligible Employee” if such individual is not reported on the payroll records of the Employer as a common law employee. In particular, it is expressly intended that individuals not treated as common law employees by the Employer on its payroll records are not “Eligible Employees” and are excluded from Plan participation even if a court or administrative agency determines that such individuals are common law employees and not independent contractors.

1.10 “Employee” means any person who is employed by the Employer. The term Employee shall include leased employees within the meaning of Code Section 414(n)(2).

1.11 “Employer” means the Corporation or any such entity specified in Item 1 of the Adoption Agreement, and any Affiliated Employer, where appropriate (as defined in Section 1.2), which shall adopt this plan; and any successor, which shall maintain this Plan; and any predecessor, which has maintained this Plan.

1.12 “Health Savings Account” means an account established in accordance with Code Section 223(d) to which part of any Eligible Employee’s Cafeteria Plan Benefit Dollars may be allocated.

1.13 “Highly Compensated Employee” means, for the purposes of determining discrimination, an Employee described in Code Section 125 and the Treasury Regulations thereunder.

1.14 “Healthy Savings Account Trustee” means the designated Trustee (as defined under Code Section 223(d)(1)(B) of any Trust established for qualifying account beneficiaries who elect to establish a Health Savings Account.

1.15 “Insurance Contract” means any contract issued by an Insurer underwriting a Benefit.

1.16 “Insurance Premium Payment Plan” means the plan of benefits contained in Section 4.1 of this Plan, which provides for the payment of Premium Expenses.

1.17 “Insurer” means any insurance company that underwrites a Benefit under this Plan.

1.18 “Key Employee” means an employee defined in Code Section 416(i)(1) and the Treasury regulations there under.

1.19 “Participant” means any Eligible Employee who elects to become a Participant pursuant to Section 2.3 and has not for any reason become ineligible to participate further in the Plan.

1.20 “Plan” means this instrument, including all amendments thereto.

1.21 “Plan Year” means the 12-month period beginning and ending on the dates specified in the Adoption Agreement. The Plan Year shall be the coverage period for the Benefits provided for under this Plan. In the event a Participant commences participation during a Plan Year, then the initial coverage period shall be that portion of the Plan Year commencing on the date that such Participant began participating in the Plan and ending on the last day of such Plan Year.

1.22 “Premium Expenses” or “Premiums” mean the Participant’s cost for the insured Benefits described in Section 4.1.

1.23 “Qualifying Child” means an individual who, unless otherwise described under Code Section 152(b):

- Is a child (as defined under Code Section 152(f)(1)), or descendant of such child, or a brother, sister, stepbrother, stepsister, father, mother or any of their ancestors, or any other relative as described under Code Section 152(d)(2), including an individual who has the same principal residence as the Employee and who is a member of the Employee’s household;
- Who has the same principal residence, if allowed under local law, as the Employee for more than one-half of the current taxable year;
- Is younger than the taxpayer claiming such individual as a qualifying child, and is under the age of 19 as of the end of the Plan Year in which the Employee was eligible under this Plan, or is under the age of 24 when covered as a full time student (as defined under Code Section 152(f)(2)), after consideration of Code Section 152(c)(3) as applicable;
- Has not provided over one-half of his or her own support during the current Plan Year; and
- Who has not filed a joint return (other than only for a claim of refund) with the individual’s spouse under section 6013 for the taxable year beginning in the calendar year in which the taxable year of the taxpayer begins; or
- Is a child (within the meaning of Code Section 152(f)(1) who has not attained age 27 as of the end of the taxable year.

1.24 “Qualifying Relative” means an individual who, unless otherwise described under Code Section 152(d) or (e):

- Is a child (as defined under Code Section 152(f)(1)), or descendant of such child, or a brother, sister, stepbrother, stepsister, father, mother or any of their ancestors, or any other relative as described under Code Section 152(d)(2), including an individual who has the same principal residence as the Employee and who is a member of the Employee’s household;
- Has (with the exception of certain handicapped dependents described under Code Section 152(d)(4)) gross income for the Plan Year that is less than the allowable income exemption amount (as defined under Code Section 151(d) for that taxable year;
- For whom the Employee provides over one-half of the individual’s support for that calendar year; and
- Is not an otherwise Qualifying Child of the Employee for any portion of the Plan Year.

1.25 “Regulations” means either temporary, proposed or final regulations, as applicable, issued from the Department of Treasury, as well as any further related guidance or interpretations issued as applicable.

1.26 “Salary Redirection” means the contributions made by Participants for benefits pursuant to Section 3.1.

1.27 “Salary Redirection Agreement” means an agreement between the Participant and the Employer under which the Participant agrees to reduce his Compensation or to forego all or part of the increases in such Compensation and to have such amounts contributed by the Employer to the Plan on the Participant’s behalf. The Salary Redirection Agreement shall apply only to Compensation that has not been actually or constructively received by the Participant as of the date of the agreement (after taking this Plan and Code Section 125 into account) and, does not become currently available to the Participant.

1.28 "Spouse" means spouse as determined under the Internal Revenue Code.

1.29 "Uniformed Services" means any branch of the armed services when engaged in active duty for training, inactive duty training, or full-time National Guard duty, the commissioned corps of the Public Health Service, and any other category of persons designated by the President of the United States in time of war or emergency.

All other defined terms in this Plan shall have the meanings specified in the various Articles of the Plan in which they appear.

Article II — Participation

2.1 Eligibility

As to each Benefit provided hereunder, any Employee shall be eligible to participate as of the date he satisfies the eligibility conditions set forth in the policy or plan providing such Benefit, the eligibility provisions of which are specifically incorporated herein by reference. However, any Eligible Employee who was a Participant in the Plan on the effective date of this amendment shall continue to be eligible to participate in the Plan.

2.2 Effective Date of Participation

(a) With respect to Benefits described in 4.1 An Eligible Employee shall become a Participant effective as of the later of the date on which he satisfies the requirements of Section 2.1 or the Effective Date of this Plan.

(b) If an Eligible Employee terminates employment after commencing participation in the Plan, except as otherwise provided in the applicable policy or plan providing a Benefit, such terminated Participants who are rehired within 30 days or less of the date of termination of employment shall not be considered a newly eligible employee and will be reinstated with the same election(s) such individual had before termination. If a terminated Participant is rehired more than 30 days following termination of employment and is otherwise eligible to participate in the Plan, the individual shall be treated as a newly Eligible Employee and may make a new election under procedures otherwise set forth within this section or Section 5.1 below as applicable.

2.3 Application to Participate

An Employee who is eligible to participate in this Plan shall, during the applicable Election Period, complete an application to participate and election of benefits form, which the Administrator shall furnish to the Employee. The election made on such form shall be irrevocable until the end of the applicable Plan Year unless the Participant is entitled to change his Benefit elections pursuant to Section 5.4 hereof.

An Eligible Employee shall also be required to execute a Salary Redirection Agreement, to elect to reduce salary to pay for allowable Benefits, during the Election Period for the Plan Year during which he wishes to participate in this Plan. Any such Salary Redirection Agreement shall be effective for the first pay period beginning on or after the Employee's effective date of participation pursuant to Section 2.2. A failure to execute a Salary Redirection Agreement shall constitute an election by the Eligible Employee to receive his or her full salary or other compensation in lieu of Benefits available hereunder.

2.4 Termination of Participation

A Participant shall no longer participate in this Plan upon the occurrence of any of the following events:

- (a) His termination of employment, subject to the provisions of Section 2.5;
- (b) His death; or
- (c) The termination of this Plan, subject to the provisions of Section 8.2.

2.5 Termination of Employment

If a Participant terminates employment with the Employer for any reason other than death, his participation in the Plan shall cease, subject to the Participant's right to continue coverage under any Insurance Contract for which premiums have already been paid or any other ability to continue participation in a Health Savings Account pursuant to Code Section 223.

When an employee ceases to be a participant, the cafeteria plan must pay the former participant any amount the former participant previously paid for coverage or benefits to the extent the previously paid amount relates to the period from the date the employee ceases to be a participant through the end of that plan year.

Article III — Contributions to the Plan

3.1 Salary Redirection

Benefits under the Plan shall be financed by Salary Redirections sufficient to support Benefits that a Participant has elected hereunder and to pay the Participant's Premium Expenses. The salary administration program of the Employer shall be revised to allow each Participant to agree to reduce his Compensation during a Plan Year by an amount determined necessary to purchase the elected Benefit. The amount of such Salary Redirection shall be specified in the Salary Redirection Agreement and shall be applicable for a Plan Year. Notwithstanding the above, for new Participants, the Salary Redirection Agreement shall only be applicable from the first day of the pay period following the date the Employee began participating in the Plan up to and including the last day of the Plan Year.

Any Salary Redirection shall be determined prior to the beginning of a Plan Year (subject to initial elections pursuant to Section 5.1) and prior to the end of the Election Period and shall be irrevocable for such Plan Year. However, a Participant may revoke a Benefit election or a Salary Redirection Agreement after the Plan Year has commenced and make a new election with respect to the remainder of the Plan Year, if both the revocation and the new election are on account of and consistent with a change in status and such other permitted events as determined under Article V of the Plan and consistent with the rules and regulations of the Department of the Treasury. Salary Redirection amounts shall be contributed on a pro rata basis for each pay period during the Plan Year. All individual Salary Redirection Agreements are deemed to be part of this Plan and incorporated by reference hereunder.

3.2 Application of Contributions

As soon as reasonably practical after each payroll period, the Employer shall apply the Salary Redirection to provide the Benefits elected by the affected Participants. Any contributions made or withheld from an Employee's compensation, pursuant to the Employee's signed Salary Redirection Agreement for the Health Savings Account shall be credited to such account. Amounts designated for the Participant's Premium shall likewise be credited to such account for the purpose of paying Premium Expenses.

3.3 Periodic Contributions

Notwithstanding the requirement provided above and in other Articles of this Plan that Salary Redirections be made on a level and pro rata basis for each payroll period, the Employer and Administrator may implement a procedure under which Salary Redirections are contributed throughout the Plan Year on a periodic basis that is not pro rata for each payroll period. In the event Salary Redirections are not made on a pro rate basis, upon termination of participation, a Participant may be entitled to a refund of such Salary Redirections pursuant to Section 2.5.

Article IV — Benefits

4.1 Benefit Options

Each Participant may elect to have his full compensation paid to him in cash or elect to have the amount of his Cafeteria Plan Benefit Dollars applied to any one or more of the optional Benefits or any other group-insured or self-funded Benefit permitted under Code Section 125, including Marketplace/State Exchanges Small Business Health Options Program (SHOP Exchange) or federally facilitated Small Business Health Options Program (FF SHOP), which is offered by the Employer as set forth in the Adoption Agreement. If selected as an available Benefit Option under the Employer's Adoption Agreement, each Eligible Individual may elect coverage under the Health Savings Account Plan option, in which case Article VI shall apply.

The employer may select suitable health and hospitalization Insurance Contracts for use in providing health benefits, which policies will provide uniform benefits for all Participants electing this Benefit.

4.2 Description of Benefits

Each Eligible Employee may elect to have the Administrator pay those contributions that the Employee is required to make to the Benefit options described under Section 4.1 as a condition for the Employee and his Dependents to participate in those Benefit options.

4.3 Nondiscrimination Requirements

(a) It is the intent of this Plan to provide benefits to a classification of employees which the Secretary of the Treasury finds not to be discriminatory in favor of the group in whose favor discrimination may not occur under Code Section 125.

(b) **Adjustment to avoid test failure.** If the Administrator deems it necessary to avoid discrimination or possible taxation to Key Employees or a group of employees in whose favor discrimination may not occur in violation of Code Section 125, it may, but shall not be required to reject any election or reduce contributions or non-taxable Benefits in order to assure compliance with this Section. Any act taken by the Administrator under this Section shall be carried out in a uniform and nondiscriminatory manner. Contributions which are not utilized to provide Benefits to any Participant by virtue of any administrative act under this paragraph shall be forfeited and deposited into the benefit plan surplus.

Article V — Participant Elections

5.1 Initial Elections

An Employee who meets the eligibility requirements of Section 2.1 on the first day of, or during, a Plan Year may elect to participate in this Plan for all or the remainder of such Plan Year, provided he elects to do so before his effective date of participation pursuant to Section 2.2 or for a newly Eligible Employee, no more than 30 days after their date of hire. For any such newly Eligible Employee, if coverage is effective as of the date of hire pursuant to Section 2.1 above, such Employee shall be eligible to participate retroactively as of their date of hire. Newly Eligible Employee Election amounts will be collected on the first pay period on or after his or her election was received. However, if such Employee does not complete an application to participate and benefit election form and deliver it to the Administrator before such date, his Election Period shall extend 30 calendar days after such date, or for such further period as the Administrator shall determine and apply on a uniform and nondiscriminatory basis. However, any election during the extended 30-day election period pursuant to this Section 5.1 shall not be effective until the first pay period following the later of such Participant's effective date of participation pursuant to Section 2.2 or the date of the receipt of the election form by the Administrator, and shall be limited to the Benefit expenses incurred for the balance of the Plan Year for which the election is made. Any failure to elect the Benefits set forth herein shall constitute an Employee's election not to participate in the Plan during that Plan Year until a valid Election is otherwise made in the manner set forth herein.

5.2 Subsequent Annual Elections

During the Election Period prior to each subsequent Plan Year, each Participant shall be given the opportunity to elect, Salary Redirection Agreement, which Benefit options he wishes to select. With regard to subsequent annual elections, the following options shall apply:

(a) A Participant or Eligible Employee who failed to initially elect to participate may elect different or new Benefits under the Plan during the Election Period;

(b) A Participant may terminate his participation in the Plan by notifying the Administrator in writing during the Election Period that he does not want to participate in the Plan for the next Plan Year;

(c) An Employee who elects not to participate for the Plan Year following the Election Period will have to wait until the next Election Period before again electing to participate in the Plan, except as provided for in Section 5.4.

5.3 Failure to Elect

Any Participant failing to complete a Salary Redirection Agreement pursuant to Section 5.2 by the end of the applicable Election Period shall be deemed to have elected not to participate in the Plan for the upcoming Plan Year. No Salary Redirections shall therefore be authorized or made for such subsequent Plan Year for such Benefits.

5.4 Change in Status

(a) Any Participant may change a Benefit election after the Plan Year (to which such election relates) has commenced and make new elections with respect to the remainder of such Plan Year if, under the facts and circumstances, the changes are necessitated by and are consistent with a change in status which is acceptable under rules and regulations adopted by the Department of the Treasury, the provisions of which are incorporated by reference. Notwithstanding anything herein to the contrary, if the rules and regulations conflict, then such rules and regulations shall control.

In general, a change in election is not consistent if the change in status is the Participant's divorce, annulment or legal separation from a spouse, the death of a spouse or dependent, or a dependent ceasing to satisfy the eligibility requirements for coverage, and the Participant's election under the Plan is to cancel Medical Benefit, Dental Benefit, or Vision Benefit for any individual other than the one who loses eligibility for such Benefit due to such an event. In addition, if the Participant, spouse or dependent gains or loses eligibility for coverage under a family member plan as a result of a change in marital status or a change in employment status, then a Participant's election under the Plan to cease or decrease coverage for that individual under the Plan corresponds with that change in status only if coverage for that individual becomes applicable or is increased under the family member plan.

Regardless of the consistency requirement, if the individual, the individual's spouse, or the individual is dependent becomes eligible for continuation coverage under the Health Benefit, Dental benefit, or Vision Benefit as provided in Code Section 4980B or any similar state law, then the individual may elect to increase payments under this Plan in order to pay for the continuation coverage. However, this does not apply for COBRA eligibility due to divorce, annulment or legal separation or the Dependent ceasing to satisfy the eligibility requirements for coverage.

Any new election shall be effective at such time as the Administrator shall prescribe, but not earlier than the first pay period beginning after the election form is completed and returned to the Administrator. For the purposes of this subsection, a change in status shall only include the following events or other events permitted by Treasury regulations:

(1) Legal Marital Status: events that change a Participant's legal marital status, including marriage, divorce, death of a spouse, legal separation or annulment;

(2) Number of Dependents: Events that change a Participant's number of dependents, including birth, adoption, placement for adoption, or death of a dependent;

(3) Employment Status: Any of the following events that change the employment status of the Participant, spouse, or dependent: termination or commencement of employment, a strike or lockout, commencement or returns from an unpaid leave of absence, or a change in worksite. In addition, if the eligibility conditions of this Plan or other employee benefit plan of the Employer of the Participant, spouse, or dependent depend on the employment status of that individual and there is a change in that individual's employment status with the consequence that the individual becomes (or ceases to be) eligible under the plan, then that change constitutes a change in employment under this subsection;

(4) Dependent satisfies or ceases to satisfy the eligibility requirements: an event that causes the Participant's dependent to satisfy or cease to satisfy the requirements for coverage due to attainment of age, student status, or any similar circumstance; and

(5) Residency: A change in the place of residence of the Participant, spouse or dependent.

(b) Notwithstanding subsection (a), Participants may change an election for accident or health coverage during a Plan Year and make a new election that corresponds with the special enrollment rights provided in Code Section 9801(f) pertaining to HIPAA special enrollment rights or the Family and Medical Leave Act.

A Participant may change an election for the Health Insurance Benefit during a Plan Year and make a new election that corresponds with the special enrollment rights provided in Code Section 9801(f), including those authorized under the provisions of the Children's Health Insurance Program Reauthorization Act of 2009 (SCHIP); provided that such Participant meets the sixty (60) day notice requirement imposed by Code Section 9801(f) (or such longer period as may be permitted by the Plan and communicated to Participants).

Such change shall take place on a prospective basis, unless otherwise required by Code Section 9801(f) to be retroactive.

(c) Notwithstanding subsection (a), in the event of a judgment, decree, or order ("order") resulting from a divorce, legal separation, annulment, or change in legal custody (including a qualified medical child support order defined in ERISA Section 609) which requires accident or health coverage for a Participant's child (including a foster child who is a dependent of the Participant):

(1) The Plan may change an election to provide coverage for the child if the order requires coverage under the Participant's plan; or

(2) The Participant shall be permitted to change an election to cancel coverage for the child if the order requires the former spouse to provide coverage for such child, under that individual's plan and such coverage is actually provided.

(d) Notwithstanding subsection (a), Participants may change elections to cancel Health Insurance Benefit for the Participant or the Participant's spouse or dependent if the Participant or the Participant's spouse or dependent is enrolled in the Health Insurance Benefit of the Employer and becomes entitled to coverage (i.e., enrolled) under Part A or Part B of the Title XVIII of the Social Security Act (Medicare) or Title XIX of the Social Security Act (Medicaid), other than coverage consisting solely of benefits under section 1928 of the Social Security Act (the program for distribution of pediatric vaccines). If the Participant or the Participant's spouse or dependent who has been entitled to Medicaid or Medicare coverage loses eligibility, that individual may prospectively elect coverage under the Plan if a benefit package option under the Plan provides similar coverage.

(e) Notwithstanding subsection (a), Participants may make a prospective election change to add the Health Insurance Benefit for the Participant or the Participant's spouse or dependent if the Participant or the Participant's spouse or dependent, if such individual(s) lose coverage under any group health coverage sponsored by a governmental or educational institution, including (but not limited to) the following: a state children's health insurance program (SCHIP) under Title XXI of the Social Security Act; a medical care program of an Indian Tribal government (as defined in Code Section 7701 (a) (40)), the Indian Health Service, or a tribal

organization; a state health benefits risk pool; or a foreign government group health plan, subject to the terms and limitations of the applicable benefit package option(s).

Further, if the Participant or the Participant's spouse or dependent who has been entitled to Medicare or Medicaid loses eligibility for such coverage, the Participant may prospectively elect to commence or increase the Health Insurance Benefit of the individual who loses Medicare or Medicaid eligibility.

(f) Notwithstanding subsection (a), Participants who elected to salary reduce through the Premium Only Plan for accident and health plan coverage is allowed to prospectively revoke or change his or her election with respect to the accident or health plan during open enrollment of a Marketplace Qualified Health Plan (QHP) as outline by the Affordable Care Act (ACA).

The new coverage in a QHP shall be effective no later than the day immediately following the last day of the original coverage that is revoked.

(g) Notwithstanding subsection (a), Participants who elected to salary reduce through the Premium Only Plan for the Health Insurance Benefit are allowed to prospectively revoke his or her election with respect to the accident or health plan if the Participant is moved from full-time status (at least 30 hours of service per week) to part-time status (less than 30 hours of service per week) and seek coverage in another plan that provides minimum essential coverage.

The new coverage shall be effective no later than the first day of the second month following the month that includes the date the original coverage is revoked.

(h) If the cost of a Benefit provided under the Plan increases or decreases during a Plan Year, then the Plan shall automatically increase or decrease, as the case may be, the Salary Redirections of all affected Participants for such Benefit. Alternatively, if the cost of a benefit package option increases significantly, the Administrator shall permit the affected Participants to either make corresponding changes in their payments or revoke their elections and, in lieu thereof, receive on a prospective basis coverage under another benefit package option with similar coverage; or drop coverage prospectively if there is no other benefit package option available that provides similar coverage. This Plan treats coverage by another Employer, such as a spouse's or dependent's employer, as similar coverage.

A cost increase or decrease refers to an increase or decrease in the amount of elective contributions under the Plan, whether resulting from an action taken by the Participants or an action taken by the Employer.

(i) If the cost of a Benefit Package Option provided under the plan decreases significantly during a Plan Year, the Administrator shall permit the affected Participants to either make corresponding changes in their payments; and employees who are otherwise eligible under the Plan may elect the Benefit Package Option, subject to the terms and limitations of the Benefit Package Option.

If the coverage under a Benefit is significantly curtailed, and such curtailment results in a loss of coverage, or ceases during a Plan Year, affected Participants may revoke their elections of such Benefit and, in lieu thereof, elect to receive on a prospective basis coverage under another plan with similar coverage, or drop coverage prospectively if there is no other Benefit Package Option available that provides similar coverage.

If the coverage under a Benefit is significantly curtailed, and such curtailment does not result in a loss of coverage, affected Participants may revoke their elections of such Benefit and, in lieu thereof, elect to receive on prospective basis coverage under another plan with similar coverage.

If, during the period of coverage, a new benefit package option or other coverage option is added (or an existing benefit package option or other coverage option is eliminated) or a significantly improved existing Benefit Package Option is added, then the affected Participants and employees who are otherwise eligible under the Plan may elect the newly-added or significantly improved option (or elect another option if an option has been

eliminated) prospectively and make corresponding election changes with respect to other benefit package options providing similar coverage.

(j) A Participant may make a prospective election change to add the Health Insurance Benefit for the Participant, the Participant's Spouse or Dependent if such individual loses group health coverage sponsored by a governmental or educational institution, including a state children's health insurance program under the Social Security Act, the Indian Health Service or a health program offered by an Indian tribal government, a state health benefits risk pool, or a foreign government group health plan.

(k) **Health Savings Account changes.** With regard to the Health Savings Account Benefit specified in Article IV, a participant who has elected to make elective contributions under such arrangement may modify or revoke the election prospectively, provided such change is consistent with Code Section 223 and the Treasury regulations thereunder. A Participant shall be permitted to change his or her Salary Redirection with respect to the Health Savings Account no less often than monthly.

Article VI - Health Savings Account Plan

6.1 Establishment of Plan

This Health Savings Account Plan (hereinafter the "HSA") is intended to qualify as a program under Code Section 223 and shall be interpreted in a manner consistent with such Code Section. The Health Savings Account Program is provided and administered by the HSA Trustee.

6.2 Coordination with Premium Only Plan Benefits

All Participants under the Premium Only Plan are eligible to receive Benefits under this HSA, as long as they otherwise meet the definition of an Eligible Individual set forth under Code Section 223. The Employer may allow employees to make contributions to the HSA with pre-tax dollars, as governed and elected under the Adoption Agreement. In circumstances in which Employees are allowed to make pre-tax contributions to the HSA, the Employer shall also have the option of making contributions to the Employee's HSA as well, through usage of this Plan and as otherwise set forth herein after consideration of, among other provisions, Article III and Article IV accordingly related to applicability of Employer contributions and applicable nondiscrimination standards. The enrollment and termination of participation under the Premium Only Plan shall constitute enrollment and termination of participation under this HSA. In addition, other matters concerning contributions, elections and the like shall be governed by the general provisions of the Premium Only Plan.

Article VII— Administration

7.1 Plan Administration

The Employer shall be the Administrator, unless the Employer elects otherwise. The Employer may appoint any person, including, but not limited to, the Employees of the Employer, to perform the duties of the Administrator. Any person so appointed shall signify acceptance by filing written acceptance with the Employer. Upon the resignation or removal of any individual performing the duties of the Administrator, the Employer may designate a successor.

If the Employer elects, the Employer shall appoint one or more Administrators. Any person, including, but not limited to, the Employees of the Employer, shall be eligible to serve as an Administrator. Any person so appointed shall signify acceptance by filing written acceptance with the Employer. An Administrator may resign by delivering a written resignation to the Employer or be removed by the Employer by delivery of written notice of removal, to take effect at a date specified therein, or upon delivery to the Administrator if no date is specified. The Employer shall be empowered to appoint and remove the Administrator from time to time as it deems necessary for the proper administration of the Plan to ensure that the Plan is being operated for the exclusive benefit of the Employees entitled to participate in the Plan in accordance with the terms of ERISA (to the extent it applies), the Plan and the Code.

The operation of the Plan shall be under the supervision of the Administrator. It shall be a principal duty of the Administrator to see that the Plan is carried out in accordance with its terms, and for the exclusive benefit of Eligible Employees. The Administrator shall have full power to administer the Plan in all of its details, subject, however, to the pertinent provisions of the Code. The Administrator's powers shall include, but shall not be limited to the following authority, in addition to all other powers provided by this Plan:

- (a) To make and enforce such rules and regulations as the Administrator deems necessary or proper for the efficient administration of the Plan;
- (b) To interpret the Plan, the Administrator's interpretations thereof in good faith to be final and conclusive on all persons claiming benefits by operation of the Plan;
- (c) To decide all questions concerning the Plan and the eligibility of any person to participate in the Plan and to receive benefits provided under the Plan;
- (d) To reject elections or to limit contributions or Benefits for certain Highly Compensated Participants if it deems such to be desirable in order to avoid discrimination under the Plan in violation of applicable provisions of the Code;
- (e) To provide Employees with a reasonable notification of their benefits available under the Plan;
- (f) To keep and maintain the Plan documents and all other records pertaining to and necessary for the administration of the Plan;
- (g) To keep and communicate procedures to determine whether a medical child support order is qualified under ERISA Section 609; and
- (h) To appoint such agents, counsel, accountants, consultants, and actuaries as may be required to assist in administering the Plan.

Any procedure, discretionary act, interpretation or construction taken by the Administrator shall be done in a nondiscriminatory manner based upon uniform principles consistently applied and shall be consistent with the intent that the Plan shall continue to comply with the terms of Code Section 125 and the Treasury regulations there under.

7.2 Examination of Records

The Administrator shall make available to each Participant, Eligible Employee and any other Employee of the Employer such records as pertain to their interest under the Plan for examination at reasonable times during normal business hours.

7.3 Payment of Expenses

Any reasonable administrative expenses shall be paid by the Employer unless the Employer determines that administrative costs shall be borne by the Participants under the Plan or by any Trust Fund which may be established hereunder. The Administrator may impose reasonable conditions for payments, provided that such conditions shall not discriminate in favor of Highly Compensated Participants.

7.4 Application of Benefit Plan Surplus

Any forfeited amounts credited to the benefit plan surplus by virtue of the failure of a Participant to incur a qualified expense may, but need not be, separately accounted for after the close of the Plan Year in which such forfeitures arose. In no event shall such amounts be carried over to reimburse a Participant for expenses incurred during a subsequent Plan Year for the same or any other Benefit available under the Plan; nor shall amounts forfeited by a particular Participant be made available to such Participant in any other form or manner, except as permitted by Treasury regulations. Amounts in the benefit plan surplus shall first be used to defray any administrative costs and experience losses and thereafter be retained by the Employer.

7.5 Insurance Control Clause

In the event of a conflict between the terms of this Plan and the terms of an Insurance Contract of a particular Insurer whose product is then being used in conjunction with this Plan, the terms of the Insurance Contract shall control as to those Participants receiving coverage under such Insurance Contract. For this purpose, the Insurance Contract shall control in defining the persons eligible for insurance, the dates of their eligibility, the conditions which must be satisfied to become insured, if any, the benefits Participants are entitled to and the circumstances under which insurance terminates.

7.6 Indemnification of Administrator

The Employer agrees to indemnify and to defend to the fullest extent permitted by law any Employee serving as the Administrator or as a member of a committee designated as Administrator (including any Employee or former Employee who previously served as Administrator or as a member of such committee) against all liabilities, damages, costs and expenses (including attorney's fees and amounts paid in settlement of any claims approved by the Employer) occasioned by any act or omission to act in connection with the Plan, if such act or omission is in good faith and not negligent.

Article VIII — Amendment or Termination of Plan

8.1 Amendment

The Employer, at any time or from time to time, may amend any or all of the provisions of the Plan without the consent of any Employee or Participant.

8.2 Termination

The Employer is establishing this Plan with the intent that it will be maintained for an indefinite period of time. Notwithstanding the foregoing, the Employer reserves the right to terminate the Plan, in whole or in part, at any time. In the event the Plan is terminated, no further Salary Redirections shall be made. Benefits under any Insurance Contract shall be paid in accordance with the terms of the Contract.

Any amounts remaining in any such account as of the end of the Plan Year in which Plan termination occurs shall be forfeited and deposited in the benefit plan surplus.

Article IX — Miscellaneous

9.1 Plan Interpretation

All provisions of this Plan shall be governed and interpreted by the Employer, or its delegated Administrator, as applicable, in its full and complete discretion and shall be otherwise applied in a uniform, nondiscriminatory manner. This Plan shall be read in its entirety and not severed except as provided in Section 9.12.

9.2 Gender and Number

Wherever any words are used herein in the masculine, feminine, or gender neutral, shall be construed as though they were also used in another gender in all cases where they would so apply, and whenever any words are used herein in the singular or plural form, they shall be construed as though they were also used in the other form in all cases where they would so apply.

9.3 Written Document

This Plan, in conjunction with any separate written document which may be required by law, is intended to satisfy the written Plan requirement of Code Section 125 and any Regulations there under relating to Cafeteria Plans.

9.4 Exclusive Benefit

This Plan shall be maintained for the exclusive benefit of the Employees who participate in the Plan.

9.5 Participant's Rights

This Plan shall not be deemed to constitute an employment contract between the Employer and any Participant or Employee or to be a consideration or an inducement for the employment of any Participant or Employee. Nothing contained in this Plan shall be deemed to give any Participant or Employee the right to be retained in the service of the Employer or to interfere with the right of the Employer to discharge any Participant or Employee at any time regardless of the effect which such discharge shall have upon him as a Participant of this Plan.

9.6 Action by the Employer

Whenever the Employer under the terms of the Plan is permitted or required to do or perform any act or matter or thing, it shall be done and performed by a person duly authorized by its legally constituted authority.

9.7 Employer's Protective Clauses

(a) Upon the failure of either the Participant or the Employer to obtain any Insurance Contract contemplated by this Plan (whether as a result of negligence, gross neglect or otherwise), the Participant's Benefits shall be limited to the insurance premium(s), if any, that remained unpaid for the period in question and the actual insurance proceeds, if any, received by the Employer or the Participant as a result of the Participant's claim.

(b) The Employer's liability to the Participant shall only extend to and shall be limited to any payment actually received by the Employer from the Insurer. In the event that the full insurance Benefit contemplated is not promptly received by the Employer within a reasonable time after submission of a claim, then the Employer shall notify the Participant of such facts and the Employer shall no longer have any legal obligation whatsoever (except to execute any document called for by a settlement reached by the Participant). The Participant shall be free to settle, compromise or refuse the claim as the Participant, in his sole discretion, shall see fit.

(c) The Employer shall not be responsible for the validity of any Insurance Contract or for the failure on the part of the Insurer to make payments provided for under any Insurance Contract. Once insurance is applied for or obtained, the Employer shall not be liable for any loss which may result from the failure to pay Premiums to the extent Premium notices are not received by the Employer.

9.8 No Guarantee of Tax Consequences

Neither the Administrator nor the Employer makes any commitment or guarantee that any amounts paid to or for the benefit of a Participant under the Plan will be excludable from the Participant's gross income for federal or state income tax purposes, or that any other federal or state tax treatment will apply to or be available to any Participant. Notwithstanding the foregoing, the rights of Participants under this Plan shall be legally enforceable.

9.9 Indemnification of Employer by Participants

If any Participant receives one or more payments or reimbursements under the Plan that are not for a permitted Benefit, such Participant shall indemnify and reimburse the Employer for any liability it may incur for failure to withhold federal or state income tax or Social Security tax from such payments or reimbursements. However, such indemnification and reimbursement shall not exceed the amount of additional federal and state income tax that the Participant would have owed if the payments or reimbursements had been made to the Participant as regular cash compensation, plus the Participant's share of any Social Security tax that would have been paid on such compensation, less any such additional income and Social Security tax actually paid by the Participant.

9.10 Funding

Unless otherwise required by law, Participant Salary Redirections need not be placed in trust or dedicated to a specific Benefit, but shall instead be held in the general assets of the Employer until the Premium Expense required under the Plan has been paid. Furthermore, and unless otherwise required by law, nothing herein shall be construed to require the Employer or the Administrator to maintain any fund or segregate any amount for the benefit of any Participant, and no Participant or other person shall have any claim against, right to, or security or other interest in, any fund, account or asset of the Employer from which any payment under the Plan may be made.

9.11 Governing Law

This Plan is governed by the Code and the Treasury regulations issued there under (as they might be amended from time to time). In no event shall the Employer guarantee the favorable tax treatment sought by this Plan. To the extent not preempted by federal law, the provisions of this Plan shall be construed, enforced and administered according to the laws of the state or commonwealth specified in the Adoption Agreement.

9.12 Severability

If any provision of the Plan is held invalid or unenforceable, its invalidity or unenforceability shall not affect any other provisions of the Plan, and the Plan shall be construed and enforced as if such provision had not been included herein.

9.13 Captions

The captions contained herein are inserted only as a matter of convenience and for reference, and in no way define, limit, enlarge, or describe the scope or intent of the Plan, nor in any way shall affect the Plan or the construction of any provision thereof.

9.14 Continuation of Coverage

Notwithstanding anything in the Plan to the contrary, in the event a Participant, Spouse or Dependent loses coverage under the Premium Only Plan such Participant, Spouse and Dependent will be entitled to continuation coverage as required in Code Section 4980B, and related regulations. This Section shall only apply if the Employer employs at least twenty (20) employees on more than 50% of its typical business days in the previous calendar year.

9.15 Family and Medical Leave Act

Notwithstanding any provision to the contrary in this Plan, if a Participant goes on a qualifying unpaid leave under the Family and Medical Leave Act of 1993 (FMLA), to the extent required by the FMLA, after consideration of Treasury Regulation Section 1.125-3 as applicable, the Employer will continue to maintain the Participant's benefits under this Plan on the same terms and conditions as though he/she were still an active Employee (i.e., the Employer will continue to pay its share of the premium to the extent the Employee opts to continue his/her coverage). If the Employee opts to continue his/her coverage, the Employee may pay his/her share of the premium with after-tax dollars while on leave (or pre-tax dollars to the extent he/she receives compensation during the leave), or the Employee may be given the option to pre-pay all or a portion of his/her share of the premium for the expected duration of the leave on a pre-tax salary reduction basis out of his/her pre-leave Compensation by making a special election to that effect prior to the date such Compensation would normally be made available to him/her (provided, however, that pre-tax dollars may not be utilized to fund coverage during the next plan year), or via other arrangements agreed upon between the Employee and the Administrator (e.g., the Administrator may fund coverage during the leave and withhold "catch-up" amounts upon the Employee's return). Upon return from such leave, the Employee will be permitted to reenter the Plan on the same basis the Employee was participating in the Plan prior to his/her leave, or as otherwise required by the FMLA.

Furthermore, if a Participant goes on a qualifying paid leave under the FMLA, to the extent required by the FMLA, the Employee will continue coverage while on FMLA by the method normally used during any paid leave. In all instances, a paid or unpaid leave under FMLA will be treated in the same manner and consistent with a non-FMLA paid or unpaid leave.

9.16 Health Insurance Portability and Accountability Act

Notwithstanding anything in this Plan to the contrary, this Plan shall be operated in accordance with HIPAA and regulations thereunder.

9.17 Uniformed Services Employment and Reemployment Rights Act

Notwithstanding any provision of this Plan to the contrary, contributions, benefits and service credit with respect to qualified military service shall be provided in accordance with USERRA and the regulations there under, as well as any other applicable Regulations specific to the rights and obligations of Employers with Employees on active military leave.

9.18 COMPLIANCE WITH HIPAA PRIVACY STANDARDS

(a) **Application.** If any benefits under this Cafeteria Plan are subject to the Standards for Privacy of Individually Identifiable Health Information (45 CFR Part 164, the "Privacy Standards"), then this Section shall apply.

(b) **Disclosure of PHI.** The Plan shall not disclose Protected Health Information to any member of the Employer's workforce unless each of the conditions set out in this Section are met. "Protected Health Information" shall have the same definition as set forth in the Privacy Standards but generally shall mean individually identifiable information about the past, present or future physical or mental health or condition of an individual, including genetic information and information about treatment or payment for treatment.

(c) **PHI disclosed for administrative purposes.** Protected Health Information disclosed to members of the Employer's workforce shall be used or disclosed by them only for purposes of Plan administrative functions. The Plan's administrative functions shall include all Plan payment functions and health care operations. The terms "payment" and "health care operations" shall have the same definitions as set out in the Privacy Standards, but the term "payment" generally shall mean activities taken to determine or fulfill Plan responsibilities with respect to eligibility, coverage, provision of benefits, or reimbursement for health care. Protected Health Information that consists of genetic information will not be used or disclosed for underwriting purposes.

(d) **PHI disclosed to certain workforce members.** The Plan shall disclose Protected Health Information only to members of the Employer's workforce who are designated and authorized to receive such Protected Health Information, and only to the extent and in the minimum amount necessary for that person to perform his or her duties with respect to the Plan. "Members of the Employer's workforce" shall refer to all employees and other persons under the control of the Employer. The Employer shall keep an updated list of those authorized to receive Protected Health Information.

(1) An authorized member of the Employer's workforce who receives Protected Health Information shall use or disclose the Protected Health Information only to the extent necessary to perform his or her duties with respect to the Plan.

(2) In the event that any member of the Employer's workforce uses or discloses Protected Health Information other than as permitted by this Section and the Privacy Standards, the incident shall be reported to the Plan's privacy official. The privacy official shall take appropriate action, including:

- (i) investigation of the incident to determine whether the breach occurred inadvertently, through negligence or deliberately; whether there is a pattern of breaches; and the degree of harm caused by the breach;
 - (ii) appropriate sanctions against the persons causing the breach which, depending upon the nature of the breach, may include oral or written reprimand, additional training, or termination of employment;
 - (iii) mitigation of any harm caused by the breach, to the extent practicable;
- and
- (iv) documentation of the incident and all actions taken to resolve the issue and mitigate any damages.

(e) **Certification.** By adopting this Plan, the Employer must provide certification to the Plan that it agrees to:

- (1) Not use or further disclose the information other than as permitted or required by the Plan documents or as required by law;
- (2) Ensure that any agent or subcontractor, to whom it provides Protected Health Information received from the Plan, agrees to the same restrictions and conditions that apply to the Employer with respect to such information;
- (3) Not use or disclose Protected Health Information for employment-related actions and decisions or in connection with any other benefit or employee benefit plan of the Employer;
- (4) Report to the Plan any use or disclosure of the Protected Health Information of which it becomes aware that is inconsistent with the uses or disclosures permitted by this Section, or required by law;
- (5) Make available Protected Health Information to individual Plan members in accordance with Section 164.524 of the Privacy Standards;
- (6) Make available Protected Health Information for amendment by individual Plan members and incorporate any amendments to Protected Health Information in accordance with Section 164.526 of the Privacy Standards;
- (7) Make available the Protected Health Information required to provide an accounting of disclosures to individual Plan members in accordance with Section 164.528 of the Privacy Standards;
- (8) Make its internal practices, books and records relating to the use and disclosure of Protected Health Information received from the Plan available to the Department of Health and Human Services for purposes of determining compliance by the Plan with the Privacy Standards;
- (9) If feasible, return or destroy all Protected Health Information received from the Plan that the Employer still maintains in any form, and retain no copies of such information when no longer needed for the purpose for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible; and
- (10) Ensure the adequate separation between the Plan and members of the Employer's workforce, as required by Section 164.504(f)(2)(iii) of the Privacy Standards and set out in (d) above.

9.19 COMPLIANCE WITH HIPAA SECURITY STANDARDS

Under the Security Standards for the Protection of Electronic Protected Health Information (45 CFR Part 164.300 et. seq., the "Security Standards"):

- (a) **Implementation.** The Employer agrees to implement reasonable and appropriate administrative, physical and technical safeguards to protect the confidentiality, integrity and availability of Electronic Protected Health Information that the Employer creates, maintains or transmits on behalf of the Plan. "Electronic Protected Health Information" shall have the same definition as set out in the Security Standards, but generally shall mean Protected Health Information that is transmitted by or maintained in electronic media.
- (b) **Agents or subcontractors shall meet security standards.** The Employer shall ensure that any agent or subcontractor to whom it provides Electronic Protected Health Information shall agree, in writing, to implement reasonable and appropriate security measures to protect the Electronic Protected Health Information.

RESOLUTION NO. 2020 -

**A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF HIGHLAND, CALIFORNIA,
ADOPTING THE ANNUAL STATEMENT OF
INVESTMENT POLICY FOR FISCAL YEAR 2020/2021**

WHEREAS, the City of Highland City Treasurer is no longer required by Government Code Section 53646(a) (2) to annually render to the City Council a Statement of Investment Policy; and,

WHEREAS, the City desires to continue to annually render to the City Council a Statement of Investment Policy, although it is no longer required by the Government Code; and,

WHEREAS, the City has submitted the Statement of Investment Policy annually to comply with prudent money management; and,

WHEREAS, the City Treasurer shall also render a quarterly report to the City Council showing the type of investment, institution, date of maturity, amount of deposit, current market value for all securities and the source, rate of interest, investments and moneys held by the City, description of funds under the management of contracted parties, statement that the report is in compliance or not with the investment policy, and that there are sufficient funds to meet the next six months' obligations or not,

WHEREAS, the City Council can and does require the Treasurer's Report be submitted on a monthly basis, rather than a quarterly basis,

NOW THEREFORE, BE IT RESOLVED that the City Council of the City of Highland, California, adopts the Statement of Investment Policy attached herewith for the fiscal year 2020/2021.

APPROVED AND ADOPTED this 9th day of June, 2020.

**CITY OF HIGHLAND
STATEMENT OF INVESTMENT POLICY
FISCAL YEAR 2020-2021**

I Introduction:

The purpose of this document is to identify various policies and procedures that enhance opportunities for a prudent and systematic investment policy and to organize and formalize investment-related activities. Related activities, which comprise good cash management, include accurate cash projections, the expeditious collection of revenue, the control of disbursements, cost-effective banking relations and a short-term borrowing program, which coordinates working capital requirements and investment opportunity. In concert with these requirements are the many facets of an appropriate and secure short-term investment program.

II Scope:

It is intended that this policy cover all funds and investment activities under the direct authority of the City. The criteria outlined in this policy focuses mainly on the City's pooled funds, but will also apply to those funds under the control of the City Treasurer, unless specifically identified by statute or ordinance. This policy is applicable, but not limited to the funds of the city which consist of the General Fund, Special Revenue Funds, Capital Projects Funds, Internal Service Funds, Trust and Agency Funds, Former Redevelopment Funds, and any new fund(s) created by the City Council, based on their respective participation and in accordance with generally accepted accounting principles (GAAP). Current policy of the City prefers a passive investment strategy whereby investments are bought and held to maturity in order to match cash flow needs.

III Objectives:

- A. Safety: It is the primary objective and responsibility of the City Treasurer to protect, preserve and maintain cash and investments placed in his/her trust on behalf of the citizens of the community, so as to protect the potential loss of principal, interest or a combination of these. Each investment transaction will seek to ensure that capital losses are avoided, whether from securities default, broker-dealer default or erosion of market value. The City will seek to preserve principal by mitigating the two types of risk, credit risk and market risk.
 - 1. Credit risk, defined as the risk of loss due to failure of the issuer of a security, will be mitigated by investing in investment grade securities and by diversifying the investment portfolio so that the failure of any single issuer would not unduly harm the City's cash flow.
 - 2. Market risk, defined as market value fluctuations due to overall changes in the

general level of interest rates, will be mitigated by limiting the average maturity of the City's investment portfolio to two years, the maximum maturity of any single security to five years, structuring the portfolio based on historic and current cash flow analysis eliminating the need to sell securities prior to maturity and avoiding the purchase of securities for the sole purpose of short term speculation. It is recognized however, that in a diversified investment portfolio, occasional measured losses are inevitable and must be considered within the context of the overall investment return and current economic circumstances.

- B. Liquidity: An adequate percentage of the portfolio should be maintained in liquid short-term securities, which can be converted to cash if necessary to meet disbursement requirements. Since all cash requirements cannot be anticipated, investments in securities with active secondary or resale markets is highly recommended. Emphasis should be on marketable securities with low sensitivity to market risk.
- C. Yield: Yield, also known as return on investment, should become a consideration only after the basic requirements of safety and liquidity have been met. Yield is the potential dollar earnings an investment can provide.

IV Standards of Care:

- A. Prudence: The City adheres to the guidance provided by the "prudent investor standard in Government Code Section 53600.3, which obligates a fiduciary to insure that:

"When investing, reinvesting, purchasing, acquiring, exchanging, selling, or managing public funds, a trustee will act with care, skill, prudence, and diligence under the circumstances then prevailing, including, but not limited to, the general economic conditions and the anticipated needs of the agency, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency."
- B. Public Trust: All participants in the investment process will act as custodians of the public trust. Investment officials will recognize that the investment portfolio is subject to public review and evaluation. The overall program will be designed and managed with a degree of professionalism that is worthy of the public trust. In a well-diversified investment portfolio it must be recognized that occasional measured losses are inevitable, due to economic, bond market, or individual security credit analysis, and must be considered within the context of the overall portfolio's investment return, provided that adequate diversification has been implemented.
- C. Ethics and Conflicts of Interest: Officers and employees involved in the investment process will refrain from personal business activity that conflicts with

proper execution of the investment program, or impairs their ability to make impartial investment decisions. Employees and investment officials will disclose any material financial interest that could be related to the performance of the City's investment portfolio.

During no such time that the City deposits moneys with a state or federal credit union will a member of the City Council or employee of the administrative office, manager's office, or treasurer's office of the City serve on the board of directors or any committee appointed by the board of directors, or the credit committee or supervisory committee, of the state or federal credit union, pursuant to Section 53648 of the Government Code.

- D. Delegation of Authority: Government Code Section 36501 states that there must be an office of City Treasurer of the local government. In the incorporation papers of the City, the office of City Treasurer was made appointive versus elective, as per Government Code Section 36511, per Resolution No. 87-414 of the Board of Supervisors of the County of San Bernardino, State of California, on November 23, 1987.

Government Code Section 53607 authorizes the City Council to delegate the duties of investing or reinvesting funds of a city to the City Treasurer. The City Council by Resolution No. 2020-0??, which repeals Resolution No. 2019-016, has appointed the City Treasurer and has delegated their authority of investment decisions to the City Treasurer as the investor or reinvestor of the City's funds. Resolution No. 2020-0?? delegates these duties for a one-year period effective July 1, 2020.

Daily management responsibility of the investment program has been delegated to the City Treasurer/Director of Administrative Services, who will establish procedures for the operation consistent with this investment policy. In the absence of the City Treasurer/Director of Administrative Services, the Senior Accountant is authorized to initiate investment transactions with approval by the City Manager.

V Safekeeping and Custody:

- A. Banks and Securities Dealers: In selecting financial institutions for the deposit or investment of the City's funds, the City Treasurer will consider the creditworthiness of institutions. The City Treasurer will continue to monitor financial institutions' credit characteristics and financial history throughout the period in which City funds are deposited or invested. These institutions will be qualified to purchase investments as set forth in Government Code Section 53601.5. Current City policy for day-to-day deposit of funds and general banking transactions requires a financial institution to be within the limits of the City.

- B. Brokers/Dealers: Securities purchased from a broker/dealer should be held in a third party custodian/safekeeping account. Said securities should be held in a manner that establishes the City's right of ownership.

All brokers/dealers will be provided a questionnaire prior to investment of any funds. A statement of compliance with the Investment Policy will also be required. These questionnaires will be reviewed by the Finance Subcommittee.

All securities owned by the City should be held by a third party except the collateral for time deposits in banks and savings and loans and collateral for repurchase agreements. Collateral for time deposits in savings and loans are held by the Federal Home Loan Bank or an approved Agent of Depository. The collateral for time deposits in banks and for repurchase agreements should be held in the City's name in the bank's Trust Department, or alternately, in the Federal Reserve Bank.

- C. Internal Controls: A System of internal control will be established. The controls will be designed to prevent losses of public funds arising from fraud, employee error, misrepresentation of third parties, unanticipated changes in financial markets, or imprudent actions by employees and officers of the City. Controls deemed most important include: separation of duties, separating transactions authority from accounting and record keeping, custodial safekeeping, clear delegation of authority, specific limitations regarding securities losses and remedial action, minimizing the number of authorized Investment Officials and code of ethics standards. All investment transactions will be confirmed in writing back to the City so as to be assured proper communication of the transaction has occurred.
- D. Risk Tolerance: The City recognizes that investment risks can result from issuer defaults, market price changes or various technical complications leading to temporary illiquidity. Portfolio diversification is employed as a way to control risk. Investment Managers are expected to display prudence in the selection of securities, as a way to minimize default risk. No individual investment transaction will be undertaken which jeopardizes the total capital position of the overall portfolio. The Treasurer will periodically establish guidelines and strategies to control risks of default, market price changes and illiquidity.

In addition to these general policy considerations, the following specific policies will be strictly observed.

1. All transactions will be executed on a delivery versus payment (DVP) basis and follow Government Code Section 53601.
2. A competitive bid process, when practical, will be used to place all investment purchases.

VI Investment Instruments: Security purchases and holdings should be maintained within statutory limits imposed by the Government Code Section 53601 and 53601.1. Current permitted investments and deposits and their limits are as follows:

PERMITTED INVESTMENTS/ DEPOSITS	MAXIMUM PERCENTAGES	MAXIMUM MATURITY
Securities of the U.S. Govt.	Unlimited	5 years*
Securities of the State of California	Unlimited	5 years*
Bonds issued by the City	Unlimited	5 years*

* Maximum term unless expressly authorized by Governing Body to extend (see paragraph below) and must be approved no less than three months prior to the purchase of the investment. Will be rated A or its equivalent or better.

** Governing Body approval is required. Further, it is suggested that the final maturity of the underlying investment security be less than or equal to the maturity of the reverse repurchase agreement.

*** Maximum as allowed by Limit set by LAIF Governing Board, not Government Code.

****Amounts to invest and which funds to invest to be determined by the Finance Subcommittee.

+ Adopted by the CSMFO Cash Management Committee on February 26, 1992.

(1) Further restrictions apply in Government Code Section 53601.

- A. In the case of bond reserve investments, an exception to the five-year limitation may be extended, provided that the segregated investment portfolio of the bond reserve fund with the maturity schedule is prudent given current economic analysis. In addition, certain investments currently not authorized by this investment policy may be superceded by Council authorization in executing bond documents, provided that due diligence is exercised in acquiring background for the investment and/or bank and rated by two Rating Agencies. Liquidity of certain bond funds may need to use money market funds of the trustee bank in order to facilitate timeliness of withdrawal and/or interim holding periods for bond payments. All instruments will be in accordance with bond documents executed by the City Council and the Government Code.
- B. Of the permitted investments/deposits as outlined in Section VI, the City Council has chosen to permit all the foregoing for 2020-2021 except Bankers Acceptances, Passbook deposits, Mortgage securities/Asset backed and medium term notes.
- C. Prohibited investments consist of inverse floaters, range notes, or interest only strips that are derived from a pool of mortgages or any security that could result in zero interest accrual if held to maturity. Per Government Code Section 53601.6, the City will not invest in any of these instruments.
- D. Market-Average Rate of Return: The investment portfolio will be designed to attain a market-average rate of return throughout budgetary and economic cycles, taking into account the City's risk constraints, the cash flow characteristics of the portfolio, and State and Local laws, ordinances or resolutions that restrict investments.
- E. Diversification: The investment portfolio will be diversified to avoid incurring unreasonable and avoidable risks regarding specific security types or individual financial institutions.
- F. Collateralization of Public Funds: The City Treasurer will enter into any contract with a depository relating to any deposit. Per Government Code Section 53648, a city may deposit public moneys into banks which are Federal Reserve System members or whose deposits are insured by the Federal Deposit Insurance Corporation (FDIC), or any State or Federal Credit Union whose accounts are insured by the National Credit Union Share Insurance Fund or guaranteed pursuant to Section 14858 of the Financial Code.

For those deposits placed with depositories that are FDIC insured or guaranteed, the maximum amount is \$250,000 under the initial insurance. Other forms of insurance or instruments with securities ratings will be required for any amount up to the maximum amount on deposit at any single time in the depository.

VII Reporting:

- A. Quarterly: The City Treasurer will submit a quarterly investment report to the City Council and City Manager within 30 days following the end of the quarter. This report will include all required elements of the quarterly report as prescribed by Government

Code Section 53646(b). The City Council may elect to require this report monthly instead of quarterly per Government Code Section 53646(d).

Required elements of the quarterly report:

- 1) Type of investment
- 2) Name of Issuer
- 3) Date of maturity
- 4) Amount of deposit or cost of the security
- 5) Current market value of securities as of the date of the report
- 6) Source of market valuation
- 7) Investments and moneys held by the City
- 8) Description of funds, investments, or programs under the management of contracted parties, including lending programs per Government Code Section 53646(b)(1)
- 9) Rate of interest
- 10) Statement that the report is in compliance or not in compliance with the Statement of Investment Policy
- 11) Statement that there are sufficient funds to meet the next six months' obligations or provide an explanation as to why not able to meet obligations
- 12) Effective January 1, 1991, Accrued Interest for each depository as prescribed by the California Government Code Section 53646, if required by the City Council. At this time, the City Council chooses not to require this of the City Treasurer.

Optional elements of the quarterly report:

- 1) Purchase date
- 2) Rating from appropriate rating agency

- B. If all investments are placed in the Local Agency Investment Fund, FDIC insured accounts in a bank or savings and loan, CAMP, county investment pool, or any combination of these, the City Treasurer may supply to the City Council and City Manager the most recent statement(s) received from these institutions in lieu of reporting them per Government Code Section 53646(e).
- C. Marking to Market: The market value of the portfolio will be calculated at least quarterly and a statement of the market value of the portfolio will be issued at least quarterly. This will ensure that review of the investment portfolio, in terms of fair value and price volatility, has been performed consistently with recommended practices.

VIII Statement of Investment Policy:

The Statement of Investment Policy, which includes any changes from the previous year, will be reviewed and submitted annually, by Resolution, to the City Council by the City Treasurer. Government Code Section 53646(a)(2) no longer requires a city to annually

submit their investment policy to their governing board for approval. However, the City of Highland will continue to do so, voluntarily.

Any State of California legislation action placed into law after adoption of this Investment Policy that further restricts allowable maturities, investment type or percentage allocations, will be incorporated into the City of Highland's next Investment Policy.

Any investment held currently that does not meet the guidelines of the new policy, will be exempt. However, at the investment's maturity or liquidation, such funds will be reinvested only as provided by this policy.

TO THE CITY COUNCIL

DATE: June 9, 2020

FROM: Joseph A. Hughes, City Manager

PREPARED BY: Chuck Dantuono, Director of Administrative Services/City Treasurer 

SUBJECT: Resolution No. 2020- confirming the authority of the City Treasurer, pursuant to Government Code Section 53607.

RECOMMENDATION: The Finance/Personnel Subcommittee recommends that the City Council adopt Resolution No. 2020- confirming the authority of the City Treasurer, pursuant to Government Code Section 53607.

FISCAL IMPACT: None.

PUBLIC NOTICE: The agenda for this item was posted at the three required locations.

BACKGROUND: This item is presented to the Council annually. Government Code Section 53607 states that the City Council may delegate the duties of investing or reinvesting funds of the City, or to sell or exchange securities so purchased for a one-year period. The City Council previously delegated the duties to Chuck Dantuono in Resolution No. 2019-016. The Government Code states that a yearly delegation may occur.

The Finance/Personnel Subcommittee reviewed the proposed resolution on May 26, 2020 and recommends that the delegation of investment duties is granted to Chuck Dantuono for a one-year period beginning July 1, 2020.

If Chuck Dantuono is made the City Treasurer, Per the City of Highland wiring policy, he is required to notify the City Manager & Senior Accountant upon any transfers of funds for any reason. The opening of any new banking account(s) must be approved by Resolution by the City Council.

RESOLUTION NO. 2020 -

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
HIGHLAND, CALIFORNIA, ESTABLISHING THE APPROPRIATIONS
LIMIT FOR FISCAL YEAR 2020-2021 FOR THE CITY OF
HIGHLAND IN ACCORDANCE WITH THE PROVISIONS OF DIVISION 9
OF TITLE 1 OF THE CALIFORNIA GOVERNMENT CODE**

WHEREAS, Article XIII B of the Constitution of the State of California as proposed by the Initiative Measure approved by the people at the special statewide election held on November 6, 1979 provides that the total annual appropriations subject to limitations of each local government shall not exceed the appropriations limit of such entity for the prior year adjusted for changes in the cost of living and population except as otherwise specifically provided for in said Article; and

WHEREAS, Article XIII B of the Constitution of the State of California as modified by Proposition 111 and Senate Bill 88 (Chapter 60/90) approved by the people at the statewide election held June 5, 1990; and

WHEREAS, beginning with the 1990-1991 Appropriations Limit, the annual adjustment factors will be: the growth in the California per capita income OR, the growth in the non-residential assessed valuation due to new construction (since 1986-1987), City population growth or County population growth (since 1986-1987); and

WHEREAS, the State Legislature added Division 9 (commencing with Section 7900) to Title 1 of the Government Code of the State of California to implement Article XIII B of the California Constitution; and

WHEREAS, Government Code Sections 7902.5 through 7902.7 determines the Appropriations Limit for newly incorporated cities based on the year of incorporation; and

WHEREAS, cities incorporated after the November 4, 1980 election and before January 1, 1988, have their Appropriations Limit determined by LAFCO and approved by the voters; and

WHEREAS, Government Code Section 7910 provides that each year the governing body of each local jurisdiction shall, by resolution, establish its appropriations limit and make other necessary determinations for the following fiscal year pursuant to Article XIII B at a regularly scheduled meeting or a noticed special meeting and that fifteen days prior to such meeting, documentation used in the determination of the appropriations limit shall be available to the public and any judicial action or proceeding to attack, review, set aside, void, or annul the action of the City taken pursuant to this section shall be commenced within 45 days of the effective date of this resolution; and

WHEREAS, Government Code Section 7902 (a) sets forth the method for determining the appropriations limit for each local jurisdiction for the 2020-2021 fiscal year; and

WHEREAS, Government Code Section 7901 (b) allows a city or special district to choose the change in population between January 1 of the next calendar year and January 1 of the current year within its jurisdiction or within the county it resides and do so annually by recorded vote of its governing body; and

WHEREAS, pursuant to Government Code Section 37200, the Appropriations Limit and the total Appropriations Subject to Limitation must be published in the annual budget; and

WHEREAS, the State Controller's Office requires the submission of an informational form along with the filing of the Annual Statement of Financial Transactions no later than 7 months after the start of each fiscal year; and

WHEREAS, Article XIII B Section 1.5 requires that the annual calculation of the Appropriations Limit shall be reviewed as part of the annual financial audit; and

WHEREAS, the City Council of the City of Highland wishes to establish the Appropriations Limit for fiscal year 2020-2021 for the City of Highland.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Highland, California as follows:

Section 1. That it is hereby found and determined that the documentation used in the determination of the Appropriations Limit for the City of Highland for fiscal year 2020-2021 was available to the public in the Finance Department of said City at least fifteen days prior to this date.

Section 2. That the annual adjustment factors chosen for fiscal year 2020-2021 were the California per capita personal income and the City population growth, per Government Code Section 7901.

Section 3. That the Appropriations Limit, Appropriations subject to the Limit, and the Appropriations Limit Margin for the City of Highland as established in accordance with California Government Code Section 7902 are \$38,137,363, \$19,947,375 and (\$18,189,989), respectively.

APPROVED AND ADOPTED this 9th day of June, 2020.

TO THE CITY COUNCIL

DATE: June 9, 2020

FROM: Joseph Hughes, City Manager

REVIEWED BY: Carlos Zamano, Public Works Director/City Engineer *CZ*

PREPARED BY: Jim Richardson, Public Works Manager *JR*

SUBJECT: Bid Award – Bid No. 2020-01 “Facilities and Parks Landscape Maintenance Contract”

RECOMMENDATION: That the City Council award the contract for Bid No. 2020-01 “Facilities and Parks Landscape Maintenance” to the responsive low bidder, RP Landscape & Irrigation in the amount of \$111,456.

FISCAL IMPACT: This contract will be paid for with current budgeted funds.

PUBLIC NOTICE: Notices of the City Council agenda were posted at the three locations per Resolution No. 2011-047 and on the City’s website.

BACKGROUND: Bid No. 2020-01 was offered for public bid to include the landscape and irrigation maintenance needs for seven (7) City Parks and five (5) Facilities. The City received three (3) bid proposals which were publicly opened on June 1, 2020 with the bid results as follows:

RP Landscape & Irrigation	\$111,456.00
CM Landscape	\$121,020.00
Brightview Landscape Services, Inc.	\$242,916.00

The Facilities and Parks Landscape Maintenance contract is for one year with an option for the City Council to issue extensions for up to 5 additional one year terms. This work includes the following locations:

The apparent low bid was received by RP Landscape & Irrigation (RP) in the amount of \$111,456.00. It should be noted that the required Addendum Nos. 1 and 2 were not submitted with RP's bid package. However, the Proposal Addenda Acknowledgement of both addendums was included with their bid, see attachment. Staff, in consultation with the City Attorney, has deemed omission of the Addendum documents as a minor irregularity. RP has maintained the City's landscape maintenance districts since 2017 and has performed satisfactorily.

FROM: Joseph Hughes, City Manager

PREPARED BY: Betty Hughes, MMC, City Clerk

SUBJECT: November 3, 2020 General Municipal Election – Proposed Resolutions Calling the November 3, 2020, General Municipal Election; Consolidating the General Municipal Election with the Statewide Election; and Adopting Regulations for Candidate Statements

RECOMMENDATION: That the City Council:

1. Adopt Resolution No. 2020-_____ calling and giving notice of the holding of the general municipal election to be held on November 3, 2020;
2. Adopt Resolution No. 2020-_____ requesting San Bernardino County to consolidate the general municipal election with the statewide election; and
3. Adopt Resolution No. 2020-_____ establishing regulations for candidate statements.

FISCAL IMPACT: The County of San Bernardino Registrar of Voters is in the process of preparing cost estimates for the election; \$35,000 has been budgeted. The approximate cost of the various legal ads which must be done is \$1,500. The entire cost of the Candidates Statement printed in the ballot will be fully paid for by the candidates wishing to submit a statement.

BACKGROUND: On November 3, 2020, the City of Highland will hold its General Municipal Election for the purpose of electing one person each by District to represent Council Districts 1, 3 and 5 on the City Council of the City of Highland for the full term of four (4) years. Council Member Chavez currently holds the seat in District 1, Mayor Pro Tem Lilburn currently holds the seat in District 3, and Mayor McCallon currently holds the seat in District 5.

The nomination period will commence on Monday, July 13, 2020, at 8:00 a.m. and close on Friday, August 7, 2020, at 5:00 p.m. City Hall will be open from 8:00 a.m. until 5:00 p.m. for candidates filing nomination papers only; this is a closed Friday for all other city services. If an incumbent does not file, the nomination period will extend to Wednesday, August 12, 2020, until 5:00 p.m., for all registered voters of the City except the incumbents.

Three routine and customary resolutions have been prepared by staff for the City Council to call the election. The first calls and gives notice of the election and provides for the San Bernardino County Registrar of Voters to conduct the election. The second requests the services from the San Bernardino County Registrar of Voters to consolidate the election, complete the canvass and provides for payment of such services. The third adopts rules and regulations from the San Bernardino County Registrar of Voters of candidate statements as required by § 13307 of the California Elections Code and the required payment.

RESOLUTION NO. 2020-_____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HIGHLAND,
CALIFORNIA, CALLING FOR THE HOLDING OF A GENERAL MUNICIPAL
ELECTION TO BE HELD ON TUESDAY, NOVEMBER 3, 2020,
FOR THE ELECTION OF CERTAIN OFFICERS IN DISTRICT 1, DISTRICT 3 AND
DISTRICT 5 AS REQUIRED BY THE PROVISIONS OF THE LAWS OF THE STATE
OF CALIFORNIA RELATING TO GENERAL LAW CITIES**

WHEREAS, under the provisions of the laws relating to general law cities in the State of California, a General Municipal Election shall be held on November 3, 2020, for the election of Municipal Officers.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF HIGHLAND,
CALIFORNIA, DOES RESOLVE, DECLARE, DETERMINE AND ORDER AS
FOLLOWS:**

SECTION 1. Pursuant to the requirements of the laws of the State of California relating to General Law Cities, there is called and ordered to be held in the City of Highland, California, on Tuesday, November 3, 2020, a General Municipal Election for the purpose of electing one person each by District to represent Council Districts 1, 3 and 5 on the City Council of the City of Highland for the full term of four (4) years.

SECTION 2. The ballots to be used at the election shall be in form and content as required by law.

SECTION 3. The San Bernardino County Registrar of Voters is authorized, instructed and directed to coordinate and, if necessary, contract with the County of San Bernardino Registrar of Voters to procure and furnish any and all official ballots, notices, printed matter and all supplies, equipment, services and paraphernalia that may be necessary in order to properly and lawfully conduct the election.

SECTION 4. The polls for the election shall be open at seven o'clock a.m. of the day of the election and shall remain open continuously from that time until eight o'clock p.m. of the same day when the polls shall be closed, pursuant to Elections Code § 10242, except as provided in § 14401 of the Elections Code of the State of California.

SECTION 5. In all particulars not recited in this resolution, the election shall be held and conducted as provided by law for holding municipal elections.

SECTION 6. Notice of the time and place of holding the election is given and the City Clerk is authorized, instructed and directed to give further or additional notice of the election, in time, form and manner as required by law.

SECTION 7. That in the event of a tie vote (if any two or more persons receive an equal and the highest number of votes for an office) as certified by the County of San Bernardino Registrar-Recorder/County Clerk, the City Council, in accordance with Election Code § 15651(a), shall set a date and time and place and summon the candidates who have received the tie votes to appear and will determine the tie by lot.

SECTION 8. The City Clerk shall certify to the passage and adoption of this Resolution and enter it into the book of original Resolutions.

SECTION 9. The City Council authorizes the City Clerk to administer said election and all reasonable and actual election expenses shall be paid by the City upon presentation of a properly submitted bill.

RESOLUTION NO. 2020-_____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HIGHLAND,
CALIFORNIA, REQUESTING THE BOARD OF SUPERVISORS OF THE
COUNTY OF SAN BERNARDINO TO CONSOLIDATE A GENERAL
MUNICIPAL ELECTION TO BE HELD ON NOVEMBER 3, 2020, WITH
THE STATEWIDE GENERAL ELECTION TO BE HELD ON THE DATE
PURSUANT TO § 10403 OF THE ELECTIONS CODE**

WHEREAS, the City Council of the City of Highland called a General Municipal Election to be held on November 3, 2020, for the purpose of electing one person each by District to represent Council Districts 1, 3 and 5 on the City Council of the City of Highland for the full term of four (4) years; and

WHEREAS, it is desirable that the General Municipal Election be consolidated with the Statewide General election to be held on the same date and that within the City the precincts, polling places and election officers of the two elections be the same, and that the County election department of the County of San Bernardino canvass the returns of the General Municipal Election and that the election be held in all respects as if there were only one election.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF HIGHLAND DOES RESOLVE, DECLARE, DETERMINE AND ORDER AS FOLLOWS:

SECTION 1. Pursuant to the requirements of § 10403 of the Elections Code, the Board of Supervisors of the County of San Bernardino is hereby requested to consent and agree to the consolidation of the Highland General Municipal Election with the Statewide General election on Tuesday, November 3, 2020, for the purpose of electing one person each by District to represent Council Districts 1, 3 and 5 on the City Council of the City of Highland for the full term of four (4) years.

SECTION 2. The County of San Bernardino Registrar of Voters is authorized to canvass the returns of the General Municipal Election. The election shall be held in all respects as if there were only one election, and only one form of ballot shall be used. The election will be held and conducted in accordance with the provisions of law regulating the statewide election.

SECTION 3. The Board of Supervisors is requested to issue instructions to the County election department to take any and all steps necessary for the holding of the consolidated election.

SECTION 4. That the City of Highland recognizes that additional costs will be incurred by the County by reason of this consolidation and agrees to reimburse the County for any costs.

SECTION 5. That the City Clerk is hereby directed to file a certified copy of this resolution with the Board of Supervisors and the County election department of the County of San Bernardino.

SECTION 6. That the City Clerk shall certify to the passage and adoption of this resolution and enter it into the book of original resolutions.

RESOLUTION NO. 2020-_____

**A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF HIGHLAND, CALIFORNIA, ADOPTING REGULATIONS
FOR CANDIDATES FOR ELECTIVE OFFICE PERTAINING TO
CANDIDATES STATEMENTS SUBMITTED TO THE VOTERS AT AN
ELECTION TO BE HELD ON TUESDAY, NOVEMBER 3, 2020**

WHEREAS, §13307 of the Elections Code of the State of California provides that the governing body of any local agency shall adopt regulations pertaining to materials prepared by any candidate for a municipal election, including costs of the candidates statement,

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF HIGHLAND, CALIFORNIA, DOES HEREBY RESOLVE, DECLARE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. GENERAL PROVISIONS

Pursuant to §13307 of the Elections Code of the State of California, each candidate for elective office to be voted for at an Election to be held in the City of Highland on November 3, 2020, may prepare a candidate's statement on an appropriate form provided by the City Clerk. The statement may include the name, age and occupation of the candidate and a brief description of no more than 200 words of the candidate's own education and qualifications expressed by the candidate himself or herself. The statement shall not include party affiliation of the candidate, nor membership or activity in partisan political organizations. The statement shall be filed (in typewritten form) in the office of the City Clerk at the time the candidate's nomination papers are filed. The statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 p.m. of the next working day after the close of the nomination period.

Section 2. FOREIGN LANGUAGE POLICY

- A. Pursuant to the Federal Voting Rights Act, candidates statements will be translated into all languages required by the County of San Bernardino. The County is required to translate candidate's statements into the following language: Spanish.
- B. The County will print and mail voter information guides and candidates statements to all voters in English and Spanish. The County will make the voter information guides and candidates statements in the required languages available at all polling places, on the County's website, and in the Election Official's office.

Section 3. PAYMENT

A. Translations.

1. The candidate shall be required to pay for the cost of translating the candidates statement into any required foreign language as specified in (A) of Section 2 above pursuant to Federal and/or State law.

B. Printing.

1. The candidate shall be required to pay for the cost of printing the candidates statement in a foreign language required in (A) of Section 2 above, in the main voter pamphlet.

The County of San Bernardino Registrar of Voters shall provide the City Clerk with an estimate of the total cost of printing, handling, translating, and mailing the candidate's statements filed pursuant to this section, including costs incurred as a result of complying with the Voting Rights Act of 1965 (as amended), and require each candidate filing a statement to pay in advance to the local agency his or her estimated pro rata share as a condition of having his or her statement included in the voter's pamphlet. In the event the estimated payment is required, the estimate is just an approximation of the actual cost that varies from one election to another election and may be significantly more or less than the estimate, depending on the actual number of candidates filing statements. Accordingly, the Clerk is not bound by the estimate and may, on a pro rata basis, bill the candidate for additional actual expense or refund any excess paid depending on the final actual cost. In the event of underpayment, the Clerk may require the candidate to pay the balance of the cost incurred. In the event of overpayment, the Clerk shall prorate the excess amount among the candidates and refund the excess amount paid within 30 days of the election.

Section 4. ADDITIONAL MATERIALS

No candidate will be permitted to include additional materials in the voter information guide.

Section 5. The City Clerk shall provide each candidate or the candidate's representative a copy of this Resolution at the time nominating petitions are issued.

Section 6. All previous resolutions establishing Council policy on payment for candidate's statements are repealed.

Section 7. This resolution shall apply only to the election to be held on Tuesday, November 3, 2020, and shall then be repealed.

Section 8. The City Clerk shall certify to the passage and adoption of this Resolution and enter it into the book of original resolutions.

STAFF REPORT

TO THE CITY COUNCIL

DATE: June 9, 2020

FROM: Joseph A. Hughes, City Manager

REVIEWED BY: Carlos Zamano, Public Works Director/City Engineer *CZ*

PREPARED BY: Melissa Morgan, Public Services Manager *[Signature]*

SUBJECT: Public hearing and consideration of the Adjustment in the Residential and Commercial Refuse Collection Rates and Annual Property Tax Roll Billing in accordance with the current Franchise Agreement dated August 1, 2018.

RECOMMENDATION: The Public Works Subcommittee recommends the City Council:

1. Adopt Resolution No. 2020- _____, establishing rates for residential and commercial/industrial refuse collection and rescinding Resolution No. 2019-033 effective July 1, 2020 in the event that the City Council determines that a majority protest does not exist. Approval requires a two-thirds vote of the members of the City Council.
2. Adopt Resolution No. 2020- _____, providing for the levy and collection of solid waste program fees by the county tax collector in the same manner and at the same time as general taxes, in the event that the City Council determines that a majority protest does not exist. Approval requires a two-thirds vote of the members of the City Council.

FISCAL IMPACT: There would not be a negative fiscal impact to the City regarding the proposed request for increase. The City would realize a minimal increase in the franchise fee paid to the City. A Survey of the various rates and franchise fees of surrounding cities was prepared and is attached to this Staff Report as Attachment Number "1".

The City's current Franchise Fee is 11.25%, which includes a 1.25% Hazardous Materials component. The Survey demonstrates that Highland's franchise fee is below the median percentage of 14% and the average percentage of 13.75%. These funds support services such as police protection, code enforcement, planning, animal control, graffiti abatement and volunteer programs.

Approval of the Resolution levying and collecting of the annual residential refuse collection service charge on the County Tax Roll will provide a streamlined, cost effective method for the collection of the service fees.

PUBLIC NOTICE: The legally required Proposition 218 Public Notice was mailed to all ratepayers no later than April 24, 2020 by Burrtec Waste Industries, Inc. ("Burrtec") in compliance with the required forty-five (45) day notice. The required Public Notice was published in the Highland Community News on May 22, 2020 and May 29, 2020. The City Clerk also posted the Agenda on the City's Website and at the City's three designated posting sites, as required by City Council Resolution. Both notices are attached hereto as Attachment Number "2".

BACKGROUND: On June 26, 2018 the City Council approved an Amended and Restated Solid Waste Franchise agreement with Burrtec.

The City levies an annual refuse collection service charge for residential customers, which is considered a charge under the authority of the California Health and Safety Code Sections 5470 et seq. (the "Code").

The Code authorizes the City to collect the annual refuse collection service charge for residential customers ("Charge") in the same manner and at the same time as payments are made for property taxes for each property. In each year that the City levies and collects the Charge on the County Tax Roll, the City must prepare a report listing the annual Charge (the "Written Report") and must hold a public hearing on the Written Report. The Written Report is attached hereto as Attachment "3". The Written Report must contain a description of each parcel of real property to which the Charge is applicable (the "Identified Parcels") and the amount of the Charge for each Identified parcel.

On June 25, 2019, in accordance with the City's Integrated Waste Management Ordinance, Municipal Code Chapter 8.12, the City Council adopted Resolution No. 2019-033, establishing the current rates for residential and commercial/industrial refuse collection.

The current Solid Waste Franchise Agreement requires that, "The information necessary to determine the annual rate adjustments set forth in this Exhibit A shall be submitted to the City by Grantee on or before March 1 of each year". On February 28, 2020 City Staff received a timely request for a rate adjustment from Burrtec. On April 14, 2020, City Staff presented to the Public Works Subcommittee Burrtec's proposal for rate increases for residential and commercial/industrial rates to include a cost of living adjustment, an adjustment to the disposal components to compensate for the County's recent disposal dump/tipping fee increase, an adjustment in recycling processing fees, and a reduction in the residential street sweeping component. The rate calculation sheets are attached hereto as Attachment Number "4".

ANALYSIS: The following is an analysis of the proposed rate increase/rate structure modifications and property tax roll billing:

Rate Increase and Rate Structure

In accordance with the Solid Waste Franchise Agreement (Section 18), the City Council has the responsibility of establishing the rates for Residential and Commercial/Industrial refuse collection. Burrtec is required to provide services in accordance with the rates set by the City. **Those rates may only be amended by resolution of the City Council regardless of the billing method.** In accordance with Exhibit "A" of the Haulers' Franchise Agreement, an annual adjustment of rates can be implemented as of July 1st of each year. The last Residential and Commercial component rate increase was implemented in July 2019.

At the Public Works Subcommittee on April 14, 2020, Burrtec presented their request. The request includes a \$0.53 CPI increase to the Service component, a reduction of \$0.24 in the Street Sweeping component, a \$0.20 per ton refuse disposal increase, a \$0.67 increase in recycling processing fees, a \$0.26 increase in greenwaste processing fees. This results in a total increase to overall disposal/processing fees of \$1.13. There is a correlated \$0.19 increase in the Franchise and Household Hazardous Waste Fee. In regards to the Pavement Impact Fee ("PIF") the Public Works Subcommittee was presented with two different options to adjust the rate component. Option 1 was to apply the reduction in the street sweeping component of \$0.24 to the "PIF". This would have raised the PIF to \$1.00 per month. This would have resulted in a monthly rate of \$28.55; which is a monthly increase of \$1.91. Option 2 was to forgo the addition of the \$0.24 to the PIF this year and realize the savings to reduce the impact of the overall increase. This option would maintain the PIF at \$0.73 this year. It adjusts the monthly rate to \$28.30; which is a monthly increase of \$1.66. The subcommittee is recommending Option 2. This represents a 6.2% increase of the existing \$26.64 rate. This is an annual increase of \$19.92. The Senior Rate will increase \$1.33/month; for a total rate of \$22.64/month. This represents an annual increase of \$15.96.

For Commercial Rate Components the Subcommittee was presented two options as well for the adjustments. Option 1 was to equalize the refuse and foodwaste bins with the basis of only 39 accounts eligible. Option 2 changed the basis to 75 accounts. City Staff urged the subcommittee to select Option 2 as a tool to encourage and support compliance by the threshold required businesses with current and upcoming State Mandates regarding foodwaste/organics. The Subcommittee is recommending Option 2. This option will increase the most common commercial rate, three yard dumpster picked up once a week, from \$210.34 to \$237.17/month. This represents an increase of approximately 13%.

Of significant impact to the rates this year is the cost of recycling processing. In February 2018, China implemented the Chinese National Sword Policy. It bans imports of 24 types of waste material and sets a tougher standard for contamination levels in others. It has been regarded by many as a "catastrophe" that will have a "devastating impact" on global recycling. This policy has taken the rate component for recycling processing from being a revenue source to a cost factor. Last year's rate adjustment only including a half year of the impact; this year the rates realize a full year of the impact of this policy.

Rate Survey

As part of its analysis, Staff conducted a refuse rate survey which included only those cities located in San Bernardino County and excluding cities in the high desert. The attached refuse rate survey includes basic Residential rates (See Attachment Number "1"). The proposed rate for basic residential service is approximately \$0.36/month lower than the average survey rate of \$28.66/month.

Attached as Attachment Number "5", is the draft resolution for the proposed rate increase for City Council review and consideration.

Upon City Council approval, the proposed rates would take effect on July 1, 2020.

Property Tax Roll Billing

As provided in the Written Report (Attachment No. 3), the City Clerk caused notice of the filing of the Written Report and of a time and place of a hearing thereon to be published in accordance with the Code. At the time stated in the notice, the City Council must hear and consider all objections or protests, if any, to the Written Report. If the City Council finds that protests are made by the owners of a majority of the identified parcels, then the Written Report shall not be adopted. However, the City may still impose the charge for the fiscal year 2020/2021. Such Charge must be collected separately from the County Tax Roll and shall not constitute a lien against any parcel or parcels of land. Upon the conclusion of the hearing, the City Council may adopt, revise, change, reduce, or modify (but may not increase) any Charge or overrule any or all objections and shall make its determination upon each Charge as described in the Written Report.

Attached as Attachment Number "6", is the draft resolution to provide the direction to the County Tax Collector for City Council review and consideration.

Attached as Attachment Number "7" are all protests received as of the date of the printing of the staff report.

NOTICE OF PUBLIC HEARING IN CONNECTION WITH THE CITY OF HIGHLAND REFUSE COLLECTION SERVICE CHARGES

NOTICE IS HEREBY GIVEN that on **Tuesday, June 9, 2020 at 6:00 p.m.**, or as soon thereafter as the matter may be heard, the City Council of the City of Highland will hold a public hearing to consider increasing the monthly charges for refuse collection services ("Charges"). Due to the COVID-19 pandemic public health orders, which limit in-person public meetings, the public hearing will be held either in the City Hall Donahue Council Chambers, 27215 Base Line, Highland, California, 92346, or in another manner specified in the meeting agenda. Please check the June 9, 2020 City Council agenda once it is posted on the City's website for information as to how to participate in the City Council meeting.

INFORMATION ABOUT THE CHARGES

Reason for the Charges and basis upon which the Charges are calculated- The City uses the Charges for the operation and administration of the refuse disposal and recycling program. The City Council has previously determined that the collection of refuse in the City is a service to be performed by private companies, under exclusive franchise agreements. The Charges provide for automated trash, recycling, green waste and food waste collection services and represent the amount that the City has negotiated with the Burrtec Waste Industries, Inc. ("Burrtec") for providing such services.

Proposed Increase- The City proposes to increase the Charges **effective July 1, 2020**. The proposed increase represents the additional cost of trash, recycling, green waste and food waste collection services as negotiated with Burrtec. A listing of the current and proposed Charges is set forth in the attached Exhibit A. If you need assistance determining the charge for your property, you may contact Burrtec by calling (909) 889-1969, or you may contact Public Services Manager Melissa Morgan at (909) 864-6861, ext. 230 or by email at mmorgan@cityofhighland.org or in person at City Hall, 27215 Base Line, Highland, CA, 92346.

PUBLIC HEARING

At the public hearing, the City Council will hear and consider all objections or protests to the proposed increase to the Charges. Any property owner subject to the proposed increase to the Charges may submit a written protest against the proposed increase. A majority protest exists if at the end of the public hearing, there are written protests submitted (and not withdrawn) by the owners of a majority of the parcels subject to the proposed increase. No more than one written protest per parcel of property will be counted in calculating a majority protest. The City Council cannot adopt the proposed increase if a majority protest exists.

How to Submit a Written Protest. To be counted, a written protest against the proposed increase must (1) identify the parcel of property subject to the Charges, (2) identify the owner, (3) state the opposition to the proposed increase, and (4) include the signature of the owner. Written protests may be mailed to the City Clerk, City Hall, 27215 Base Line, Highland, CA, 92346. To avoid physical contact, the City strongly encourages you to submit your written protests by mail with sufficient time to arrive at City Hall prior to the public hearing. Protests which are mailed to City Hall must arrive at City Hall prior to 5:30 pm on June 9, 2020 to be counted. If you would like to personally deliver a written protest, please contact the City Clerk at (909) 864-6864, ext 226 by 5:30 pm on June 8, 2020 to make arrangements for the personal delivery of the written protest. If you would like to make a written protest during the public hearing, you will need to deliver a copy of your protest by email to the City Clerk at publiccomment@cityofhighland.org and include "Written Protest" in the subject line. Protests which are emailed to the City Clerk during the public hearing must be received before the close of the public hearing to be counted. **All written protests, including those received by email during the public hearing, must include a signature of the owner to be counted.**

**NOTICE OF PUBLIC HEARING
IN CONNECTION WITH
THE CITY OF HIGHLAND REFUSE COLLECTION SERVICE CHARGES**

NOTICE IS HEREBY GIVEN that on Tuesday, the 9th day of June, 2020, at the hour of 6 p.m. or as soon thereafter as the matter may be heard, the City Council will hold a Public Hearing to consider the matters described below. Due to the COVID-19 pandemic public health orders, which limit in-person public meetings, the Public Hearing will be held either in the City Hall Donahue Council Chambers, 27215 Base Line, Highland, California, 92346, or in another manner specified in the meeting agenda. Please check the June 9, 2020 City Council agenda once it is posted on the City's website <http://www.ci.highland.ca.us/> for information as to how to participate in the City Council meeting. The agenda will be posted at least 72 hours before the start of the meeting.

Proposed Increase to the charges for Refuse Collection Services (i.e., trash, recycling and green waste collection) for the City of Highland ("Charges"). The City's Refuse Collection Services provider, Burrtec Waste Industries Inc., is requesting an increase in the Charges for Refuse Collection Services. If approved, the proposed increases will become effective July 1, 2020. The following are the proposed increases (excerpts of the proposed rates):

<u>Category</u>	<u>Existing Charge</u>	<u>Proposed Charge</u>
Residential Curbside Rate	\$26.64/month	\$28.30/month
Senior Rate	\$21.31/month	\$22.64/month
Second Unit	\$26.28/month	\$27.92/month
Commercial 3/cu.yd. bin	\$210.34/month	\$237.17/month

A complete rate adjustment schedule and information as to how the increase is calculated is available for inspection in the Public Services Division at City Hall and on the City's website <http://www.ci.highland.ca.us/>

At the Public Hearing, the City Council will hear and consider all objections or protests to the proposed increase to the Charges. Any property owner subject to the proposed increase to the Charges may submit a written protest against the proposed increase. To be counted, a written protest against the proposed increase must (1) identify the parcel of property subject to the Charges, (2) identify the owner, (3) state the opposition to the proposed increase, and (4) include the signature of the owner. A majority protest exists if at the end of the Public Hearing, there are written protests submitted (and not withdrawn) by the owners of a majority of the parcels subject to the proposed increase. No more than one written protest per parcel of property will be counted in calculating a majority protest. The City Council cannot adopt the proposed increase if a majority protest exists.

Proposed collection of Charges for residential customers on the County tax roll

The Charges for residential customers are collected on the County Tax Roll in the same manner, by the same persons, and at the same time as, together with and not separately from the general taxes of the City, and all laws applicable to the levy, collection, and enforcement of general taxes of the City, including, but not limited to, those pertaining to the matters of delinquency, correction, cancellation, refund and redemptions, shall be applicable to the Charges.

The City Council has caused a written report ("Report") to be prepared and filed with the City Clerk regarding the levy of the Charges for residential customers for Fiscal Year 2020-21. A copy of the Report will be available on May 22, 2020 in the office of the City Clerk, City Hall, 27215 Base Line, Highland, CA, 92346 and on the City's website <http://www.ci.highland.ca.us/>. The Report contains a description of each residential parcel in the City and the proposed amount of the Charge for each such Parcel for Fiscal Year 2020-21.

At the Public Hearing, the City Council will also hear and consider all objections or protests against the collection of the Charges for residential customers on the County Tax Roll. Any owner of residential property may submit a written protest against the proposed collection of the Charges on the County Tax Roll. To be counted, a written protest against the collection of the Charges on the County tax Roll must (1) identify the parcel of property subject to the Charges, (2) identify the owner, (3) state the opposition to the collection on the County Tax Roll, and (4) include the signature of the owner. A majority protest exists if at the end of the Public Hearing, there are written or oral protests against the collection of the Charges on the County Tax Roll submitted (and not withdrawn) by the owners of a majority of separate parcels of property identified in the Written Report. No more than one protest per parcel of property will be counted in calculating a majority protest. If a majority protest exists, the City may bill the owners of the parcels of property for the Charges, but the City cannot collect the Charges on the County Tax Roll for Fiscal Year 2020-21.

Written protests against the proposed increase or collection on the Tax Roll may be mailed to the City Clerk, City Hall, 27215 Base Line, Highland, CA 92346. To avoid physical contact, the City strongly encourages you to submit your written protests by mail with sufficient time to arrive at City Hall prior to the Public Hearing. If you would like to personally deliver a written protest, please contact the City Clerk at (909) 864-6864, ext. 226 to make arrangements for the personal delivery of the written protest. Protests which are mailed or delivered to City Hall must arrive at City Hall prior to 5:30 pm on June 9, 2020 to be counted.

Please consult the agenda for the June 9, 2020 meeting for how to submit a written or oral protest at the Public Hearing prior to the end of the Public Hearing.

If you challenge any matter proposed herein in court, you may be limited to raising only those issues that you or someone else raised at the Public Hearing or in written correspondence delivered to the City at or prior to the conclusion of the Public Hearing.

For more information, you may contact the City Clerk at 27215 Base Line, Highland, during normal business hours (7:30 a.m. to 5:30 p.m. Monday through Thursday).

Dated: May 22, 2020

RESOLUTION NO. _____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY
OF HIGHLAND LEVYING CHARGES FOR REFUSE
COLLECTION SERVICES FOR FISCAL YEAR 2020-21
PURSUANT TO CHAPTER 8.12 OF THE HIGHLAND
MUNICIPAL CODE AND ORDERING THE RESIDENTIAL
CHARGES TO BE COLLECTED ON THE COUNTY OF
SAN BERNARDINO TAX ROLL**

THE CITY COUNCIL OF THE CITY OF HIGHLAND DOES HEREBY FIND,
DETERMINE, ORDER AND RESOLVE AS FOLLOWS:

Section 1. The City Council finds:

A. Pursuant to the provisions of Chapter 8.12 of the City of Highland Municipal Code (the "Municipal Code") and Article 4 of Chapter 6 of Part 3 of Division 5 of the California Health and Safety Code, commencing with Section 5470 (the "Code"), the City Council is authorized to levy an annual refuse collection service charge (the "Charge") and to have such Charge collected on the tax roll in the same manner, by the same persons, and at the same time as, together with and not separately from, the general taxes of the City.

B. The Charges against residential parcels are collected on the County of San Bernardino tax roll.

C. The City Council has caused a written report (the "Written Report") to be prepared and filed with the City Clerk. The Written Report contains a description of each residential parcel of real property within the City to which the Charge is applicable (the "Identified Parcels") and the amount of the Charge for each such Identified Parcel for fiscal year 2019-20.

D. Following notice duly given in accordance with law, the City Council has held a full and fair public hearing regarding the Written Report and the levy and collection of the Charge for fiscal year 2019-20 and heard and considered all objections and protests thereto.

E. No majority protest against the Written Report exists, as determined in accordance with Section 5473.2 of the Code.

Section 2. The City Council hereby overrules all protests and objections to the Written Report and approves the Written Report as filed.

Section 3. The City Council hereby levies the Charge against the Identified Parcels for fiscal year 2019-20 in the amount set forth in the Written Report.

Section 4. The adoption of this resolution constitutes the levy of the Charge against the Identified Parcels for the fiscal year commencing July 1, 2020 and ending June 30, 2021.

Section 5. The Charge for residential parcels shall be collected for fiscal year 2020-21 on the County of San Bernardino tax roll in the same manner, by the same persons, and at the same time as, together with and not separately from, the general taxes of the City.

Section 6. The City Clerk is hereby authorized and directed to file the Written Report with the City Treasurer with a statement endorsed on said Written Report over the City Clerk's signature that the Written Report has been approved and finally adopted by the City Council. Upon receipt of the Written Report from the City Clerk, the City Treasurer shall enter the amount of the Charge against the Identified Parcels as they appear on the current assessment roll.

Section 7. The City Clerk is hereby further authorized and directed to file with the County Auditor of the County of San Bernardino a copy of the Written Report, with a statement endorsed thereon over the City Clerk's signature that the Written Report has been approved and finally adopted by the City Council, with a certified copy of this Resolution.

PASSED, APPROVED AND ADOPTED THIS _____ DAY OF _____, 2019.

can increase rates at will and be assured of payment.
This is another example of government over reach into

RE: Garbage Rate Increase Protest

This letter is to oppose any additional rate increase for residential property owners at this time. With many residents out of work and with reduced or no income, due to the Covid19 pandemic, this added burden is inappropriate at this particular time.

In addition, and specifically, I find the request to charge residents for replacement barrels (i.e. trash cans) to be outrageous when they have been severely damaged by the company's own equipment. It is fine to improve productivity with automatic lifters, but over time they are hard on the barrels, through no fault of the homeowner. This should be a cost of doing business that continues to be borne the trash vender.

Very truly yours,

To Highland City Council,

This letter is to express my opposition to the proposed rate increase for Burrtec Refuse Services at 29748 Santa Ana Canyon Road Highland, CA. 92346

This rate increase is something that your constituents knew the City Council would try to pull after what happened last year when you decided to include Burrtec's fees into our property taxes. Your constituents, unanimously, did not want to implement it. You received over one hundred letters voicing opposition to this, and not one for it. Also, many people spoke at the meeting regarding this matter, and not one person was for it.

It is the duty of the City Council to do the will of the people. Unfortunately, the City Council believes the opposite. Now you are trying to raise our property taxes again, as well as my mortgage payments, as my taxes are in an impound account.

On another note: Does the City Council really think that this is a good time to raise fees for its constituents during this difficult time of COVID-19? Have you no shame? The audacity of this City Council to try to implement a raise in fees during this time is simply unbelievable.

So, my question is: is this going to be the same scenario, when the outcome is already predetermined before you even hear from your constituents, as was the case regarding the implementation of Burrtec as your choice of a refuse company? The only reason you had a meeting about it was because it is required. You had already made up your mind. And you serve the people? I think not.

It is my hope that, for once, you will do the right thing and do not implement any price increases.

Sincerely, 

Steve Walcher, 29748 Santa Ana Canyon Road, Highland, CA. 92346

**NOTICE OF PUBLIC HEARING IN CONNECTION WITH THE CITY OF HIGHLAND
PROPOSED INCREASE IN REFUSE COLLECTION SERVICE CHARGES, JUNE 9, 2020**

I am writing in opposition to the June 9, 2020 proposed increase in trash collection services fees the City of Highland has negotiated with Burrtec Waste Industries.

I received the City of Highland's recent Notice of Public Hearing (NOPH) announcement in a recent mailing provided by Burrtec Waste Industries, Inc. It is my experience that mailings by Burrtec usually include information on upcoming recycling events and proper usage of bin/trash containers, etc. Residents and businesses no longer receive monthly billings directly from Burrtec and any mailings now from Burrtec are often not viewed and determined to be junk mailings for many. Since the City of Highland is proposing this action to increase fees, please advise why these notices/mailings were not initiated by the City within City envelopes? I have spoken to many of my neighbors and viewed discussions on social media and many citizens within Highland are unaware of this City proposal.

While the current Covid-19 pandemic is still ongoing, it is outrageous for the City to consider increasing our trash collections fees while many residents and businesses are either out of work or not operating. The future for many remains uncertain. The reason for the proposed fee increase provided in the City NOPH is unclear and does not define the basis nor justification for the increase in fees.

I am also opposed to the increase fee for residential bin replacements as bins are very often damaged during the trash collection process. I have witnessed numerous times Burrtec employees collecting these bins with mechanical arms at awkward positions and squeezing, slamming, tossing and damaging their integrity. Green waste bins are dumped so quickly into the large trash trucks resulting in green waste being sprayed into the air and all over our streets. Burrtec employees are hurriedly trying to complete these tasks and do not follow best management practices in minimizing the waste that ends up in our streets and on our properties. These large trash trucks are also scarring our streets that the City recently had resurfaced. The street scarring is very evident on the smaller streets and especially on cul de sacs.

The City of Highland approved trash collections fee increases June 2018 and June 2019 and I am very concerned that the City will increase these fees annually. I am requesting the City do the right thing and not approve of any increases in our trash collections fees, especially during these uncertain economic times.

Sincerely,

Susan Beeson, Property Owner

To The Clerk of Highland,

According to my most recent notice, Burrtec Waste Industries is again asking for another rate increase. I strongly object! This is almost outrageous.

First, Burrtec has received a great savings in both accounting costs and delinquent costs when it became mandatory that our trash service fees be put onto our property tax bills. That is a savings to Burrtec.

Secondly, the recent reduction in gasoline costs has provided Burrtec with another source of savings.

Third, Burrtec received a rate increase recently.

It is easier to request a raise in mandatory fees than it is to improve the way a business is run. It is not the responsibility of the citizens of Highland to increase mandatory fees when better business practices could be implemented. It is also not our responsibility to increase the profits of this company. Not even our public utilities get the benefit of being put onto a property tax rolls for delinquent collection.

DO NOT let Burrtec talk their way into raising mandatory costs when they should have already received reductions in doing business and have room for improvement in business practices.

Thank you,

Donna McIntosh

Subject: Proposed Increase of Refuse Collection Service Charges

To Whom It May Concern:

I disagree with the proposed increase rate for Barrel Exchange (\$16.85) and Barrel Replacement (\$72.56) under Residential Barrel Service. Even though I don't understand the actual difference between these two rates, the exchanges or replacements of any barrels are only required by damages caused by the refuse trucks when the barrels are lifted to empty them and dropped to the ground when empty. This cost should be absorbed by Burrtec at their own expense for being in the refuse business; it should not be a customer cost. Thank you.

**NOTICE OF PUBLIC HEARING IN CONNECTION WITH THE
CITY OF HIGHLAND REFUSE COLLECTION SERVICE CHARGES**

NOTICE IS HEREBY GIVEN that on **Tuesday, June 9, 2020 at 6:00 p.m.**, or as soon thereafter as the matter may be heard, the City Council of the City of Highland will hold a public hearing to consider increasing the monthly charges for refuse collection services ("Charges"). Due to the COVID-19 pandemic public health orders, which limit in-person public meetings, the public hearing will be held either in the City Hall Donahue Council Chambers, 27215 Base Line, Highland, California, 92346, or in another manner specified in the meeting agenda. Please check the June 9, 2020 City Council agenda once it is posted on the City's website for information as to how to participate in the City Council meeting.

INFORMATION ABOUT THE CHARGES

Reason for the Charges and basis upon which the Charges are calculated- The City uses the Charges for the operation and administration of the refuse disposal and recycling program. The City Council has previously determined that the collection of refuse in the City is a service to be performed by private companies, under exclusive franchise agreements. The Charges provide for automated trash, recycling, green waste and food waste collection services and represent the amount that the City has negotiated with the Burrtec Waste Industries, Inc. ("Burrtec") for providing such services.

Proposed Increase- The City proposes to increase the Charges effective **July 1, 2020**. The proposed increase represents the additional cost of trash, recycling, green waste and food waste collection services as negotiated with Burrtec. A listing of the current and proposed Charges is set forth in the attached Exhibit A. If you need assistance determining the charge for your property, you may contact Burrtec by calling (909) 889-1969, or you may contact Public Services Manager Melissa Morgan at (909) 864-6861, ext. 230 or by email at mmorgan@cityofhighland.org or in person at City Hall, 27215 Base Line, Highland, CA, 92346.

PUBLIC HEARING

At the public hearing, the City Council will hear and consider all objections or protests to the proposed increase to the Charges. Any property owner subject to the proposed increase to the Charges may submit a written protest against the proposed increase. A majority protest exists if, at the end of the public hearing, there are written protests submitted (and not withdrawn) by the owners of a majority of the parcels subject to the proposed increase. No more than one written protest per parcel of property will be counted in calculating a majority protest. The City Council cannot adopt the proposed increase if a majority protest exists.

How to Submit a Written Protest. To be counted, a written protest against the proposed increase must (1) identify the parcel of property subject to the Charges, (2) identify the owner, (3) state the opposition to the proposed increase, and (4) include the signature of the owner. Written protests may be mailed to the City Clerk, City Hall, 27215 Base Line, Highland, CA, 92346. To avoid physical contact, the City strongly encourages you to submit your written protests by mail with sufficient time to arrive at City Hall prior to the public hearing. Protests which are mailed to City Hall must arrive at City Hall prior to 5:30 pm on June 9, 2020 to be counted. If you would like to personally deliver a written protest, please contact the City Clerk at (909) 864-6861, ext 226 by 5:30 pm on June 8, 2020 to make arrangements for the personal delivery of the written protest. If you would like to make a written protest during the public hearing, you will need to deliver a copy of your protest by email to the City Clerk at clerk@cityofhighland.org and include "Written Protest" in the subject line. Protests which are emailed to the City Clerk during the public hearing must be received before the close of the public hearing to be counted. **All written protests, including those received by email during the public hearing, must include a signature of the owner to be counted.**

As a property owner and a senior citizen on a fixed income I protest the transfer of the cost of replacement trash cans from the city to property owners.

My trashcans are damaged by the trash truck and my trash cans are stolen by homeless people on trash day. I have no control over the actions of the homeless, nor did I choose the automated trash truck system. The replacement cans cost \$72.56 each. I used to purchase my own trashcans at a fraction of that cost. I can't afford your high priced trashcans on my fixed income. Do I now have to live in filth with an increased rat population because I can't pay for new trash cans every time they're stolen by homeless or damaged by your trucks?

The city has saved a lot of money with the new trash system which reduced payroll and worker compensation insurance costs. Please apply those saving to the cost of new trashcans.

Leave my senior pocketbook alone. Please stop increasing costs on elderly property owners who live on fixed incomes and struggle to meet the annual property tax increase and overall costs of living.

Don't penalize me and my limited household budget for actions beyond my control.
Thank you.

As a property owner and a senior citizen on a fixed income I protest the transfer of the cost of replacement trash cans from the city to property owners.

My trashcans are damaged by the trash truck and my trash cans are stolen by homeless people on trash day. I have no control over the actions of the homeless, nor did I choose the automated trash truck system. The replacement cans cost \$72.56 each. I used to purchase my own trashcans at a fraction of that cost. I can't afford your high priced trashcans on my fixed income. Do I now have to live in filth with an increased rat population because I can't pay for new trash cans every time they're stolen by homeless or damaged by your trucks?

The city has saved a lot of money with the new trash system which reduced payroll and worker compensation insurance costs. Please apply those saving to the cost of new trashcans.

Leave my senior pocketbook alone. Please stop increasing costs on elderly property owners who live on fixed incomes and struggle to meet the annual property tax increase and overall costs of living.

Don't penalize me and my limited household budget for actions beyond my control.
Thank you.

I am very much against giving Burrtec a raise in rates. Their service is overall poor. In my neighborhood it is not uncommon for the men who pick of the trash to dump trash in the street and not pick it up and to leave trash cans tipped over or tilted. As an aging women, it is difficult for me to lift the cans up so I can take them into my yard. Cal Disposal men never left cans tipped over and if they dropped trash, they stopped and picked it up.

Burrtec also doesn't come at the same times each week. Cal Disposal sent all of their trucks around my neighborhood around the same times each week so all of my cans could be brought in at once. Please do not reward their poor service with a raise.

Thank you for listening.

ENGINEER'S CERTIFICATION

AGENCY: THE CITY OF HIGHLAND

PROJECT: STREET AND DRAINAGE MAINTENANCE DISTRICT NO. 96-1

TO: THE CITY COUNCIL OF THE
CITY OF HIGHLAND
STATE OF CALIFORNIA

ENGINEER'S REPORT FOR FISCAL YEAR 2020-21

WHEREAS, the City Council of the City of Highland (the "City"), State of California, under the Benefit Assessment District Act of 1982 (the "1982 Act") established "Street and Drainage Maintenance District No. 96-1, (hereafter referred to as "the District"); and

WHEREAS, Harris & Associates has been directed to prepare and file an Annual Report. The purpose of the proposed assessment covered in this Annual Report is to levy assessments for the existing District for Fiscal Year 2020-21; and

NOW THEREFORE, the following assessment is proposed to be authorized in order to pay the estimated costs of maintenance, operation and servicing of the improvements to be paid by the assessable real property within the boundaries of the District in proportion to the special benefit received.

SUMMARY OF ASSESSMENT

	Fiscal Year 2020-21 As Preliminary Approved	Fiscal Year 2020-21 As Confirmed by Council
Maintenance and Servicing	\$17,585	
Incidental Costs	\$9,013	
Estimated Total Costs and Expenses	\$26,598	
Total Assessments to be levied	\$40,649	
Estimated Total Fund Balance 7/1/19	\$472,256	
Estimated Total Fund Balance 6/30/20	\$486,307	

In making the assessments contained herein pursuant to the Assessment Law:

1. I identified all parcels which will have a special benefit conferred upon them from the improvements described in Part II to this Annual Report (the "Specially Benefited Parcels"). For particulars as to the identification of said parcels, reference is made to the Assessment Diagram, a copy of which is included in Appendix A of this Report.
2. I have assessed the costs and expenses of the improvements upon the Specially Benefited Parcels. In making such assessment:
 - a. The proportionate special benefit derived by each Specially Benefited Parcel from the improvements was determined in relationship to the entirety of the maintenance costs of the improvements;
 - b. No assessment has been imposed on any Specially Benefited Parcel which exceeds the reasonable cost of the proportional special benefit conferred on such parcel from the improvements; and
 - c. Assessment rates for Zone 3, 5, 6, 10 and 13 were increased by 5% for Fiscal Year 2020-21, pursuant to the ballots approved by the property owners at the time of annexation to the District. All other assessment rates and conditions have not changed from the previous year.
 - d. Any general benefits from the improvements have been separated from the special benefits and only special benefits have been assessed.

I, the undersigned, respectfully submit the enclosed Annual Report and, to the best of my knowledge, information and belief, the Report, Assessment Diagram, and the Assessments herein have been prepared and computed in accordance with the order of the City Council of the City of Highland and the assessment law.

PART I – OVERVIEW

Background of District

The City of Highland Street and Drainage Maintenance District No. 96-1 was formed in 1996 to provide a dedicated source of funding for the maintenance of various street and drainage facilities within development projects in the City. New developments within the City have been required to annex to the District as a condition of approval. The assessments and methods of apportionment described in this Report utilize commonly accepted assessment engineering practices and have been calculated and proportionately spread to each parcel based on the special benefits received as approved by the City Council at the time the District was formed or parcels were annexed to the District. As of May 1, 2020 there are a total of 19 zones of benefit within the District.

Reason for Proposed Assessment

Approval of the proposed assessment covered by this Engineer's Report will generate the revenue necessary to:

- A. Provide for the continued maintenance and future rehabilitation of street and drainage facilities within the zones of benefit for the improvements described in Section 3.1. Maintenance may include but is not limited to, all of the following: the upkeep, repair, removal or replacement of all or any part of the specified improvements. This shall also include material, vehicle, equipment, capital improvements and administrative costs associated with the annual administration and operation of the District.
- B. Zones 2 through 17 include a 5% annual cost of living inflator pursuant to the ballot approved by the property owner. Each year the assessments may be increased a maximum of 5% if approved by City Council.
- C. Zone 18 was annexed to Street and Drainage Maintenance District No. 1996-1 for Fiscal Year 2016-17, pursuant to the ballot approved by the property owner. Each year the assessments may be increased a maximum of 5% if approved by City Council.
- D. Zone 19 was annexed to Street and Drainage Maintenance District No. 1996-1 for Fiscal Year 2017-18, pursuant to the ballot approved by the property owner. Each year the assessments may be increased a maximum of 5% if approved by City Council.

PART II – PLANS AND SPECIFICATIONS

The District provides for the continued administration, maintenance, operations, and servicing of various improvements located within the public right-of-way and dedicated easements within the boundaries of the District.

Descriptions of the Boundaries of the District

The facilities, which have been constructed within the Street and Drainage Maintenance District No. 96-1 boundaries, and those which shall be subsequently constructed, will be operated, maintained and serviced as generally described as follows:

Zone 1- Street Improvements - consist of the maintenance and servicing of streets, roads and highways, including but not limited to pavement repair and rehabilitation, restriping, slurry sealing, street sweeping, personnel, electrical energy, utilities such as water, materials, contractual services and other items necessary for the satisfactory operation of the services described as follows:

Surface repair and replacement as needed within the emergency access road between Base Line and Tract 15663; vandalism abatement and gate repair and replacement.

Zone 2 Storm Drainage Improvements - consists of the maintenance of an open earth channel and a 54" RCP storm drain system which provides flood control protection for Tract 14326, and all storm drain pipes and catch basins within the Tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Zone 3 Storm Drainage Improvements - consists of the maintenance of an open earth channel, 24" storm drain and catch basins located within the zone along Boulder Avenue south of Base Line constructed by Walgreen's Pharmacy, which provide flood control protection for the parcels. All of these facilities protect the parcels within the zone from flood damage.

Zone 4 Street Improvements - consist of the maintenance and servicing of streets, roads and highways, including but not limited to pavement repair and rehabilitation, restriping, slurry sealing, street sweeping, personnel, electrical energy, utilities such as water, materials, contractual services and other items necessary for the satisfactory operation of the services described as follows:

Surface repair and replacement as needed within the alley between Carriage Hill Drive and Coachman Lane.

Zone 5 Storm Drainage Improvements - consists of the maintenance of a Portland concrete channel storm drain swale constructed by Tract No. 15375, which provides flood control protection for the tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Zone 6 Storm Drainage Improvements - consists of the maintenance of a 72" storm drain along Sycamore and catch basins on Streater, which provide flood control protection for Tract 15969 and 15969-1. All of these facilities protect the single family residential parcels within the tract from flood damage.

Zone 7 Street Improvements - consist of the maintenance and servicing of streets, roads and highways, including but not limited to pavement repair and rehabilitation, restriping, slurry sealing, street sweeping, personnel, electrical energy, utilities such as water, materials, contractual services and other items necessary for the satisfactory operation of the services described as follows:

Surface repair and replacement as needed within the connector road between Boulder Avenue and Stoney Creek Drive.

Zone 8 Storm Drainage Improvements - consists of the maintenance of a 27" storm drain along Marshall Court from Bruce Street to Base Line, including catch basins, manholes and other appurtenant facilities, which provide flood control protection for Tract 16404. All of these facilities protect the single family residential parcels within the tract from flood damage.

Zone 9 Storm Drainage Improvements - consists of the maintenance of a 36" storm drain along Highland Avenue, east of City Creek, including catch basins, manholes and other appurtenant facilities constructed by Tract No. 14757, which provides flood control protection for the tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Zone 10 Storm Drainage Improvements - consists of the maintenance of a 24" storm drain, including catch basins, manholes and other appurtenant facilities, constructed by Tract No. 16607, which provides flood control protection for the tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Zone 11 Storm Drainage Improvements - consists of the maintenance of a 18", 24" 42" and 48" storm drain, including catch basins, manholes, Portland concrete channels and other appurtenant facilities, constructed by Tract No. 15960, which provides flood control protection for the tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Zone 12 Storm Drainage Improvements - consists of the maintenance of a 24", 36", 42", 48" and 60" storm drain, including catch basins, manholes, Portland concrete channels and other appurtenant facilities, constructed by Tract No. 16914, which provides flood control protection for the tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Zone 13 Storm Drainage Improvements - consists of the maintenance of a 18" storm drain, including catch basins, constructed by Tract No. 17590, which provides flood control protection for the tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Zone 14 Storm Drainage Improvements - consists of the maintenance of a 18", 24", 36", 48", and 54" storm drain, including catch basins, manholes, Portland concrete channels and other appurtenant facilities, constructed by Tract No. 17263, which provides flood control protection for the tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Zone 15 Storm Drainage Improvements - consists of the maintenance of a 24" storm drain, including catch basins, manholes, and other appurtenant facilities, constructed by Tract No. 18199, which provides flood control protection for the tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Zone 16 Storm Drainage Improvements - consists of the maintenance of a 18", 30" and 36" storm drain, including catch basins, constructed for San Manuel Village, which provides flood control protection for the project. All of these facilities protect the improvement within parcels 1200-081-01-0000 and 1200-081-03-0000 from flood damage.

Zone 17 Storm Drainage Improvements - consists of the maintenance of a the storm drain network within Tract 18677, including pipes, catch basins, manholes, and other appurtenant facilities, constructed by Tract No. 18677, which provides flood control protection for the tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Zone 18 Storm Drainage Improvements - consists of the maintenance of a the storm drain network within Tract 17682, including pipes, catch basins, manholes, and other appurtenant facilities, constructed by Tract No. 17682, which provides flood control protection for the tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Zone 19 Storm Drainage Improvements - consists of the maintenance of the storm drain network within Tracts 18935 and 16745, including pipes, catch basins, manholes, water quality compliance facilities and other appurtenant facilities, constructed by Tract Nos. 18935 and 16745, which provides flood control protection and water quality compliance for the tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Maintenance means the furnishing of services and materials for the ordinary and usual maintenance and servicing including repair, removal or replacement of all or part of the streets, drainage facilities, roads and highways. Servicing means the furnishing of utilities such as water or electric current or energy or gas for the upkeep of the drainage facilities and road surface.

The plans and specifications for the improvements are on file in the Office of the City Engineer of the City of Highland.

PART III – COST ESTIMATE

The estimated costs of administration, maintenance, operations, and servicing the improvements as described in the Plans and Specifications are summarized below. Each year, as part of the assessment district levy calculation process, the costs and expenses are reviewed and the annual costs are projected for the following Fiscal Year. The following operation, maintenance and servicing costs for Fiscal Year 2020-21 are proposed to be included in the Street and Drainage Maintenance District No. 96-1.

Assessment per Parcel

The maximum allowable assessment per equivalent dwelling unit (EDU) listed in the District budget is based on the estimated maintenance and services costs for Fiscal Year 2020-21. Each year, prior to the assessments being placed on the tax roll, the City will review the budget and determine the amount needed to maintain the improvements for the upcoming Fiscal Year. The actual assessment per EDU will be based on the total amount of funds needed to maintain the improvements in a satisfactory condition. The actual annual assessment amount may be lower than the maximum allowable assessment.

Zone 1 Street Maintenance

For Fiscal Year 2020-21, there are 61 parcels in Zone 1. Sixty residential parcels will be assessed \$21.08 per parcel pursuant to the provisions of Part IV of this report. The remainder parcel, Assessor Parcel Number 1201-051-17, will be assessed \$222.50.

Zone 2 Storm Drain Maintenance

Zone 2 is referenced by Tract 14326 - Storm Drain Plans. 325 residential parcels will be assessed \$24.50 per parcel pursuant to the provisions of Part IV of this report.

Zone 3 Storm Drain Maintenance

Zone 3 consists of 2 parcels 1201-131-05 (Walgreen's) and 1201-131-04 (KFC, Taco Bell). The two non-residential parcels will be assessed \$282.24 per parcel pursuant to the provision of Part IV of this report.

Zone 4 Street Maintenance

For Fiscal Year 2020-21, there are 53 residential parcels in Zone 4. 16 parcels will be assessed \$8.05 per parcel, 32 parcels will be assessed \$32.20 per parcel and 5 parcels will be assessed \$68.43 per parcel pursuant to the provisions of Part IV of this report.

Zone 5 Storm Drain Maintenance

Zone 5 is referenced by Tract 15375 - Storm Drain Plans. The 46 residential parcels will be assessed \$27.02 per parcel pursuant to the provisions of Part IV of this report.

Zone 6 Storm Drain Maintenance

Zone 6 is referenced by Tract 15969 and Tract 15969-1 - Storm Drain Plans. The 39 residential parcels will be assessed \$17.09 per parcel pursuant to the provisions of Part IV of this report.

Zone 7 Street Maintenance

For Fiscal Year 2020-21, there are 2 parcels in Zone 7. The commercial parcels will be assessed \$2.62 per frontage foot of each parcel pursuant to the provisions of Part IV of this report.

Zone 8 Storm Drain Maintenance

Zone 8 is referenced by Tract 16404 - Storm Drain Plans. The 87 residential parcels will be assessed \$14.50 per parcel pursuant to the provisions of Part IV of this report.

Zone 9 Storm Drain Maintenance

Zone 9 is referenced by Tract 14757 - Storm Drain Plans. The 47 residential parcels will be assessed \$15.50 per parcel pursuant to the provisions of Part IV of this report.

Zone 10 Storm Drain Maintenance

Zone 10 is referenced by Tract 16607 - Storm Drain Plans. The 38 residential parcels will be assessed \$17.09 per parcel pursuant to the provisions of Part IV of this report.

Zone 11 Storm Drain Maintenance

Zone 11 is referenced by Tract 15960 - Storm Drain Plans. The 16 residential parcels will be assessed \$90.00 per parcel pursuant to the provisions of Part IV of this report.

Zone 12 Storm Drain Maintenance

Zone 12 is referenced by Tract 16914 - Storm Drain Plans. The 60 residential parcels will be assessed \$22.00 per parcel pursuant to the provisions of Part IV of this report.

Zone 13 Storm Drain Maintenance

Zone 13 is referenced by Tract 17590 - Storm Drain Plans. The 9 residential parcels will be assessed \$17.09 per parcel pursuant to the provisions of Part IV of this report.

Zone 14 Storm Drain Maintenance

Zone 14 is referenced by Tract 17263 - Storm Drain Plans. The 25 residential parcels will be assessed \$132.80 per parcel pursuant to the provisions of Part IV of this report.

Zone 15 Storm Drain Maintenance

Zone 15 is referenced by Tract 18199 - Storm Drain Plans. The 24 residential parcels will be assessed \$75.00 per parcel pursuant to the provisions of Part IV of this report.

Zone 16 Storm Drain Maintenance

Zone 16 consists of 1 parcel, APN 1200-081-05. The parcel will be assessed \$76.61 per acre pursuant to the provisions of Part IV of this report.

Zone 17 Storm Drain Maintenance

Zone 17 is referenced by Tract 18677 - The 35 residential parcels will be assessed \$176.00 per parcel pursuant to the provisions of Part IV of this report.

Zone 18 Storm Drain Maintenance

Zone 18 is referenced by Tract 17682 – Each residential parcel and may be increased by a maximum of 5% per year. The 118 residential parcels will be assessed \$21.82 per parcel pursuant to the provisions of Part IV of this report.

Zone 19 Storm Drain Maintenance

Zone 19 is referenced by Tracts 18935 and 16745 – Each residential parcel and may be increased by a maximum of 5% per year. The 80 residential parcels will be assessed \$58.75 per parcel pursuant to the provisions of Part IV of this report.

PART IV – METHOD OF ASSESSMENT

General

Pursuant to the 1982 Act and Article XIID, all parcels that receive a special benefit conferred upon them as a result of the maintenance and operation of improvements and services shall be identified, and the proportionate special benefit derived by each identified parcel shall be determined in relationship to the entire costs of the maintenance and operation of improvements. Chapter 6.4, Division 2, Title 5, of the Government Code, the Benefit Assessment Act of 1982, permits the establishment of assessment districts by Cities for the purpose of providing certain public improvements that include street maintenance.

Section 54711 of the Benefit Assessment Act of 1982 requires that maintenance assessments be levied according to benefit rather than according to assessed value. This Section states:

- a. No benefit assessment shall be levied pursuant to this chapter unless it meets all of the following requirements:
 1. The amount of the assessment imposed on any parcel of property shall be related to the benefit to the parcel which will be derived from the provision of the service. Except as provided in subdivision (d) or (e) of Section 54715, in the case of a benefit assessment for flood control services, the benefit must be determined on the basis of the proportionate storm water runoff from each parcel. In the case of an assessment for the maintenance of streets, roads, or highways, the benefit shall be in proportion to the estimated traffic volume to be generated by each parcel assessed, or by any other reasonable basis as determined by the legislative body.
 2. The annual aggregate amount of the assessment shall not exceed the estimated annual cost of providing the service.
 3. The revenue derived from the assessment shall not be used to pay the cost of any service other than the service for which the assessment was levied.
- b. This section does not limit or prohibit the levy or collection of any other fee, charge, or tax for the provision of services, except that a maintenance district formed pursuant to Chapter 7 (commencing with Section 1550) of Division 2 of the Streets and Highways Code shall impose an assessment pursuant to this chapter only as an alternative to imposing a property tax for the provision of street lighting services.

The determination of whether or not a lot or parcel will benefit from the improvements shall be made pursuant to the Improvement Act of 1911 (Division 7 (commencing with Section 5000) [of the Streets and Highways Code, State of California]).

The 1982 Act also permits the designation of zones of benefit within any individual assessment district.

Article XIID, Section 4(a) of the California Constitution limits the amount of any assessment to the proportional special benefit conferred on the property. Article XIID also provides that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the assessment. Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts and public parkways.

The net amount to be assessed may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels. Proposition 218, approved by the voters in November 1996, requires the City to separate general benefit from special benefit, whereas only special benefit is assessed.

The costs for the operation, maintenance and servicing of the improvements maintained for each zone are apportioned in accordance with the methodology which was established by the City Council upon formation of the District.

Special Benefit

The maintenance and operation of drainage, flood control, and streets within the District are for the benefit of the properties within the District, and as such confer a special and direct benefit to parcels within the District by:

- allowing individual parcels to be developed and used to their fullest extent by ensuring adequate drainage and vehicular access which is essential to the use, of those properties, and
- improving the livability, appearance, and desirability for properties within the boundaries of the District, and
- ensuring that improvements do not reach a state of deterioration or disrepair so as to be materially detrimental to properties within the District.

The above mentioned items contribute to a specific enhancement of the properties within the District. Since these improvements were installed and are maintained specifically for the properties within the District; only properties within the District receive a special benefit and are assessed for said maintenance.

General Benefit

Although the improvements may include public streets and drainage facilities that connect to similar facilities outside the District boundaries, the construction, maintenance and operation of these improvements are only necessary for the development of properties within the District. As such, these improvements were not required nor necessarily desired by any properties or developments outside the District boundary and any public access or use of the improvements by others is incidental. Therefore, it has been determined that the ongoing maintenance, servicing and operation of the District improvements provide no measurable general benefit to properties outside the District or to the public at large, but clearly provide distinct and special benefits to properties within the District.

Method of Assessment Spread

Method of Assessment – Zone 1

The Street and Drainage Maintenance District was formed to provide a funding source for the maintenance and servicing of streets, roads and highways within the boundaries of Zone 1. The services for Zone 1 Street Maintenance consist of the maintenance of a public easement emergency access road which provides secondary access to those parcels of land within Tract 15663 of the City of Highland.

Zone 1 parcels benefiting from the street maintenance have been determined to be predominantly of the same land use type, specifically, single family detached home sites. Therefore, each home within the tract receives the same benefit from the maintenance of the emergency access street and shall be treated equally in determining the method of spreading assessments.

The assessment costs for the operation, maintenance and servicing of the improvements are apportioned in accordance with the methodology which was established by the City Council upon formation of the District. It was determined at that time that the most equitable method for spreading the estimated benefit received by each parcel in Zone 1 should be based on the Equivalent Dwelling Unit (EDU) method. One parcel within the boundaries of Zone 1 is designated under a commercial land use. Emergency access to the residential parcels is being maintained in the form of a road easement on this developed commercial parcel. This commercial parcel will have use of the road easement for its own business purposes and will also receive emergency vehicle access benefit for which it will be assessed. While the residential parcels will be assessed on the basis of one EDU per parcel, the commercial parcel will be assessed four (4) EDU per acre. The formula is as follows:

$$\text{Assessable budget} \div \text{total EDUs} = \text{rate per EDU}$$

$$\$1,487.30 \div 70.555 \text{ EDUs} = \$21.08 \text{ per EDU}$$

Zone 1 Street Maintenance Assessment Calculation							
Landuse	Parcels	Dwelling Units	Acres	EDU Factor	Total EDUs	Rate/EDU	Total Asmt
Residential	60	60		1.00/DU	60.000	\$21.08	\$1,264.80
Commercial	1		2.638	4.00/Acre	10.555	\$222.50	\$222.50
	61				70.555		\$1,487.30

Method of Assessment - Zone 2

Property in Zone 2, which benefits from storm drain and channel maintenance, has been determined to be of the same single family detached home site land use type. Since each home within the tract receives the same flood protection benefit from the maintenance of the storm drain channel and storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 2 Storm Drain Maintenance consists of the cleaning of a storm drain channel and maintenance of a 54" RCP storm drain system surrounding Tract 14326 and the storm drain system including catch basins within Tract 14326 which protects the single family residential parcels in the tract from flood damage.

Method of Assessment - Zone 3

Property in Zone 3, which benefits from storm drain and channel maintenance, has been determined to be of the same commercial land use type. Since parcels within the zone receive the same flood protection benefit from the maintenance of the storm drain channel and storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 3 Storm Drain Maintenance consists of the cleaning of a storm drain channel and maintenance of the storm drain system within the zone along Boulder Avenue south of Base Line, including catch basins within the zone which protect the parcels in the zone from flood damage.

Method of Assessment - Zone 4

The services for Zone 4 Street Maintenance consist of the maintenance of the alley connecting Carriage Hill Drive and Coachman Lane which provides primary and secondary access to those parcels of land within Tracts 7996 and 8718 of the City of Highland.

Zone 4 parcels benefiting from the street maintenance have been determined to be of the same land use type, specifically, single family detached home sites. Certain parcels within the zone receive greater benefits from the maintenance of the improvements than other parcels within the same zone by taking primary or secondary access to their property via the alley. Parcels fronting the medians in Carriage Hill Drive pay 4 times more than those lots not fronting the Carriage Hill Drive medians, and parcels taking primary access to their property via the alley pay 8.5 times more than those lots not fronting on the improvements.

The assessment costs for the operation, maintenance and servicing of the improvements are apportioned in accordance with the above methodology. The formula is as follows:

$$\text{Assessable budget} \div \text{total EDUs} = \text{rate per EDU}$$

$$\$1,501.35 \div 186.50 \text{ EDUs} = \$8.05 \text{ per EDU}$$

Zone 4 Street Maintenance Assessment Calculation						
Landuse	Parcels	Dwelling Units	EDU Factor	Total EDUs	Rate/EDU	Total Asmt
Fronting Improvements	5	5	8.50/DU	42.50	\$8.05	\$342.15
Fronting Carriage Hill Drive	32	32	4.00/DU	128.00	\$8.05	\$1,030.40
No Frontage	16	16	1.00/DU	16.00	\$8.05	\$128.80
	53			186.50		\$1,501.35

Method of Assessment - Zone 5

Property in Zone 5, which benefits from storm drain maintenance, has been determined to be of the same single family detached home site land use type. Since each home within the tract receives the same flood protection benefit from the maintenance of the storm drain channel and storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 5 Storm Drain Maintenance consists of the maintenance of the storm drain system surrounding Tract 15375 and the storm drain system including catch basins within Tract 15375 which protect the single family residential parcels in the tract from flood damage.

Method of Assessment - Zone 6

Property in Zone 6, which benefits from storm drain maintenance, has been determined to be of the same single family detached home site land use type. Since each home within the tract receives the same flood protection benefit from the maintenance of the storm drain channel and storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 6 Storm Drain Maintenance consists of the maintenance of a 72" storm drain along Sycamore and catch basins on Streater which serve Tract 15969 and Tract 15969-1 and protect the single family residential parcels in the tract from flood damage.

Method of Assessment - Zone 7

The services for Zone 7 Street Maintenance consist of the maintenance of the connector road between Boulder Avenue and Stoney Creek Drive which provides emergency vehicle access to Zone 7.

Property in Zone 7, which benefits from maintenance of the connector road has been determined to be of commercial land use. Future parcels which annex to Zone 7 will be assessed for their proportionate share of the maintenance costs on a front footage basis since they will benefit equally from the maintenance of the connector road.

Method of Assessment - Zone 8

Property in Zone 8, which benefits from storm drain maintenance, has been determined to be of the same single family detached home site land use type. Since each home within the tract receives the same flood protection benefit from the maintenance of the storm drain channel and storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 8 Storm Drain Maintenance consists of the maintenance of a 27" storm drain along Marshall Court from Bruce Street to Base Line, including catch basins, manholes and other appurtenant facilities, which provide flood control protection for Tract 16404 and protect the single family residential parcels in the tract from flood damage.

Method of Assessment - Zone 9

Property in Zone 9, which benefits from storm drain maintenance, has been determined to be of the same single family detached home site land use type. Since each home within the tract receives the same flood protection benefit from the maintenance of the storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 9 Storm Drainage maintenance consists of the maintenance of a storm drain system constructed by Tract No. 14757, which provides flood control protection for the tract, and all storm drain pipes and catch basins that serve the Tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Method of Assessment - Zone 10

Property in Zone 10, which benefits from storm drain maintenance, has been determined to be of the same single family detached home site land use type. Since each home within the tract receives the same flood protection benefit from the maintenance of the storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 10 Storm Drainage maintenance consists of the maintenance of a storm drain system constructed by Tract No. 16607, which provides flood control protection for the tract, and all storm drain pipes and

catch basins that serve the Tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Method of Assessment - Zone 11

Property in Zone 11, which benefits from storm drain maintenance, has been determined to be of the same single family detached home site land use type. Since each home within the tract receives the same flood protection benefit from the maintenance of the storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 11 Storm Drainage maintenance consists of the maintenance of a storm drain system constructed by Tract No. 15960, which provides flood control protection for the tract, and all storm drain pipes and catch basins that serve the Tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Method of Assessment - Zone 12

Property in Zone 12, which benefits from storm drain maintenance, has been determined to be of the same single family detached home site land use type. Since each home within the tract receives the same flood protection benefit from the maintenance of the storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 12 Storm Drainage maintenance consists of the maintenance of a storm drain system constructed by Tract No. 16914, which provides flood control protection for the tract, and all storm drain pipes and catch basins that serve the Tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Method of Assessment - Zone 13

Property in Zone 13, which benefits from storm drain maintenance, has been determined to be of the same single family detached home site land use type. Since each home within the tract receives the same flood protection benefit from the maintenance of the storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 13 Storm Drainage maintenance consists of the maintenance of a storm drain system constructed by Tract No. 17590, which provides flood control protection for the tract, and all storm drain pipes and catch basins that serve the Tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Method of Assessment - Zone 14

Property in Zone 14, which benefits from storm drain maintenance, has been determined to be of the same single family detached home site land use type. Since each home within the tract receives the same

flood protection benefit from the maintenance of the storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 14 Storm Drainage maintenance consists of the maintenance of a storm drain system constructed by Tract No. 17263, which provides flood control protection for the tract, and all storm drain pipes and catch basins that serve the Tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Method of Assessment - Zone 15

Property in Zone 15, which benefits from storm drain maintenance, has been determined to be of the same single family detached home site land use type. Since each home within the tract receives the same flood protection benefit from the maintenance of the storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 15 Storm Drainage maintenance consists of the maintenance of a storm drain system constructed by Tract No. 18199, which provides flood control protection for the tract, and all storm drain pipes and catch basins that serve the Tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Method of Assessment - Zone 16

Property in Zone 16, which benefits from storm drain maintenance, has been determined to be of the same commercial land use type. Since parcels within the zone receive the same flood protection benefit from the maintenance of the storm drain channel and storm drain system, each parcel shall be treated equally in determining the method of spreading assessments based upon parcel acreage.

Zone 16 Storm Drainage maintenance consists of the cleaning of a storm drain channel and maintenance of the storm drain system within the zone in Boulder Avenue south of Base Line, including catch basins within the zone which protect the parcels in the zone from flood damage.

Method of Assessment - Zone 17

Property in Zone 17, which benefits from storm drain maintenance, has been determined to be of the same single family detached home site land use type. Since each home within the tract receives the same flood protection benefit from the maintenance of the storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 17 Storm Drainage maintenance consists of the maintenance of a storm drain system constructed by Tract No. 18677, which provides flood control protection for the tract, and all storm drain pipes and catch basins that serve the Tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Method of Assessment - Zone 18

Property in Zone 18, which benefits from storm drain maintenance, has been determined to be of the same single family detached home site land use type. Since each home within the tract receives the same flood protection benefit from the maintenance of the storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 18 Storm Drainage maintenance consists of the maintenance of a storm drain system constructed by Tract No. 17682, which provides flood control protection for the tract, and all storm drain pipes and catch basins that serve the Tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

Method of Assessment - Zone 19

Property in Zone 19, which benefits from storm drain maintenance, has been determined to be of the same single family detached home site land use type. Since each home within the tract receives the same flood protection benefit from the maintenance of the storm drain system, each parcel shall be treated equally in determining the method of spreading assessments.

Zone 19 Storm Drainage maintenance consists of the maintenance of a storm drain system constructed by Tract Nos. 18935 and 16745, which provides flood control protection for the tract, and all storm drain pipes and catch basins that serve the Tract. All of these facilities protect the single family residential parcels within the tract from flood damage.

RESOLUTION NO. 2020-__

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HIGHLAND,
CALIFORNIA DECLARING ITS INTENTION TO LEVY AND
COLLECT ASSESSMENTS FOR FISCAL 2020-21 IN STREET AND
DRAINAGE MAINTENANCE DISTRICT NO. 96-1, AN ASSESSMENT DISTRICT,
AND OFFERING A TIME AND PLACE FOR HEARING OBJECTIONS THERETO**

The City Council of the City of Highland, pursuant to the provisions of the Benefit Assessment Act of 1982 codified in Government Code Section 54703 et seq. of the State of California, does resolve as follows:

Description of Work

SECTION 1. That the public interest and convenience requires and it is in the intention of the City Council of the City of Highland, California, to order the following work be done, to wit:

1. Maintenance and servicing of streets and drainage structures as authorized by Section 54703 of the Government Code.
2. Any and all work and materials appurtenant thereto or which are necessary or convenient for the maintenance and servicing thereof.

Location of Work

SECTION 2. (1) The Zone 1 described work is to be located within an access easement located between Nye Street and Base Line shown as Emergency Access on the final map of Tract 15663, which is on file in the City Clerk's office. (2) The Zone 2 described work is to be located within roadway, right-of-way or drainage easement within and outside the incorporated boundaries of the City of Highland, along Greenspot Road, Calle Del Rio Street, Mission Street, more particularly described on drainage improvements plans for Tract 14326, 14326-1 and 14326-2, which are on file in the City Engineer's office. Report of the Engineer

SECTION 4. The City Council of said City by Resolution No. 2020-____ has accepted the report of the Engineer of Work, which report indicates the amount of the proposed assessment, the property to be assessed, detailed description of improvements, and the method of assessment. The report titled "Engineer's Report for City of Highland, Street and Drainage District No. 96-1" is on file in the Office of the City Clerk of said City, and was prepared for the 2020-21 Fiscal Year in accordance with The Benefit Assessment Act of 1982. Reference to said report is hereby made for all particulars for the amount and extent of the assessments and for the extent of the work.

Collection of Assessments

SECTION 5. The assessment shall be collected at the time and in the same manner as County taxes are collected. The Engineer of Work shall file a report annually with the City Council of said City and said Council will annually conduct public hearings upon said report as required by law, at which time assessments for the next fiscal year will be

determined.

Time and Place of Hearing

SECTION 6. Notice is hereby given that on the 9th day of June, 2020, at 6:00 p.m., or as soon thereafter as may be heard, the City Council of the City of Highland will hold a public hearing and any and all persons having any objection to the work or extent of the assessment district, may appear and show cause why said work should not be done or carried out in accordance with this Resolution of Intention.

Due to the COVID-19 pandemic public health orders, which limit in-person public meetings, the public hearing will be held either in the City Hall Donahue Council Chambers, 27215 Base Line, Highland, California, 92346, or in another manner specified in the meeting agenda. Please check the June 9, 2020 City Council agenda once it is posted on the City's website for information as to how to participate in the City Council meeting.

To avoid physical contact, the City strongly encourages you to submit your comments by email in advance to the City Clerk at publiccomment@cityofhighland.org and include "Street and Drainage Maintenance District No. 96-1" in the title. Any written comments received will be included as part of the public record on this matter.

Benefit Act of 1982

SECTION 7. All of the work herein proposed shall be done and carried through in pursuance of the act of the legislature of the State of California designated as the Benefit Act of 1982, being Chapter 6.4, Division 2, Title 5 of the Government Code of the State of California.

Exclusion of Public Property

SECTION 8. All lots or parcels belonging to public agencies shall be omitted from assessments to be made hereafter to cover the costs and expenses of the Work.

Publication of Notice

SECTION 9. Published notice shall be made pursuant to Section 6063 of the Government Code. The publication of notice of hearing shall be completed at least 10 days prior to the date of hearings.

Certification

SECTION 10. The City Clerk shall certify to the adoption of this Resolution.

APPROVED AND ADOPTED this 12th day of May, 2020.

SUBJECT: Consolidated Landscape and Lighting District 96-1
Annual Report (Fiscal Year 2020/21)

RECOMMENDATION: (1) Adopt Resolution 2020-___ giving preliminary approval of the Annual Report; and
(2) Adopt Resolution 2020-___ setting June 12, 2020 as the date of the protest hearing.

FISCAL IMPACT: Total proposed amounts for 2020/21 assessment are as follows:

Zone A (Lighting)	\$336,669.00
Zone B (Landscape)	428,750.00
Zone C (Trail)	13,105.00
Zone D (Park)	92,361.00
TOTAL	\$870,885.00

For FY 2020/21 the City will contribute to Zone B an estimated amount of \$176,375 to cover the anticipated fund deficit. The City's share for Park Maintenance in Zone D (Park) is estimated to be \$43,928.

PUBLIC NOTICE: Public notice is not required prior to the City Council taking action on this matter. However, the Agenda was posted at the three (3) locations within the City, as required by Council Resolution, and on the City's Website.

The City's Consolidated Landscape and Lighting District 96-1 consists of four zones. They are Zone A (Lighting), Zone B (Landscape), Zone C (Trail) and Zone D (Park). Each zone is further divided into several sub-zones. The revenues and expenditures of each sub-zone are tracked separately so that a separate budget can be prepared, and a separate assessment amount can be projected for each sub-zone.

On February 25, 2020 the City Council adopted Resolution No. 2020-009 which directed the Engineer of Work to make and file with the City Clerk the 2020/21 Annual Report that is attached hereto as Attachment 1. The proposed Resolution, attached hereto as Attachment 2, gives preliminary approval of the Engineer's Report. The proposed Resolution, attached hereto as Attachment 3, sets the Protest Hearing for the regularly scheduled City Council meeting on June 12, 2020.

Zone A (Lighting)

The amount of assessments has been set at the 1993-94 level with no increase for twenty-six consecutive years. It should be noted the City has completed the purchase of the eligible street lights from Southern California Edison and retrofitted the streetlights to LED lamps. As a result City Staff anticipates an estimated fund balance of \$15,637.

The 2020/21 annual assessment will continue for another year as follows:

<u>Zone</u>	<u>Land Use</u>	<u>Assessment</u>
<u>Urban</u>		
•	Residential	\$23.75
•	Residential Rural	\$20.51
•	Non-Residential	\$28.86
•	Agricultural	\$ 7.71
<u>Rural</u>		
A-5		\$ 7.07

Zone B (Landscape)

Zone B (Landscape) will include eighty-three (83) sub-zones in fiscal year 2020/21. Forty-six (46) sub-zones are currently maintained by the City. Landscaping of thirty-seven (37) sub-zones are being maintained by the property owners.

For fiscal year 2020/21, seventeen (17) sub-zones will remain at their current assessment level,

twenty-six (26) sub-zones are proposed to be increased by five percent (5%), thirty-seven (37) sub-zones will have zero assessment. The proposed 5% increase of assessments do not require separate approval of the property owners because the increase is within the percentage of annual adjustment previously approved in the original ballot. It should be noted that in fiscal year 2020/21 there will be a projected budget deficit in the amount of \$176,375. In addition, eighteen (18) sub-zones do not allow for an increase in assessment rate without re-balloting. Under the direction of the Finance subcommittee, Staff is currently exploring options to reduce costs and/or increase the assessments for those eighteen (18) sub-zones that have a negative fund balance.

Zone C (Trail)

Zone C (Trail) has nine (9) sub-zones. For fiscal year 2020/21, all nine (9) existing annexations are proposed to be increased. The proposed 5% increase of assessments do not require separate approval of the property owners because the increase is within the percentage of annual adjustment previously approved in the original ballot.

Below are the proposed assessments:

Zone C	Tract	Developer	2017/18	2018/19	2019/20	Proposed 2020/21
C-1	14629 14629-1	Centex	\$17.42	\$18.29	\$19.20	\$20.16

C-9	16745 & 18935	Diversified Pacific	\$15.00	\$15.75	\$16.54	\$17.37

Zone D (Park)

For fiscal year 2020/21, all four (4) existing annexations are proposed to be increased. The proposed 5% increase of the assessment does not require separate approval of the property owners because the increase is within the percentage of annual adjustment previously approved in the original ballot. The City will be responsible for 40% for all 4 sub-zones on behalf of the general public, and residents will be responsible for 60% to account for the special benefit they receive. The City's share for Park Maintenance in Zone D is estimated to be \$43,928.

Assessment to individual property owners within Zone D will be as follows:

Zone D	Tract	Developer	2017/18	2018/19	2019/20	Proposed 2020/21
D-0	14629/ 14757	Centex	\$66.76	\$70.10	\$73.61	\$77.29

AGENCY: THE CITY OF HIGHLAND

PROJECT: CONSOLIDATED LANDSCAPE AND LIGHTING DISTRICT NO. 96-1

TO: THE CITY COUNCIL OF THE
CITY OF HIGHLAND
STATE OF CALIFORNIA

ENGINEER'S REPORT FOR FISCAL YEAR 2020-21

WHEREAS, the City Council of the City of Highland (the "City"), State of California, under the Landscaping and Lighting Act of 1972 (the "1972 Act" or "Assessment Law") established Landscape and Lighting District known and designated as "Consolidated Landscape and Lighting District No. 96-1", (hereafter referred to as "LLD 96-1" or the "District"); and

WHEREAS, Harris & Associates has been directed to prepare and file an Engineer's Report. The purpose of the proposed assessment covered in this Engineer's Report is for the levy of the assessments shown for Fiscal Year 2020-21, and includes the reason for the proposed assessment, identifies the parcels upon which the assessment is proposed for imposition, and presents a basis upon which the assessment is to be calculated.

NOW THEREFORE, the following assessment is proposed to be authorized in order to pay the estimated costs of maintenance, operation and servicing of the improvements to be paid by the assessable real property within the boundaries of the District in proportion to the special benefit received. The following table summarizes the proposed assessment for Fiscal Year 2020-21.

SUMMARY OF ASSESSMENT

	Fiscal Year 2020-21 As Preliminary Approved	Fiscal Year 2020-21 As Confirmed by Council
Zone A - Street Lighting	\$336,669	
Zone B - Landscape Maintenance	\$428,750	
Zone C - Trail Maintenance	\$ 13,105	
Zone D - Park Maintenance	\$ 92,361	
Estimated Total Levy FY 2020-21	\$870,885	

In making the assessments contained herein pursuant to the Assessment Law:

1. I identified all parcels which will have a special benefit conferred upon them from the improvements described in Part II to this Engineer's Report (the "Specially Benefited Parcels"). For particulars as to the identification of said parcels, reference is made to the Assessment Diagram, a copy of which is included in Appendix A of this Engineer's Report.
2. I have assessed the costs and expenses of the improvements upon the Specially Benefited Parcels. In making such assessment:
 - a. The proportionate special benefit derived by each Specially Benefited Parcel from the improvements was determined in relationship to the entirety of the maintenance costs of the improvements;
 - b. No assessment has been imposed on any Specially Benefited Parcel which exceeds the reasonable cost of the proportional special benefit conferred on such parcel from the improvements; and
 - c. Assessment rates for Zone B-20, B-21, B-22, B-24, B-25, B-26, B-29, B-30, B-31, B-34, B-35, B-36, B-37, B-39, B-43, B-44, B-47, B-48, B-54, B-55, B-56, B-59, B-61, B-63, B-68, B-69, B-70, and B-73 were increased by 5% for Fiscal Year 2020-21, pursuant to the ballots approved by the property owners at the time of annexation to the District. All other assessment rates and conditions have not changed from the previous year.

- d. Assessment rates for Zone C-1 through C-9 were increased by 5% for Fiscal Year 2020-21, pursuant to the ballots approved by the property owners at the time of formation of the Community Trail Zone or annexation to the zone.
- e. Assessment rates for Zone D-0 through D-3 were increased by 5% for Fiscal Year 2020-21, pursuant to the ballots approved by the property owners at the time of formation of the Park Maintenance Zone or annexation to the zone.
- f. Any general benefits from the improvements have been separated from the special benefits and only special benefits have been assessed.

I, the undersigned, respectfully submit the enclosed Engineer's Report and, to the best of my knowledge, information and belief, the Engineer's Report, Assessments, and the Assessment Diagram herein have been prepared and computed in accordance with the order of the City Council of the City of Highland and the Assessment Law.

PART I – OVERVIEW

Background of District

The City of Highland Landscape and Lighting District No. 96-1 was formed in 1996 to provide a dedicated source of funding for the operation and servicing of street lights and the maintenance of landscaping, trails and parks within development projects in the City. New developments within the City have been required to annex to the District as a condition of approval based upon the specific improvements within the project area and the special benefits received by parcels from the improvements. The assessments and methods of apportionment described in this Report utilize commonly accepted assessment engineering practices and have been calculated and proportionately spread to each parcel based on the special benefits received as approved by the City Council at the time the District was formed.

Reason for Proposed Assessment

Approval of the proposed assessment covered by this Engineer's Report will generate the revenue necessary to:

- A. Provide for the continued operation, servicing and maintenance of street lighting, landscaping, trails and park facilities within the zones of benefit for the improvements described in Part II. Maintenance may include but is not limited to, all of the following: the upkeep, repair, removal or replacement of all or any part of the specified improvements. Servicing means the furnishing of electric current or energy, gas or other illuminating agent for the public lighting facilities. This shall also include material, vehicle, equipment, capital improvements and administrative costs associated with the annual administration and operation of the District.
- B. The district does not include an overall annual cost of living inflator; however specific benefit zones (B-20 through B-82) do allow an annual increase in assessments as approved by the property owners at the time of annexation to the District. Any future increase in assessment in benefit zones which do not have an annual cost of living inflator will require the approval of a majority of the property owners in accordance with the requirements of Article XIIID of the Constitution of the State of California ("Article XIIID") and the Proposition 218 Omnibus Implementation Act.
- C. Certain zones are presently established, or will be established, for future maintenance work to be accomplished by the City of Highland should the property owner(s) not perform landscape maintenance to the satisfaction of the City of Highland. The City will levy a \$0.00 assessment in those zones where the property owner(s) continues to maintain the improvements at a level acceptable to the City.

PART II – PLANS AND SPECIFICATIONS

Descriptions of the Boundaries of the District

The District provides for the continued administration, maintenance, operations, and servicing of various improvements located within the public right-of-way and dedicated easements within the boundaries of the District including street lighting, landscaping, parks and trails.

The District is located in the City of Highland. The boundaries of the District are generally coterminous with the City Boundaries. In addition, there are four (4) Benefit Zones, Zone A – Lighting which has 5 sub-zones, Zone B – Landscaping which has 83 sub-zones, Zone C – Trails which has 9 sub-zones and Zone D – Parks which has 4 sub-zones.

Descriptions of Improvements and Services

The facilities to be maintained and serviced are more generally described as follows:

Zone A- Lighting

The improvements consist of the installation, operation, maintenance and servicing of street lighting, traffic signals, safety lighting, and appurtenant facilities described as follows:

Street, traffic signals and safety lighting improvements are generally described as consisting of poles, fixtures, bulbs, conduits and equipment including guys, anchors, posts and pedestals, metering devices and appurtenant facilities as required to provide lighting in public rights-of-way and public easements within the proposed boundaries of said Assessment District.

Installation as used herein means the addition or upgrading of street lights and safety lighting.

Maintenance as used herein means the furnishing of services and materials for the ordinary and usual operation, maintenance, and servicing of public lighting facilities, and appurtenant facilities, including repair, removal or replacement of all or part of any of the lighting or appurtenant facilities.

Servicing means the furnishing of electric current or energy, gas or other illuminating agent for the public lighting facilities.

Maps showing the location of public lighting facilities to be operated and maintained by the District are on file in the office of the City Engineer.

A. Background Information

Street lights at intersections having traffic signals are referred to in this report as "safety lighting". The terms "street lights" and "safety lighting" do not include "traffic signals".

The luminaries (lighting fixtures) in the City of Highland are the Common Mast Type. The illuminating unit is exclusively high pressure sodium vapor. The light output or "lumens" for the luminaries varies depending upon the land use and classification of roadway.

In residential areas the lights are primarily either 70 or 100 watt high pressure sodium vapor. These lights are the mast-arm type of light, either mounted on ornamental standards or wooden poles.

The commercial areas are primarily along Base Line, 9th Street, Palm Avenue and Victoria Avenue. These streets have primarily 100 watt high pressure sodium vapor luminaries with some 70 and 150 watt high pressure sodium vapor luminaries.

Each type of luminary has a different wattage, and therefore a different average annual maintenance and operation cost. In Fiscal Year 2019-20 the City completed the acquisition of the street light inventory from Southern California Edison. The summary provided in Exhibit 1 on pages 20 and 21 was updated to reflect additional lights, and the costs shown reflect the conversion to LED in Fiscal Year 2019-20. A complete inventory and the breakdown of lighting types provided above and the estimated annual costs will be updated once a detailed breakdown is provided by Southern California Edison (SCE).

B. Performance of Maintenance Operations

Upon acquisition of the street lights from SCE, the City hired Siemens Mobility, Inc. to take over the maintenance of all the street lights within the District including signalized intersections and the maintenance of the safety lighting, or as the case may be, by the City of San Bernardino, the County of San Bernardino, or Caltrans where signalized intersections are owned and/or operated jointly by those entities.

The responsibility for maintenance may shift between agencies due to changes in ownership of streets and other variables as established by agreement. As such, during the 1993-94 Fiscal Year, the City began to maintain the lighting located on State Route 30 (now 210 Freeway), which has been relinquished by the State to the City after the project was completed. Affected streets include Boulder Avenue between Highland Avenue and 5th Street, 5th Street between Boulder Avenue and the 210 Freeway and the south half of Highland Avenue from the 210 Freeway to Boulder Avenue within the City of Highland.

Zone B - Landscaping

The improvements are the operation, maintenance and servicing of landscaping and appurtenant facilities described as follows:

Landscaping includes plantings, shrubbery, trees, turf, irrigation systems, entry monuments, hardscapes, walls and fencing, and appurtenant structures, including ornamental structures in public rights-of-way, public easements, and on City owned properties including parks, recreational facilities and other public open space within the Special Benefit Zones of the Assessment District.

Maintenance as used herein means the furnishing of services and materials for the ordinary and usual operation, maintenance, and servicing of landscape improvements and appurtenant facilities, including repair, removal or replacement of all or part of any of the landscaping or appurtenant facilities.

Maintenance also means providing for the life, growth, health and beauty of the landscaping, including cultivation, irrigation, trimming, spraying, fertilizing and treating for disease or injury; and the removal of trimmings, rubbish, debris and other solid waste.

Servicing means the furnishing of water and electricity for the irrigation of landscaping and the maintenance and operation of appurtenant facilities.

The plans and specifications for the improvements are on file in the office of the City Planner.

Zone C - Trail Facilities

The improvements are the operation, maintenance and servicing of trail improvements and appurtenant facilities described as follows:

Community trail improvements, fencing improvements, and appurtenant improvements including but not limited to lighting, gates, walks, hardware, landscape barriers, soil replacement, and other improvements as initially installed, or as proposed to be installed as approved by the City.

Maintenance as used herein means the furnishing of services and materials for the ordinary and usual operation, maintenance, and servicing of improvements and appurtenant facilities, including repair, removal or replacement, and painting of all or part of any of the improvements or appurtenant facilities.

Maintenance is further defined as trash removal, debris removal, insect abatement, weed abatement, removal or mitigation of health and safety hazards, and upkeep of the general cleanliness of the trail improvements.

Servicing means the furnishing of electricity, power, and water for the irrigation of landscaping, and the maintenance and operation of appurtenant facilities.

The plans and specifications for the improvements are on file in the office of the City Planner.

Zone D - Park Facilities

The improvements are the operation, maintenance and servicing of landscaping, park or recreational improvements and appurtenant facilities within the Canyon Oaks Park, the park located adjacent to Tract 16404, the park adjacent to Tract 16914 and the park adjacent to Tract 18199, including but not limited to:

Park and recreational improvements include lights, playground equipment, and play courts. Landscaping includes plantings, shrubbery, trees, turf, irrigation systems, entry monuments, hardscapes, walls and fencing, and appurtenant structures, including ornamental structures within the park.

Maintenance as used herein means the furnishing of services and materials for the ordinary and usual operation, maintenance, and servicing of park and recreational improvements, landscape improvements, and appurtenant facilities including repair, removal or replacement of all or part of any of the landscaping, park and recreational improvements or appurtenant facilities.

Maintenance also means providing for the life, growth, health and beauty of the landscaping, including cultivation, irrigation, trimming, spraying, fertilizing and treating for disease or injury; and the removal of trimmings, rubbish, debris and other solid waste.

Servicing means the furnishing of electricity, water and other utilities for the irrigation, lighting, and maintenance and operation of park improvements, landscaping improvements, and appurtenant facilities.

The plans and specifications for the improvements are on file in the office of the City Planner.

PART III – COST ESTIMATE

The proposed budgets for the District is shown on the following pages. This includes an estimate of the costs of utilities, operations, services, administration and maintenance associated with the improvements within each of the zones, including all labor, personnel, equipment, materials and administrative expenses. The summary also shows the estimated fund balance, and the projected contribution/(transfer) that will be required based upon the estimated expenditures and assessment revenue.

PART IV - METHOD OF ASSESSMENT

General

Pursuant to the 1972 Act and Article XIID, all parcels that receive a special benefit conferred upon them as a result of the maintenance and operation of improvements and services shall be identified, and the proportionate special benefit derived by each identified parcel shall be determined in relationship to the entire costs of the maintenance and operation of improvements. Part 2 of Division 15 of the Streets and Highways Code, the Landscaping and Lighting Act of 1972, permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements which include the operation, maintenance and servicing of landscaping improvements.

Section 22573 of the Landscape and Lighting Act of 1972 requires that maintenance assessments must be levied according to benefit rather than according to assessed value. This Section states:

"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefit to be received by each such lot or parcel from the improvements."

"The determination of whether or not a lot or parcel will benefit from the improvements shall be made pursuant to the Improvement Act of 1911 (Division 7 (commencing with Section 5000) [of the Streets and Highways Code, State of California])."

The 1972 Act also permits the designation of zones of benefit within any individual assessment district if "by reasons or variations in the nature, location, and extent of the improvements, the various areas will receive different degrees of benefit from the improvement" (Sec. 22547).

Article XIID, Section 4(a) of the California Constitution limits the amount of any assessment to the proportional special benefit conferred on the property. Article XIID also provides that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the assessment. Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts and public parkways.

The net amount to be assessed may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels. Proposition 218, approved by the voters in November 1996, requires the City to separate general benefit from special benefit, whereas only special benefit is assessed.

Method of Assessment Spread

Zone A Street Lighting

Since the assessment will be levied on the owners of property as shown on the county tax roll, the final charges must be assigned by Assessor's Parcel Number. If assessments were to be spread just by parcel, not considering land use or parcel size, this would not be equitable, because, as an example, a single family residential parcel would be paying the same as a 50 unit apartment parcel or a large commercial establishment in a similar zone.

Therefore, the benefit each property receives will be assessed as increments of units of benefit called Benefit Units (BUs) as adopted by the City Council at the time of formation.

One (1) BU will be assigned to each developable parcel having street frontage less than or equal to 199 feet. If the lot frontage exceeds 199 feet, one additional BU will be assessed for each additional 100 feet of lot frontage or fraction thereof. For example, 1 BU is assigned to a lot with a frontage equal to 199 feet or less, 2 BUs are assigned to a lot with frontage greater than 199 feet, but less than or equal to 299 feet, and so on. Hence, BUs will increase by one (1) unit of benefit for each additional 100 foot increment, or fraction thereof of lot street frontage.

If a residential lot has frontage on two or more streets, only the shortest frontage dimension will be used to determine units of benefit. The unit of benefit for irregularly shaped lots will include only the frontage of the portion of the lot with minimum depth for development. Commercial and other non-residential uses will have all street frontage dimensions included to determine their units of benefit.

Properties that are not capable of being developed because of small size are assigned zero (0) units of benefit.

Lots without street frontage have been omitted from the methodology with the exception of condominiums, and planned unit developments. Each of these lots receives one (1) BU per dwelling unit. Lots with apartments constructed upon them have been assigned BU's based upon their street frontage.

To determine the units of benefit for each lot in the District, the records of the City and the San Bernardino County Assessor were referenced by the consultants in their calculations. All properties were originally reviewed during the formation of the District using both the Assessor's maps and the Assessor's tax roll in addition to the City's zoning maps to determine the zoning, and use of the properties.

Parcels of land listed as tax exempt by the County Assessor's records as Government owned land and Public Utility owned land will be exempted from the assessment.

The method of apportionment will be in accordance with the special benefit received. Annual budgets have been prepared for each benefit zone within the District as shown on Part II of this report. The benefit accruing to the properties is a direct benefit to all lots within the City which have the capability of being developed, whether or not they currently have improvements upon them.

A field inventory of street lights conducted by the City at formation indicated that two main areas of lighting existed, which have been referred to as "urban" and "rural" areas.

The urban area comprises areas within the City of Highland having levels of street lighting which are found in most urbanized areas. The urban area does not strictly refer to a type of land use as there may be agricultural or other uses within this classification.

The rural area is shown on the assessment diagram and includes areas in the easterly and southerly portions of the City of Highland which have a minimal level of lighting. Much of the rural area is presently either undeveloped or in agricultural land use. As development expands into the rural area and street lighting is provided, the properties will be removed from this assessment classification and included into the urban assessment area.

Assessments proposed for individual lots within Zone A will be for the special benefit received and will be determined based upon five assessment zones within the two assessment areas as defined below:

Urban Area

- Zone A-1 Residential - This will include all residential lots within the urban area whether they are developed or undeveloped.
- Zone A-2 Residential Rural - This designation defines all lots within the urban area having this City of Highland land use designation at the formation of the district. These lots generally have a lower level of street lighting and are therefore assessed as a separate zone.
- Zone A-3 Non-Residential - This will include all commercial, manufacturing, administrative professional and other non-residential lots within the urban area whether they are developed or undeveloped.
- Zone A-4 Agricultural - This will include all agriculturally land use zoned lots within the urban area.

Rural Area

- Zone A-5 Rural - This will include all lots outside the urban area regardless of their land use zoning.

The following table provides a summary of typical assessments within Zone A. Detailed lighting information is provided in Exhibit 1 on the following pages.

Zone B Landscape Maintenance

The primary benefits of maintaining landscaping are as set forth below:

- a. Improved aesthetic appeal of nearby parcels
- b. Improved erosion resistance and dust control
- c. Improved safety of playground facilities within neighborhoods
- d. Beautifies and makes safer flood control facilities that would otherwise be unsightly and potentially dangerous
- e. Enhancement of the value of property which results from the foregoing benefits

The servicing, operation and maintenance of landscape improvements required as a condition of tract map approval provides a special benefit to those parcels and/or lots within the tract or subdivision, and the costs should be spread to parcels/lots within those specific tracts/subdivisions only.

Since the assessment will be levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. If assessments were to be spread just by parcel, not considering land use or parcel size, or proximity to the improvements this would not be equitable, because, as an example, a single family residential parcel would be paying the same as a 50 unit apartment parcel or a large commercial establishment in a similar zone.

Residential Zone

Each residential parcel within a benefit zone will be assigned one (1) benefit unit. Residential lots adjacent to the landscaping areas to be maintained by the district will be assigned an additional one-tenth (0.1) benefit unit since they receive a greater special benefit from the improvements.

Certain parcels within the various zones receive greater benefits from landscape improvements than other parcels within the same zone by either backing up to, facing or adjoining the improvements. In general, those parcels are assessed a 10% surcharge for the added benefit. Additional surcharges include the following:

- | | |
|-----------|--|
| Zone B-0 | Lots abutting Yarnell Avenue pay 2 times more than those not abutting Yarnell Avenue for landscape improvements on Yarnell Avenue. |
| Zone B-8 | Lots abutting east-facing slope pay 100% of maintenance cost of slope. |
| Zone B-17 | Lots facing medians in Carriage Hills Drive pay 4 times more than those lots not facing median in Carriage Hill Drive. |

Non-Residential Zones

The assessment methodology has been developed based upon the special benefits received by each parcel and is established at the time of annexation into the district. Currently, there are forty-five special benefit zones within the district which include non-residential parcels.

The methodologies, as approved at the time of annexation for Zones B-9, B-11, B-12, B-19, B-24, B-25, B-26, B-27, B-28, B-32, B-33, B-38, B-40, B-42, B-45, B-46, B-48, B-49, B-50, B-51, B-52, B-53, B-54, B-55, B-56, B-57, B-58, B-59, B-60, B-61, B-62, B-67, B-70, B-71, B-72, B-73, B-74, B-75, B-76, B-77, B-78, B-79, B-80, B-81, and B-82 are shown below for each zone:

- | | |
|-----------|--|
| Zone B-9 | At the time of annexation, a finding was made that the special benefit to the lots within this zone was directly related to their pro-rata share of the development's frontage on Boulder Avenue. Therefore, the assessment shall be apportioned on the basis of front footage. |
| Zone B-11 | At the time of annexation, it was determined that parkway landscaping along the west side of Stoney Creek Drive would be assessed against Tract 14398, and that parkway landscaping along Base Line and Boulder Avenue, and the landscaped median in Boulder Avenue, would be assessed against Parcel 1 of Parcel Map 12849. |
| Zone B-12 | At the time of annexation, a finding was made that lots adjacent to the landscaped areas to be maintained by the district received ninety percent (90%) of the special benefit and that non-adjacent parcels received the remaining ten percent of the special benefit. Therefore, the assessment shall be apportioned on the basis of acreage, with ninety percent (90%) of the total assessment apportioned to those parcels adjacent to the landscaped areas and the remaining ten percent (10%) to the non-adjacent parcels. |
| Zone B-19 | Consists of the parking frontage and median landscape improvements within the right-of-way of Boulder Avenue. The assessments for the improvements are to be levied against Parcel 1 of Map 14615 as a condition of approval for development of the parcel. |
| Zone B-24 | Consists of frontage landscape improvements and median landscape improvements within the right-of-way of Base Line Avenue. The assessments for the improvements are to be levied against the parcel located on the south side of Base Line Avenue west of State Freeway 30 as a condition of approval for development of the parcel. |
| Zone B-25 | Consists of frontage landscape improvements and median landscape improvements within the right-of-way and/or easements of Highland Avenue and Boulder Avenue. The assessments for the improvements are to be levied against the parcel located at the southeast corner of Boulder Avenue and Highland Avenue as a condition of approval for development of the parcel. |

Zone C Trail Maintenance

The City Council has determined that a uniform and consistent level of maintenance of the community trail system is vital and necessary for the protection of the economic and humanistic values of the community. Zone C-1, the original community trail zone, is located within Tracts 14629 and 14629-1. In addition, the City Council has approved the following annexations to Zone C: Zone C-2 (Tracts 15583, 15689, 16509 and 17590), Zone C-3 (Tract 15375), Zone C-4 (Tract 15969 and 15969-1), Zone C-5 (Tract 14757), Zone C-6 (Tract 15960), Zone C-7 (Tract 16914), Zone C-8 (Tract 17263) and Zone C-9 (Tracts 18935 and 16745).

Community Trail District No. 1 has been developed for the benefit and enjoyment of all the properties located within the aforementioned tracts. It has been a City Council policy that future developments within the City that have community trails as part of their development plan be annexed into the District.

As stated when the District was formed, Special Benefit is determined based on the following facts:

- a. The purpose of community trails is to provide an aesthetic impression on the area.
- b. The maintained community trail benefits all properties in the development.
- c. The benefit to the lots not adjacent to the community trail areas benefit by the uniform maintenance. All lots not abutting the community trail areas benefit equally.
- d. The community trail is located in the backyards of the units adjacent to the community trail, however these properties were not given any surcharge in assessment since the community trail will not be directly accessible from the adjacent lots.

Therefore, one zone of benefit has been established for the original District, as well as for each benefit zone that has been annexed to the District. Hence, each developed lot in the development is apportioned equally.

- Zone C-1 The boundary of Community Trail District No. 1 is coincident with the boundaries of Tracts 14629 and 14629-1, located centrally between Boulder Avenue, Base Line, Church Street and Highland Avenue. The development contains a total of 143 residential lots. The annual budget for the Original District is divided equally by the total number of residential lots within the Original District in order to calculate the assessment amount per Benefit Unit.
- Zone C-2 Annexation No. 1, Tract No. 15583, Tract No. 15689, Tract No. 15609 and Tract No. 17590. The tracts are located between Base Line and Ninth Street approximately 595 feet east of Landershim Avenue. The zone includes all properties in the aforementioned Tracts, and was approved by the City Council to provide for the ongoing maintenance and servicing of the community trail improvements along the thirty (30) foot wide easement that were granted to the City of Highland per approval. The development contains a total of 86 residential lots. The annual budget for Annexation No. 1 is divided equally by the total number of residential lots within the annexation in order to calculate the assessment amount per Benefit Unit.
- Zone C-3 Annexation No. 2, Tract No. 15375 was approved by the City Council to provide for the ongoing maintenance and servicing of the community trail improvements along the easement granted to the City of Highland. The development contains a total of 46 residential lots. The annual budget for Annexation No. 2 is divided equally by the total number of residential lots within the annexation in order to calculate the assessment amount per Benefit Unit.
- Zone C-4 Annexation No. 3 Tract No. 15969 and 15969-1 was approved by the City Council to provide for the ongoing maintenance and servicing of the community trail improvements along the easement granted to the City of Highland. The development contains a total of 39 residential lots. The annual budget for Annexation No. 3 is divided

equally by the total number of residential lots within the annexation in order to calculate the assessment amount per Benefit Unit.

- Zone C-5 Annexation No. 4 Tract No. 14757 was approved by the City Council to provide for the ongoing maintenance and servicing of the community trail improvements along the easement granted to the City of Highland. The development contains a total of 47 residential lots. The annual budget for Annexation No. 4 is divided equally by the total number of residential lots within the annexation in order to calculate the assessment amount per Benefit Unit.
- Zone C-6 Annexation No. 5 Tract No. 15960 was approved by the City Council to provide for the ongoing maintenance and servicing of the community trail improvements along the easement granted to the City of Highland. The development contains a total of 16 residential lots. The annual budget for Annexation No. 5 is divided equally by the total number of residential lots within the annexation in order to calculate the assessment amount per Benefit Unit.
- Zone C-7 Annexation No. 6 Tract No. 16914 was approved by the City Council to provide for the ongoing maintenance and servicing of the community trail improvements along the easement granted to the City of Highland along Cochran Street and through the park. The development contains a total of 60 residential lots. The annual budget for Annexation No. 6 is divided equally by the total number of residential lots within the annexation in order to calculate the assessment amount per Benefit Unit.
- Zone C-8 Annexation No. 7 Tract No. 17263 was approved by the City Council to provide for the ongoing maintenance and servicing of the community trail improvements in Lot A of Tract 17263. The development contains a total of 25 residential lots. The annual budget for Annexation No. 7 is divided equally by the total number of residential lots within the annexation in order to calculate the assessment amount per Benefit Unit.
- Zone C-9 Annexation No. 8 Tracts 18935 and 16745 was approved by the City Council to provide for the ongoing maintenance and servicing of the community trail improvements within the right-of-way along Aplin Street of Tract 18935 and 16745. The development contains a total of 80 residential lots. The annual budget for Annexation No. 8 is divided equally by the total number of residential lots within the annexation in order to calculate the assessment amount per Benefit Unit.

Zones C-1 through C-9 include a 5% inflation adjustment to the assessment rates, subject to final approval by the City Council.

The following table provides a summary of typical assessments within Zone C.

Zone D Park Maintenance

At the time of formation, two zones of special benefit were established; Mutual Special Benefit, and Specific Benefit. The "Mutual Special Benefit" zone has been defined as the special benefit that accrues to each lot within the entire City related to Park Maintenance District No. 1. Mutual Special Benefit has been defined as 40% of the total benefit. At this time, the portion of costs applicable to Mutual Special Benefit will be paid by the City. The City may, however, at a future date, annex the remainder of the entire City into the Park Maintenance District No. 1 for purposes of assessing each lot situated therein based on the Mutual Special Benefit received. Tract No. 14757 is located adjacent to the existing Specific Benefit Zone D-0 and is proposed to be annexed to Zone D-0. Zone D-1 (Tract No. 16404) proposed to be annexed includes the dedication of a new City park to be maintained by the "Mutual Specific Benefit" zone as well as by the parcels in Zone D-1 using the percentages established at the time the District was formed.

Specific Benefit has been defined as the special benefit that accrues to each lot within Zones D-0 and D-1, and is apportioned based on 60% of the total benefit, assessed at the time the property is subdivided. There is a specific benefit received by properties within the "specific benefit" zone which includes:

- a. Improved aesthetic appeal of nearby parcels
- b. Enhancement of the value of property which results from the foregoing benefits

The servicing, operation and maintenance of park and landscape improvements directly benefits those parcels and/or lots within the tract or subdivision. Lot size is not related to benefit received. Therefore, the benefits assigned to each lot will be equal, regardless of size, or land use zone designation.

Properties that are listed as tax exempt by the Assessor's Office will not be assessed. In addition, lots that have an assessed valuation of less than \$500 will not be assessed.

Mutual Specific Benefit" Zone - The "Mutual Special Benefit" zone has been defined as the special benefit that accrues to each lot within the entire City related to the maintenance of Park Maintenance District No. 1 (Canyon Oaks Park, the City park dedication in Tract 16404 and the new City park dedication adjacent to Tract 16914). Mutual Special Benefit has been defined as 40% of the total special benefit. At this time, the portion of costs applicable to Mutual Special Benefit will be paid by the City. The City may, however, at a future date, annex the remainder of the entire city into the Park Maintenance District No. 1 for purposes of assessing each lot situated therein based on the Mutual Special Benefit received.

- Zone D-0** Zone D-0 is responsible for the Specific Benefit portion of the maintenance of Canyon Oaks Park, defined as the special benefit that accrues to each lot within Tract 14629 and Tract 14757, and is apportioned based on 60% of the total benefit, assessed at the time the property is subdivided

- Zone D-1 Zone D-1 is responsible for the Specific Benefit portion of the maintenance of the City park dedication in Tract 16404, defined as the special benefit that accrues to each lot within Tract 16404, and is apportioned based on 60% of the total benefit, assessed at the time the property is subdivided
- Zone D-2 Zone D-2 is responsible for the Specific Benefit portion of the maintenance of the new City park dedication adjacent to Tract No. 16914, defined as the special benefit that accrues to each lot within Tract 16914, and is apportioned based on 60% of the total benefit, assessed at the time the property is subdivided
- Zone D-3 Zone D-3 is responsible for the Specific Benefit portion of the maintenance of the new City park dedication adjacent to Tract No. 18199, defined as the special benefit that accrues to each lot within Tract 18199, and is apportioned based on 60% of the total benefit, assessed at the time the property is subdivided

Zones D-0 through D-3 include a 5% inflation adjustment to the assessment rates, subject to final approval by the City Council.

APPENDIX A – ASSESSMENT DIAGRAM

An assessment diagram was prepared and filed in the Office of the City Clerk. The diagram consists of nine (9) index sheets and two (2) bound books of San Bernardino County Assessor's Maps. The index sheets show the areas which include properties to be assessed and refer to the San Bernardino County Assessor's maps for a more detailed description of the properties.

In addition, a diagram of the District Boundaries showing the exterior boundaries of the District has been submitted to the City Clerk, and is incorporated herein by reference. The lines and dimensions of each lot or parcel within the District are those lines and dimensions shown on the maps of the Assessor of the County of San Bernardino for the year in which this Report was prepared, and are incorporated herein by reference and made part of this Report.

APPENDIX B – ASSESSMENT ROLL

The proposed assessment and the amount of assessment apportioned to each lot or parcel, as shown on the latest roll at the Assessor's Office are submitted separately as Appendix B of the Engineer's Report for the City of Highland, Consolidated Landscape and Lighting District No. 96-1.

The description of each lot or parcel is part of the records of the Assessor of the County of San Bernardino and these records are, by reference, made part of this Report.

RESOLUTION NO. 2020-__

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HIGHLAND,
CALIFORNIA DECLARING ITS INTENTION TO LEVY AND COLLECT
ASSESSMENTS FOR FISCAL 2020-21 IN CONSOLIDATED LANDSCAPE AND
LIGHTING DISTRICT NO. 96-1, AN ASSESSMENT DISTRICT, AND OFFERING A
TIME AND PLACE FOR HEARING OBJECTIONS THERETO**

The City Council of the City of Highland, pursuant to the provisions of The Landscaping and Lighting Act of 1972, being Division 15 of the Streets and Highways Code of the State of California, does resolve as follows:

Description of Work

SECTION 1. That the public interest and convenience requires and it is in the intention of the City Council of the City of Highland, California, to order the following work be done, to wit:

1. Maintenance, operation and servicing of landscaping and lighting as authorized by Section 22525 of the Streets and Highways Code.
2. Any and all work and materials appurtenant thereto or which are necessary or convenient for the maintenance and servicing thereof.

Location of Work

SECTION 2. The foregoing described work is to be located within roadway right-of-way and public utility easements, landscape easements, trail easements, park lands, etc., within the incorporated boundaries of the City of Highland, more particularly described on a map which is on file in the City Clerk's office entitled "Assessment Diagram Consolidated Landscape and Lighting District No. 96-1."

Description of Assessment District

SECTION 3. That the contemplated work, in the opinion of said City Council, is of more local than ordinary public benefit, and the said City Council hereby makes the expense of said work chargeable upon a district, which said district is described as follows: All that certain territory of the City of Highland included within the exterior boundary line shown upon that certain "Assessment Diagram, Consolidated Landscape and Lighting District no. 96-1," heretofore approved by the City Council of said City indicating by said boundary line the extent of the territory included within the proposed assessment district and which map is on file in the Office of the City Clerk of said City.

Reference is hereby made to said map for further, full and more particular description of said assessment district, and the said map on file shall govern for all details as to the extent of said assessment district.

Report of the Engineer

SECTION 4. The Highland City Council by Resolution No. 2020-____ has accepted the report of the Engineer of Work, which report indicates the amount of the proposed assessment, the district boundary, detailed description of improvements, and the method of assessment. The report titled "Engineer's Report Consolidated Landscape and Lighting District No. 96-1" is on file in the Office of the City Clerk of said City, and was prepared for the 2020-21 Fiscal Year in accordance with The Landscaping and Lighting Act of 1972. Reference to said report is hereby made for all particulars for the amount and extent of the assessments and for the extent of the work.

Collection of Assessments

SECTION 5. The assessment shall be collected at the time and in the same manner as County taxes are collected. The Engineer of Work shall file a report annually with the Highland City Council and the City Council will annually conduct public hearings upon said report as required by law, at which time assessments for the next fiscal year will be determined.

Time and Place of Hearing

SECTION 6. Notice is hereby given that on the 9th day of June, 2020, at 6:00 p.m., or as soon thereafter as may be heard, the City Council of the City of Highland will hold a public hearing and any and all persons having any objection to the work or extent of the assessment district, may appear and show cause why said work should not be done or carried out in accordance with this Resolution of Intention.

Due to the COVID-19 pandemic public health orders, which limit in-person public meetings, the public hearing will be held either in the City Hall Donahue Council Chambers, 27215 Base Line, Highland, California, 92346, or in another manner specified in the meeting agenda. Please check the June 9, 2020 City Council agenda once it is posted on the City's website for information as to how to participate in the City Council meeting.

To avoid physical contact, the City strongly encourages you to submit your comments by email in advance to the City Clerk at publiccomment@cityofhighland.org and include "Landscape and Lighting District No. 96-1" in the title. Any written comments received will be included as part of the public record on this matter.

Landscaping and Lighting Act of 1972

SECTION 7. All of the work herein proposed shall be done and carried through in pursuance of act of the legislature of the State of California designated the Landscaping and Lighting Act of 1972, being Division 15 of the Streets and Highways Code of the State of California.

Assessment of Railroad, Gas, Water, or Electric Utility or Electric Line Right-of-Way

SECTION 8. That by reference to Section 22595 of the Streets and Highways Code all railroad, gas, water or electric utility or electric line right-of-way included within said Consolidated Landscape and Lighting District No. 96-1 which will receive benefit will be assessed for said benefit.

Exclusion of Public Property

SECTION 9. All lots or parcels belonging to public agencies shall be omitted from assessments to be made hereafter to cover the costs and expenses of the Work.

Publication of Notice

SECTION 10. Published notice shall be made pursuant to Section 6061 of the Government Code. The publication of notice of hearing shall be completed at least 10 days prior to the date of hearings.

Certification

SECTION 11. The City Clerk shall certify to the adoption of this Resolution.

APPROVED AND ADOPTED this 12th day of May, 2020.

STAFF REPORT

TO THE CITY COUNCIL

MEETING DATE: June 9, 2020

FROM: Joseph Hughes, City Manager

REVIEWED BY: Lawrence A. Mainez, Community Development Director *Lmainez*

PREPARED BY: Kim Stater, Assistant Community Development Director *KStater*

SUBJECT: Special Event Permit Application (SEP 20-004) and request for co-sponsorship of the Immanuel Baptist Church 4th of July fireworks display and community event.

LOCATION: 28355 Base Line, Highland

APPLICANT/REP.: Gary Pounds, Minister of Church Administration
Immanuel Baptist Church

RECOMMENDATION: Staff recommends the City Council deny Special Event Permit 20-004.

FISCAL IMPACT: Event costs to the City include the Police Department staffing - \$18,570, Fire Marshal Inspection/Permit - \$145, and Public Works staffing for traffic control - \$2,705.98. These are typically paid by the Applicant prior to the event. A waiver in the form of a "Co-Sponsorship" is being asked by the Applicant for Police and Public Works services, a total of \$21,455.98.

PUBLIC NOTICE: As required by the City Council Resolution, the Agenda was posted at three designated locations per Council Resolution. Additionally, it was posted on the City's Website.

PROJECT DESCRIPTION: Immanuel Baptist Church is seeking approval of its Annual 4th of July Community event and firework display and waiver of Police Department and Public Works expenses (see Attachment 1).

The 4th of July fireworks display is scheduled for Saturday, July 4, 2020, from 7:00 pm to 9:30 pm. Seating for the event will be limited to 2,500 in acknowledgement of the social distancing mandates by the State of California and County of San Bernardino. They propose to have 4 food booths, but have canceled the car show and kid zone. Church volunteers will provide assistance and security on the site. First aid and a paramedic unit will be provided by Immanuel Baptist Church.

Per the Highland Municipal Code Section 8.58.030, Firework Displays and Section 16.08.130, Special Events, a public display of fireworks is permitted by City Council under the direct supervision of a pyrotechnic operator. Immanuel Baptist Church has contracted a professionally licensed pyrotechnic company, who will provide a full service custom show and insurance coverage. Cal Fire staff could be present at the event to insure the required inspections and procedures take place.

ANALYSIS: There are a number of concerns related to the proposed event this year. Currently, as of the preparation of this Staff Report, the County of San Bernardino is limiting 4th of July fireworks displays in response to the COVID-19 pandemic. Professional aerial fireworks are permitted but must be viewed in vehicles or from the front yard of private residences. People may not gather in parks or athletic fields. A Condition of Approval was written into the Planning Conditions such that if the event is approved by the Council, these regulations must be adhered to.

Additionally, there are health related concerns in permitting the gathering of 2,500 people in one location. It presents a COVID-19 transmission risk to the Church staff, public safety staff and bystanders.

There are limited fireworks viewing opportunities in the Inland Empire. Many cities have cancelled their celebrations including the Cities of Yucaipa and Redlands. This increases the likelihood of attendees to the Highland event. The Police Department recommends denial of the Special Event Permit for these and related issues as enumerated in their attached analysis.

The Special Event Permit Application was circulated to all the City's Departments for comments and Conditions. Should the Council choose to permit the event, the Conditions are available for consideration.

Dear City of Highland Staff and Council Members,

This letter serves as the permit request for our annual Community Fireworks Show scheduled for Thursday, July 4, 2020 from 7:00 pm to 9:30 p.m.

We anticipate 1500 - 2500 people on campus at this event with several thousand others watching the fireworks show from the surrounding neighborhoods. The fireworks show will run from 9:00 pm to 9:20 pm. Cars will be parked in the campus parking, minus the most northern section of the lot off of Base Line. This area is designated as the fireworks fallout zone and will remain off limits during the entire event. Paid as well as a volunteer security team will provide parking assistance and security on site, including prevention of attendees from accessing the fireworks firing site. First aid and a paramedic unit will be provided on site for this event in case of an emergency. Trash will be collected and disposed of by volunteers via a Burrtec Waste donated roll-off on site. Adequate portable restroom facilities will be provided onsite. As has been the case in past years, no admittance fee will be charged as we want this to be a free event; the only charges will be for food and drinks supplied by the approved vendors. This year's budget is \$45,000.00 with a significant portion covered by Immanuel's congregation. We are pleased to report that sponsorships by local businesses have increased to help offset a portion of the expenses to host the ever-increasingly popular event.

Since Immanuel desires to continue to partner with the City of Highland in offering this family friendly, high quality community event, we are again requesting that the City of Highland cover the expense of providing adequate law enforcement personnel to provide sufficient traffic control during the event, as well as the necessary funding requested by the City Public Works Department for traffic control support.

Thank you in advance for your serious consideration, and for the years of cooperation you have given us as we seek to provide yet another ongoing family friendly event for the citizens of the City of Highland.

If you have any questions, please feel free to contact me.

Sincerely,

Gary Pounds
Minister of Church Administration

July 4, 2020

January 29, 2020

Immanuel Baptist Church
Justin McWhorter
28355 Baseline St.
Highland, CA 92346-5008

Dear Mr. McWhorter,

Pyro Spectaculars, Inc. is happy to provide our pyrotechnic proposal for your July 4, 2020 event. The following proposal outlines your custom designed **Sky Concert™** Program "A" for the amount of \$27,000.00. The various fireworks elements provided are prepared to shoot from Immanuel Baptist Church for approximately 15-20 minutes.

Our full service program includes music production and choreography, the services of a licensed pyrotechnic operator, specialized crew, an electronic firing system, and safety equipment used for support and protection. The price also includes insurance coverage, sales tax and delivery. To help ensure public safety, we work directly with the local fire authority while we apply for all the necessary fire department and other fireworks related permits. Our winning combination of products, people and production capabilities help produce the safest fireworks entertainment package possible.

Your organization will be responsible for payment of all Fire Department permit fees and/or standby firemen fees, if any. The Fire Department may bill you directly for any additional standby fees for inspections. Your organization will also be responsible for providing the display location and all necessary security for the display site.

Enclosed you will find a Product Synopsis, Production Agreement for signature and Scope of Work. Please have one copy of this fully executed agreement returned to our office by April 3, 2020 along with your deposit and applicable fire department permit fees.

Please take the time to review this proposal in detail. If you wish to discuss any changes in your program or need more information, please call either myself or your Customer Service Representative Maria Barajas at (909) 355-8120 ext. 228.

1. **Engagement** - CLIENT hereby engages PYRO to provide to CLIENT one fireworks production ("Production"), and PYRO accepts such engagement upon all of the promises, terms and conditions hereinafter set forth. The Production shall be substantially as outlined in Program "A", attached hereto and incorporated herein by this reference.

1.1 **PYRO Duties** - PYRO shall provide all pyrotechnic equipment, trained pyrotechnicians, shipping, pyrotechnic products, application for specific pyrotechnic permits (the cost of which, including standby fees, shall be paid by CLIENT) relating to the Production, insurance covering the Production and the other things on its part to be performed as more specifically set forth below in this Agreement and in the Scope of Work ("Scope of Work"), attached hereto, incorporated herein by this reference, and made a part of this Agreement as though set forth fully herein.

1.2 **CLIENT Duties** - CLIENT shall provide to PYRO a suitable site ("Site") for the Production, security for the Site as set forth in Paragraph 6 hereof, access to the Site, any permission necessary to utilize the Site for the Production, and the other things on its part to be performed as more specifically set forth below in this Agreement and in the Scope of Work. All Site arrangements are subject to PYRO's reasonable approval as to pyrotechnic safety, suitability, and security. All other conditions of the Site shall be the responsibility of CLIENT, including, but not limited to, access, use, control, parking and general safety with respect to the public, CLIENT personnel and other contractors.

2. **Time and Place** - The Production shall take place on July 4, 2020, at approximately 9:00 PM, at Immanuel Baptist Church, dirt lot, 28355 Baseline St., Highland, CA, Site.

3. **Fees, Interest, and Expenses** -

3.1 **Fee** - CLIENT agrees to pay PYRO a fee of \$27,000.00 USD (TWENTY SEVEN THOUSAND DOLLARS) ("Fee") for the Production. CLIENT shall pay to PYRO \$13,500.00 USD (THIRTEEN THOUSAND FIVE HUNDRED DOLLARS) of the Fee plus estimated permit and standby fees, specified production costs, and other regulatory costs approximated at \$145.00 OR an amount to be determined, for a total of \$13,645.00, as a deposit ("Deposit") upon the execution of this Agreement by both parties but no later than April 3, 2020. The balance of the Fee shall be paid no later than July 6, 2020. CLIENT authorizes PYRO to receive and verify credit and financial information concerning CLIENT from any agency, person or entity including but not limited to credit reporting agencies. The "PRICE FIRM" date, the date by which the executed Agreement must be delivered to Pyro, is set forth in paragraph 20.

3.2 **Interest** - In the event that the Fee is not paid in a timely manner, CLIENT will be responsible for the payment of 1.5% interest per month or 18% annually on the unpaid balance. If litigation arises out of this Agreement, the prevailing party shall be entitled to reasonable costs incurred in connection with the litigation, including, but not limited to attorneys' fees.

3.3 **Expenses** - PYRO shall pay all normal expenses directly related to the Production including freight, insurance as outlined, pyrotechnic products, pyrotechnic equipment, experienced pyrotechnic personnel to set up and discharge the pyrotechnics and those additional items as outlined as PYRO's responsibility in the Scope of Work. CLIENT shall pay all costs related to the Production not supplied by PYRO including, but not limited to, those items outlined as CLIENT's responsibility in this Agreement and Scope of Work.

4. **Proprietary Rights** - PYRO represents and warrants that it owns all copyrights, including performance rights, to this Production, except that PYRO does not own CLIENT-owned material or third-party-owned material that has been included in the Production, and as to such CLIENT-owned and third-party-owned material, CLIENT assumes full responsibility therefore. CLIENT agrees that PYRO shall retain ownership of, and all copyrights and other rights to, the Production, except that PYRO shall not acquire or retain any ownership or other rights in or to CLIENT-owned material and third-party-owned material and shall not be responsible in any way for such material. If applicable, CLIENT consents to the use of CLIENT-owned material and represents that it has or will obtain any permission from appropriate third parties sufficient to authorize public exhibition of any such material in connection with this Production. PYRO reserves the ownership rights in its trade names that are used in or are a product of the Production. Any reproduction by sound, video or other duplication or recording process without the express written permission of PYRO is prohibited.

5. **Safety** - PYRO and CLIENT shall each comply with applicable federal, state and local laws and regulations and employ safety programs and measures consistent with recognized applicable industry standards and practices. At all times before and during the Production, it shall be within PYRO's sole discretion to determine whether or not the Production may be safely discharged or continued. It shall not constitute a breach of this Agreement by PYRO for fireworks to fail or malfunction, or for PYRO to determine that the Production cannot be discharged or continued as a result of any conditions or circumstances affecting safety beyond the reasonable control of PYRO.

6. **Security** - CLIENT shall provide adequate security personnel, barricades, and Police Department services as may be necessary to preclude individuals other than those authorized by PYRO from entering an area to be designated by PYRO as the area for the set-up and discharge of the Production, including a fallout area satisfactory to PYRO where the pyrotechnics may safely rise and any debris may safely fall. PYRO shall have no responsibility for monitoring or controlling CLIENT's other contractors, providers or volunteers; the public; areas to which the public or contractors have access; or any other public or contractor facilities associated with the Production.

7. **Cleanup** - PYRO shall be responsible for the removal of all equipment provided by PYRO and clean up of any live pyrotechnic debris made necessary by PYRO. CLIENT shall be responsible for any other clean up which may be required of the Production or set-up, discharge and fallout areas including any environmental clean-up.

8. **Permits** - PYRO agrees to apply for permits for the firing of pyrotechnics only from the City of Highland Fire Department, FAA, and USCG, if required. CLIENT shall be responsible for any fees associated with these permits including standby fees. CLIENT shall be responsible for obtaining any other necessary permits, paying associated fees, and making other appropriate arrangements for Police Departments, other Fire Departments, road closures, event/activity or land use permits or any permission or permit required by any Local, Regional, State or Federal Government.

9. **Insurance** - PYRO shall at all times during the performance of services herein ensure that the following insurance is maintained in connection with PYRO's performance of this Agreement: (1) commercial general liability insurance, including products, completed operations, and contractual liability under this Agreement; (2) automobile liability insurance; (3) workers' compensation insurance and employer liability insurance. Such insurance is to protect CLIENT from claims for bodily injury, including death, personal injury, and from claims of property damage, which may arise from PYRO's performance of this Agreement, only. The types and amounts of coverage shall be as set forth in the Scope of Work. Such insurance shall not include claims which arise from CLIENT's negligence or willful conduct or from failure of CLIENT to perform its obligations under this Agreement, coverage for which shall be provided by CLIENT.

The coverage of these policies shall be subject to reasonable inspection by CLIENT. Certificates of Insurance evidencing the required general liability coverage shall be furnished to CLIENT prior to the rendering of services hereunder and shall include that the following are named as additionally insured: CLIENT; Sponsors, Landowners, Barge Owners, if any; and Permitting Authorities, with respect to the operations of PYRO at the Production. Pyrotechnic subcontractors or providers, if any, not covered under policies of insurance required hereby, shall secure, maintain and provide their own insurance coverage with respect to their respective operations and services.

10. **Indemnification** - PYRO represents and warrants that it is capable of furnishing the necessary experience, personnel, equipment, materials, providers, and expertise to produce the Production in a safe and professional manner. Notwithstanding anything in this Agreement to the contrary, PYRO shall indemnify, hold harmless, and defend CLIENT and the additional insureds from and against any and all claims, actions, damages, liabilities and expenses, including but not limited to, attorney and other professional fees and court costs, in connection with the loss of life, personal injury, and/or damage to property, arising from or out of the Production and the presentation thereof to the extent such are occasioned by any act or omission of PYRO, their officers, agents, contractors, providers, or employees. CLIENT shall indemnify, hold harmless, and defend PYRO from and against any and all claims, actions, damages, liability and expenses, including but not limited to, attorney and other professional fees and court costs in connection with the loss of life, personal injury, and/or damage to property, arising from or out of the Production and the presentation thereof to the extent such are occasioned by any act or omission of CLIENT, its officers, agents, contractors, providers, or employees. In no event shall either party be liable for the consequential damages of the other party.

11. **Limitation of Damages for Ordinary Breach** - Except in the case of bodily injury and property damage as provided in the insurance and indemnification provisions of Paragraphs 9 and 10, above, in the event CLIENT claims that PYRO has breached this Agreement or was otherwise negligent in performing the Production provided for herein, CLIENT shall not be entitled to claim or recover monetary damages from PYRO beyond the amount CLIENT has paid to PYRO under this Agreement, and shall not be entitled to claim or recover any consequential damages from PYRO including, without limitation, damages for loss of income, business or profits.

12. **Force Majeure** - CLIENT agrees to assume the risks of weather, strike, civil unrest, terrorism, military action, governmental action, and any other causes beyond the control of PYRO which may prevent the Production from being safely discharged on the scheduled date, which may cause the cancellation of any event for which CLIENT has purchased the Production, or which may affect or damage such portion of the exhibits as must be placed and exposed a necessary time before the Production. If, for any such reason, PYRO is not reasonably able to safely discharge the Production on the scheduled date, or at the scheduled time, or should any event for which CLIENT has purchased the Production be canceled as a result of such causes, CLIENT may (i) reschedule the Production and pay PYRO such sums as provided in Paragraph 13, or (ii) cancel the Production and pay PYRO such sums as provided in Paragraph 14, based upon when the Production is canceled.

13. **Rescheduling Of Event** - If CLIENT elects to reschedule the Production, PYRO shall be paid the original Fee plus all additional expenses made necessary by rescheduling plus a 15% service fee on such additional expenses. Said expenses will be invoiced separately and payment will be due in full within 5 days of receipt. CLIENT and PYRO shall agree upon the rescheduled date taking into consideration availability of permits, materials, equipment, transportation and labor. The Production shall be rescheduled for a date not more than 90 Days subsequent to the date first set for the Production. The Production shall not be rescheduled to a date, or for an event, that historically has involved a fireworks production. The Production shall not be rescheduled between June 15th and July 15th unless the original date was July 4th of that same year, or between December 15th and January 15th unless the original date was December 31st of the earlier year unless PYRO agrees that such rescheduling will not adversely affect normal business operations during those periods.

14. **Right To Cancel** - CLIENT shall have the option to unilaterally cancel the Production prior to the scheduled date. If CLIENT exercises this option, CLIENT agrees to pay to PYRO, as liquidated damages, the following percentages of the Fee as set forth in Paragraph 3.1. 1) 50% if cancellation occurs 30 to 90 days prior to the scheduled date, 2) 75% if cancellation occurs 15 to 29 days prior to the scheduled date, 3) 100% thereafter. In the event CLIENT cancels the Production, it will be impractical or extremely difficult to fix actual amount of PYRO's damages. The foregoing represents a reasonable estimate of the damages PYRO will suffer if CLIENT cancels the Production.

15. **No Joint Venture** - It is agreed, nothing in this Agreement or in PYRO's performance of the Production shall be construed as forming a partnership or joint venture between CLIENT and PYRO. PYRO shall be and is an independent contractor with CLIENT and not an employee of CLIENT. The Parties hereto shall be severally responsible for their own separate debts and obligations and neither Party shall be held responsible for any agreements or obligations not expressly provided for herein.

16. **Applicable Law** - This Agreement and the rights and obligations of the Parties hereunder shall be construed in accordance with the laws of California. It is further agreed that the Central Judicial District of San Bernardino County, California, shall be proper venue for any such action. In the event that the scope of the Production is reduced by authorities having jurisdiction or by either Party for safety concerns, the full dollar amounts outlined in this Agreement are enforceable.

17. **Notices** - Any Notice to the Parties permitted or required under this Agreement may be given by mailing such Notice in the United States Mail, postage prepaid, first class, addressed as follows: PYRO - Pyro Spectaculars, Inc., P.O. Box 2329, Rialto, California, 92377, or for overnight delivery to 3196 N. Locust Avenue, Rialto, California 92377. CLIENT - Immanuel Baptist Church, 28355 Baseline St., Highland, CA 92346-5008.

18. **Modification of Terms** – All terms of the Agreement are in writing and may only be modified by written agreement of both Parties hereto. Both Parties acknowledge they have received a copy of said written Agreement and agree to be bound by said terms of written Agreement only.

19. **Severability** – If there is more than one CLIENT, they shall be jointly and severally responsible to perform CLIENT's obligations under this Agreement. This Agreement shall become effective after it is executed and accepted by CLIENT and after it is executed and accepted by PYRO at PYRO's offices in Rialto, California. This Agreement may be executed in several counterparts, including faxed and emailed copies, each one of which shall be deemed an original against the Party executing same. This Agreement shall be binding upon the Parties hereto and upon their heirs, successors, executors, administrators and assigns.

20. **Price Firm** – If any changes or alterations are made by CLIENT to this Agreement or if this Agreement is not executed by CLIENT and delivered to PYRO on or before the PRICE FIRM date shown below, then the price, date, and scope of the Production are subject to review and acceptance by PYRO for a period of 15 days following delivery to PYRO of the executed Agreement. In the event it is not accepted by PYRO, PYRO shall give CLIENT written notice, and this Agreement shall be void.

Immanuel Baptist Church 4th of July Firework Display Special Event Permit No. SEP 20-004

Immanuel Baptist's Annual 4th of July Firework Display is a well-attended event hosted by the church. Last year's event was the largest and best attended event to date. With that came several traffic and crowd issues in the surrounding neighborhoods and major streets. The Highland Police Department planned for these issues, but the high volume of vehicle and pedestrian traffic overburdened the roadways and surrounding neighborhoods, especially at the conclusion of the show.

The event itself attracted over 7,000 people onto the church grounds along with thousands of others saturating the surrounding neighborhoods. Those who could not park in the church parking lot found parking in nearby neighborhoods and businesses impacting those locations. After the event we received numerous complaints about trash left on city streets and in resident's front yards.

Due to the current COVID-19 Pandemic, the Governor of the State of California has issued an order preventing any large public gatherings. It is hard to predict what the Public Health guidelines will be a month from now, but it seems an unnecessary risk to expose our staff or the public to the virus at this time with a large public gathering.

Almost every city in the valley area has cancelled their planned fireworks show. Currently, the only other city planning a fireworks show is the City of Rancho Cucamonga. That makes Immanuel Baptist's show the only fireworks display on the east side of the Inland Empire. This event would likely draw thousands of additional spectators from the other cities who have cancelled their shows, adding to the thousands of spectators already attending from the Highland area. The roadways and area around the church is not able to support this influx of people and would likely become gridlocked. This gridlock is a concern as it could prevent emergency services from responding to a location in a timely manner.

During a conference call with the pastoral staff at the church, they proposed alternatives that included limiting attendance to approximately 2500 people and ensuring social distancing. While this seemed like a reasonable proposal for health and safety purposes, it creates several unintended consequences. Assuming the same 7000 attendees from last year show up, that would leave approximately 4500 people to find another location, in the surrounding neighborhoods, to view the show. These 4500 people, combined with the several thousand that used the neighborhoods last year, along with the expected swell from neighboring cities would create a substantial impact to our operation and a potential safety hazard.

Currently, our volunteers whom we rely upon heavily at such events are limited to what they can do and will not be able to participate in this event. This would require the use of additional safety staff to help maintain order at the event and control the flow of traffic following the event. At last year's event we fielded 12 deputy sheriffs and 1 sergeant. For this year's event it is believed we would need 21 deputies and a sergeant to control the vast number of spectators.

Total cost to the city for police services to work this one event would be approximately \$18,570.00.

The Highland Police Department does not have the staffing to cover this event and would have to attempt to pull resources from neighboring stations. This would impact the other stations who are already working extra 4th of July patrols as well.

Additionally, in response to the numerous illegal fireworks being used in the city the Highland Police will be fielding an additional 4 deputies and 1 Fire Prevention Officer from Cal Fire on patrol. Total cost to the city for this staffing will be approximately \$5,520.00. Last year during the 4th of July holiday, the police department responded to almost 400 calls for service. 80 of those calls were related to fireworks, including four structure fires directly related to fireworks.

The police department fully supports Immanuel Baptist Church and this great event. However, current events make holding this event extremely risky and places an unneeded financial burden on the city in these uncertain times. With the current order in place from the Governor we cannot approve holding this event. Due to the recent "Stay-at-Home" order over the last 2 months, it is likely many more thousands of people will want to attend this event and get out of their houses. This will place a burden on the city streets and surrounding neighborhoods that will require a large police presence to maintain order.

These conditions are required as acceptable solutions to the adverse fire conditions impacting firefighting and emergency operations accompanying the site/area and/or event. They will either assist in detection and extinguishment of the fire and/or facilitate the anticipated emergency operations.

This project is protected by the city of Highland fire dept./Cal-Fire. For event approval the applicant shall comply with the existing California Fire Code and all applicable statutes, codes, ordinances, standards and policies of the City of Highland fire prevention division / fire department.

1. Per the site plan and permit request letter submitted, FIRE MARSHAL conditions are as follows.
2. A California State Fire Marshal flame-retardant certificate must be provided (CCR T-19), if tent (over 400 square feet) and/or air supported structures are used.
3. **Outdoor fireworks displays shall comply with 2019 CFC Chapter 56 as well as CCR Title 19, Division 1, Chapter 6, Article 4 (permits) and Article 15 (public display).**
4. Adequate marking and security personnel shall be used to prevent event attendees from accessing the fireworks firing site, from all 4 sides, throughout the entire display.
5. Pyrotechnic operators **shall meet** with local Battalion Chief / Captain prior to the event to provide an overview of the display and to discuss emergency plan and locations of fire apparatus.

6. Fire extinguishers and other fire-protection equipment shall be provided. Minimum rating for fire extinguishers shall be: **2A-10BC**. Location and number shall be determined by the Fire Marshal or Battalion Chief during site inspection. Extinguishers shall be mounted with a current (within 1 year from date indicated) State Fire Marshal tag affixed.
7. The areas for the car show and food trucks shall be configured to provide emergency access.
8. The area around the stage shall be maintained free of non-essential items. Electrical distribution cords shall be in good repair and of the proper size for the intended use. **NO SMOKING** on the stage or within 10 feet of the stage. Hay bales or other flammable materials shall not be used to create seating areas in front of the stage area.
9. Ground covering shall be of non-combustible or treated materials and maintained in an approved flame-retardant condition. No straw, hay or other unapproved flammable / combustible materials are allowed as ground covering or wall treatments. (CFC 31 04.2)
10. Temporary Electrical wiring/generation shall comply with the National Electrical Code and be inspected and approved by the Fire Marshal & City Building & Safety Official.
11. Lighting generators (self-contained units) shall be secured from movement and properly protected from tampering by event attendees. Any refueling of the units shall be performed with the engines turned off. Fuel for the generators shall be stored in a secure area not accessible by event attendees.
12. Emergency fire and rescue access lanes shall be maintained at all times. Minimum width for emergency access lanes shall be twenty (20) feet and support a live load for fire apparatus of 74,000 pounds. Emergency access lanes shall be provided, so that any point at event shall not exceed one hundred fifty (150) feet from emergency access road.
13. Concession stands utilized for **cooking** shall have a minimum of 10 feet of clearance on two sides and shall not be located within 10 feet of other cooking booths and shall not be located within 20 feet of a tent, canopy, membrane structure or attractions.
14. No open-flame demonstrations shall be allowed (on stage) by performers and/or audience.
15. The stage area shall have one fire extinguisher (minimum **2A-10BC**) on each side at the front area.

16. Cooking areas that utilize fryers or create grease laden vapors shall have a K-Type (40BC) fire extinguisher of adequate size with a current State Fire Marshal tag affixed.
17. All volunteers shall be made aware of how to request assistance in the event of an emergency or other incident.

A permit fee is due prior to the event. Contact the Building and Safety Department at (909) 864-6861 ext.232 for permit fee amount.

An inspection of the grounds will be performed to confirm compliance with the above conditions.

If you have any questions or concerns regarding the above or wish to discuss other mitigation alternatives contact the City of Highland - Fire Prevention Department.

SUBJECT: SPECIAL EVENT PERMIT ISSUANCE CLERANCE FORM (SEP016-005)
ANNUAL 4th OF JULY FIREWORK DISPLAY

The Public Services Division will approve this Special Event Permit with the following conditions:

- 1. Food/Beverage:** If plastic bottles and aluminum cans are available during this event there must be recycling opportunities onsite. There must be one recycling container next to each trash receptacle through out the duration of the event.
- 2. Portable Toilets:** Please be sure that all portable toilets on site are equipped with a containment tray throughout the duration of the event. Provide the Portable Toilet Business flyer (attached) to the company you have selected for further suggestions on how to prevent potential spills when delivering or servicing the portable toilets during this event. If there is a storm drain within 50 feet of where the portable toilets are being placed it must be protected throughout the duration of the event.

Should you have any questions, please feel free to give me a call 909-864-8732 ext. 271

PORTABLE TOILET BUSINESSES

Prevent potential waste spills from coming into contact with our waterways:

WHEN DELIVERING

- ✓ Site Portable Toilets at least 50 feet away from a catch basin or waterway.
- ✓ In high wind areas, secure the Portable Toilets by anchoring the unit securely to the ground.
- ✓ Equip Portable Toilets with a containment tray to prevent accidental overflow.

! When there is potential for greater than normal usage, **remind your clients to request additional units or adjust the service schedule** to ensure sanitary conditions and **prevent overflow.**

WHEN SERVICING

- ✓ On the service vehicle:
 - Maintain the condition of all hoses, couplings, tanks, and equipment to prevent leaks or spills.
 - Properly store and handle potential contaminants (Portable Toilet waste, disinfectants, oils, detergents etc.) to prevent any spills or discharges from entering the street, gutter or catch basin.
- ✓ When rinsing or washing Portable Toilets, ensure that all waste water is captured in the containment tray to prevent waste water from entering the street, gutter or catch basin.
- ✓ Upon completion of the cleaning process, pump the captured water into the service vehicle.

WHAT IS STORMWATER POLLUTION?

Stormwater pollution is created when bacteria, organic matter, disinfectants, and suspended solids are transported by water or wind into the catch basins and storm drain system. The untreated urban runoff then flows directly into our lakes and rivers contaminating our communities with high levels of bacteria, posing a threat to public health and wildlife.

PLANNING CONDITIONS OF APPROVAL

Note: These conditions represent Planning Division conditions only and are meant to be only one part of the project's overall conditions that may include Engineering, Fire Department and Building and Safety. All required on-site and off-site conditions shall be completed prior to the event date, except where noted.

Special Event Permit No. 20-004 is approved, subject to compliance with the conditions of approval contained herein. The conditions of approval listed below are continuing conditions; failure of the Applicant and/or operator to comply with any/all conditions at any time, shall result in initiating revocation of the subject permit.

General

1. The subject event shall be in compliance with the approved plans on file with the City of Highland Planning Division, and shall be in compliance with all conditions of approval contained herein.
2. Revisions, modifications, and/or deletions to the approved plans must be submitted to the Planning Division for review and approval prior to the event date.
3. **(NS) All displays and event activities shall be in compliance with the most recent State and County guidelines.**
4. (NS) Immanuel Baptist Church shall provide a "neighborhood mailer" to all residents within a 1,000 sq. ft. radius of Immanuel Baptist Church property lines notifying them of the proposed event details.
 - a. A copy of the mailer and location map shall be provided to the City prior to distribution.
5. In compliance with the Highland Municipal Code, the Applicant/Owner shall agree, at his/her sole cost and expense, to defend, indemnify, and hold harmless, the City, its officers, employees, agents, and consultants, from any claim, action, or proceeding brought by a third-party against the City, its officers, agents, and employees, which seeks to attack, set aside, challenge, void, or annul an approval of the City Council, Planning Commission, or other decision-making body, including staff, concerning this project. The City may, at its sole discretion,

participate at its own expense in the defense of any such action but such participation shall not relieve the Applicant/Owner of his/her obligations under this condition.

6. The recorded owner of the property shall submit to the Planning Division written evidence of agreement with all conditions of this approval before the approval becomes effective.
7. The owner/applicant is responsible for implementing all conditions of approval to the satisfaction of the Community Development Director, City Engineer, Fire Department, Public Services, Public Works, and Police Department. Final clearances shall not be given until all conditions are met. Each condition of approval is separately enforced, and if one of the conditions of approval is found to be invalid by a court of law, all the other conditions shall remain valid and enforceable.
8. All Ordinances, Policy Resolutions, and Standards of the City in effect at the time this project is approved shall be complied with as a condition of this approval.
9. The applicant shall comply with all Federal, State, and Local laws.
10. No intensification of use event scope and nature described in the application (i.e., SEP-20-004), which would tend to increase the projected scale of the event, shall be permitted except upon application for, and approval of, modification of this permit in compliance with all procedures and requirements therefore.
11. (NS) If sheriff reserves or any other related police/sheriff volunteers are required to stay over the time suggested on the attached comment sheet the applicant will be responsible for paying additional fees pertaining to the overtime. Overtime fee's will need to be paid within forty-eight (48) hours of the event end date and time to the City of Highland.

Signage

12. Event signage shall be in compliance with Chapter 16.56 of the Highland Municipal Code and shall be reviewed and approved under a separate application prior to installation. All signage shall be consistent with the type allowed within the zone and, as conditioned, the tenant space shall not be marked in an exaggerated manner and no banners or streamers shall be strung on the property. Any signage that creates a potential distraction to motor vehicle operations shall be prohibited.
13. All signs and sign structures shall be located outside of the public right-of-way.

Maintenance

14. All trash, litter, debris, etc. that may be generated outside of the property (off-site) by the participants and organizer of the event shall be the responsibility of the applicant or property owner.

Pyrotechnic Element

15. Pyro Spectaculars shall take into account wind direction and speed the day of the event to limit debris and ash fallout onto buildings and structures. The firing site should be moved as needed to meet the safety of surrounding structures and visitors.

STAFF REPORT

TO THE CITY COUNCIL

DATE: June 9, 2020

FROM: Joseph A. Hughes, City Manager

PREPARED BY: Lawrence A. Mainez, Community Development Director, and Matt Bennett, Assistant Public Works Director *LMB* *MB*

SUBJECT: Resolution requesting Governor Newsom extend the implementation date of Senate Bill 743 for one year.

RECOMMENDATION: That the City Council approve City Council Resolution No. 2020-_____, requesting Governor Newsom extend the implementation date of Senate Bill 743 for one year (until July 1, 2021).

FISCAL IMPACT: None.

PUBLIC NOTICE: This agenda item was posted in three places as set forth in the Highland Municipal Code and on the City's Website.

BACKGROUND: In a letter to the City dated May 27, 2020, the Building Industry Association of Southern California – Baldy View Chapter (BIA) requested all cities in the County of San Bernardino adopt the attached resolution requesting the Governor Newsom extend the implementation date of SB743 for one year (until July 1, 2021).

The fiscal impacts and time constraints caused by COVID-19 was the main reasons cited by the BIA for the extension request.

Senate Bill 743 (SB 743)(Steinburg, 2013), signed by Governor Brown in 2013, is changing the way transportation impacts are identified. Specifically, the legislation has directed the Office of Planning and Research (OPR) to look at different metrics for identifying transportation as a CEQA impact. The final OPR Guidelines were released in December, 2018 and has identified Vehicle Miles Traveled (VMT) as the preferred metric moving forward. The state's Natural Resource Agency subsequently certified and adopted the California Environmental Quality Act (CEQA) Guidelines including guideline section

implementing SB 743 (§15064.3).

Key Element of the new Law:

A key element of this law is the elimination or deemphasizing of auto delay, level of service (LOS), and other similar measures of vehicle capacity or traffic congestion as the basis for determining significant impacts under CEQA. This change to measure the impact to driving - in theory – can assist in balancing the needs of congestion management with statewide goals related to infill development, promotion of public health through active transportation, and reduction of greenhouse gas emissions.

Although the new law recommends Vehicle Miles Traveled (VMT) to be the most appropriate measure of project transportation impacts, SB 743 does not prevent a city or county from continuing to analyze delay or LOS as part of other plan (i.e. the City's General Plan), studies, congestion management, or on-going network monitoring. However, it is important to note that those types of metrics may no longer constitute the sole basis for CEQA impacts.

SB 743 sets July 1, 2020 as the deadline for the new provision to apply statewide (§15064.3(c)).

What is the City doing to comply with SB 743)?:

The City of Highland has been actively participating with the San Bernardino County Transportation Authority (SBCTA) who has taken the lead on the SB 743 implementation study. SBCTA is creating tools to assist City with VMT Screening. In addition, the City's traffic consultant (HKA) has been helping staff navigate the complex VMT modeling assumptions and scoping the VMT threshold of significance appropriate for the City of Highland. The VMT threshold of significance when selected will be presented to the Planning Commission for public review and comments in the very near future.

There are no development projects currently in the entitlement and CEQA process that would be immediately impacted by the implementation of SB 743 on July 1, 2020. All projects submitted to the City after July 1, 2020 which requires CEQA review must include a VMT analysis.

As noted above, the BIA is requesting all cities in the County adopt the attached resolution in hopes that the Governor will executively extend the implementation date imposed by SB 743 until July 1, 2021. In the event the City Council approves the request, a certified copy of the subject resolution will be mailed to the BIA who will collectively submit to the Governor for consideration.

Baldy View Chapter

May 27, 2020

Dear Mayors and City Council members,

The Building Industry Association of Southern California, Baldy View Chapter (BIA) is a leading advocate for thousands of building industry leaders who are committed to a better future for California by building communities, creating jobs and ensuring housing opportunities for everyone. **We respectfully request that all Cities in San Bernardino County add the attached resolution to your upcoming June meeting agenda for a vote by your City Council.**

Specifically, the resolution requests that Governor Newsom extend the implementation date of Senate Bill (SB) 743 for 1-year until July 1, 2021. As you are aware SB 743 creates a process to change the way that transportation impacts are analyzed under CEQA. This new law eliminates vehicular congestion, traditionally expressed as Level of Service (LOS), as the operative metric for identifying transportation impacts. In its place, SB 743 identifies Vehicle Miles Traveled (VMT) as the key impact criterion under CEQA.

The adoption of the VMT threshold by cities is a very complex matter and requires the services of expensive expert traffic engineers, tremendous staff time and resources and multiple public meetings to ensure public input on the adoption of the threshold. As noted in the resolution, a 1-year extension on the July 1, 2020, implementation date is prudent considering:

The COVID-19 pandemic is resulting in dramatic changes in transportation patterns such as the expansion of working from home, learning from home, and even receiving medical care from home via remote communication technologies, as well as 90% decreases in public transit ridership based on social distancing and related health priorities, the requested extension will allow for the informed consideration of VMT and other potential changes to CEQA.

Thank you for your consideration and please contact me to confirm the status of our request to adopt a VMT delay resolution next month. In the meantime, we look forward to continuing the collaborative dialogue with your staff concerning each of your respective VMT plans that are due on July 1. Please have your staff contact me regarding the status of your respective VMT plans and proposed adoption dates at their earliest convenience. I can be reached at carlos@biabuild.com and/or 909-641-4630.

Sincerely,

Carlos Rodriguez,
Chapter Executive Officer

RESOLUTION NO. 2020-_____

A Resolution of the City Council of the City of Highland to Request the Delay of the Implementation of Title 14 of the California Code of Regulations, Section 15064.3

A. RECITALS

WHEREAS, on January 30, 2020, the World Health Organization (WHO) declared COVID-19 a Public Health Emergency of International Concern, and on January 31, 2020, the United States Secretary of Health and Human Services declared a Public Health Emergency; and

WHEREAS, On March 4, 2020, California Governor Gavin Newsom declared a State of Emergency to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the state prepare for a broader spread of COVID-19; and

WHEREAS, the City of Highland is experiencing a decline in revenues, unanticipated COVID-19 expenses have been incurred including expenses related to disinfection of public facilities, purchase of personal protective equipment, new technology for remote operations, increased public safety costs (including overtime), increased personnel costs (including overtime), purchasing supplies for residents and financial support to residents and businesses; and

WHEREAS, the City of Highland, is required by a new state law (Title 14 of the California Code of Regulations, section 15064.3) to adopt a threshold of significance for vehicle miles traveled (VMT), to be imposed on new housing development projects, among others; and

WHEREAS, the adoption of the VMT threshold is a very complex matter and requires the services of expensive expert traffic engineers, tremendous City staff time and resources and multiple public meetings to ensure public input on the adoption of the threshold; and

WHEREAS, the COVID-19 pandemic is resulting in dramatic changes in transportation patterns such as the expansion of working from home, learning from home, and even receiving medical care from home via remote communication technologies, as well as 90% decreases in public transit ridership based on social distancing and related health priorities, the requested extension will allow for the informed consideration of VMT and other potential changes to CEQA;

B. ADOPTION OF RESOLUTION.

Now therefore be it resolved that, the City of Highland, hereby requests that Governor Newsom extend the implementation date of Title 14 of the California Code of Regulations, section 15064.3 until July 1, 2021.

Be it further resolved that the action taken today be transmitted to Governor Newsom immediately.

The City Clerk shall certify to the adoption of this Resolution and shall cause the same to be published or posted in the manner prescribed by law.

PASSED, APPROVED AND ADOPTED this 9th day of June, 2020.

Larry McCallon
Mayor
